Economic Policy David Schwartzman,1989-07-10

Regional Development in the 1990s Ron Martin,Peter

Townroe,2013-10-18 This book documents the changing nature and challenge of regional development in Britain and Ireland in the final decade of this century In the first half of this book region by region profiles review the experience of the eighties and reflect on the present climate assessing problems and opportunities The second half provides 25 commentaries on changes influencing the development of regions from questions of industry technology and employment to the impact of national policy and 1992 and the prospects and capacity for regional policy and development

South Africa and the World Economy in the 1990s Pauline H. Baker,Alex Boraine,Warren Krafchik,1993 Furthermore what role can

international trade and investment play in spurring economic growth in South Africa alleviating the country s poverty and promoting a more equitable distribution of wealth These are some of the questions that came under the spotlight at an international conference organised in 1993 by The Aspen Institute and IDASA The Institute for a Democratic Alternative for South Africa At this conference held in South Africa a number of leading economists and policy advisers from the United States Asia Latin America and Africa met to stimulate discussion about a range of critical issues facing the South African economy in the years ahead

Britain in the Nineties Hugh Berrington,2014-06-11 This volume looks at the changes in British politics and government since the accession of Mrs Thatcher in 1979 and in particular at the 1990s Its aim is to explore some of these changes and to emphasize the recurring paradoxes in political developments

America in the Nineties Nina Esperanza Serriane,2015-02-09 This book is a survey treatment of the 1990s The trajectory of the narrative follows from the fall of the Berlin Wall in 1989 to the terrorist attacks of September 11 2001 This book seeks to give a voice to historically marginalized communities while providing an overview of the 1990s The analysis includes examinations of the end of the 1980s America s War in the Gulf Bush s domestic agenda The 1992 Campaign Clinton s domestic agenda The United States and genocide globalization science and technology pop culture race relations LGBT and women s right and the scandals of the Clinton Administration The book strikes the balance between providing an analysis of the 1990s while providing the reader with basic key information about the decade This book is one of the first of its kind to examine the whole decade and while providing an analysis on a multitude of subjects

Rural Policies For The 1990s Cornelia Flora,James A Christenson,2019-07-11 Crisis in rural America is by now an all too familiar complaint yet the problems presented by changing demographics economic decline and increasing poverty persist They have not vanished with a new administration However with a new farm bill in the offing now is the time for a fresh initiative to assess the difficulties facing nonurban America and to offer positive solutions Rural Policies for the 1990s written by some of the foremost experts on rural America focuses on policy relevant research Within a carefully crafted framework the contributors present stimulating discussions on resolving problems and improving the situation in rural areas Looking at the crucial issues of employment demographics

environment technology and the global impacts of national and international policies they offer a broad analysis that is neither regionally based nor biased The result is not an advocacy book but one that effectively enhances our understanding of the problems facing rural America and presents concrete proposals for revitalizing it Australian national bibliography

Ferman takes a more holistic and balanced view of large cities than is typical for urban studies as she argues that neighborhoods are an important integral part of what cities are and can be. For that reason, especially, her work will have a profound impact upon our understanding of urban politics.
