

Economic Policy In The Carter Administration

Michael Hoelscher

Economic Policy In The Carter Administration:

Economic Policy in the Carter Administration Anthony S. Campagna, 1995 The Carter administration took office at an unfortunate time as far as economics is concerned The economy was floundering and the oil crisis and energy problems were all too prevalent The author explains that as Carter turned to fighting inflation he abandoned the traditional Democratic agenda and became a forerunner of Reagan In the end he did not conquer inflation but he did sacrifice his ambitious programs for restructuring government crafting a lasting energy program and reforming the tax structure welfare and health care

Jimmy Carter's Economy W. Carl Biven, 2003-10-16 The massive inflation and oil crisis of the 1970s damaged Jimmy Carter's presidency In *Jimmy Carter's Economy* Carl Biven traces how the Carter administration developed and implemented economic policy amid multiple crises and explores how a combination of factors beyond the administration's control came to dictate a new paradigm of Democratic Party politics Jimmy Carter inherited a deeply troubled economy Inflation had been on the rise since the Johnson years and the oil crisis Carter faced was the second oil price shock of the decade In addition a decline in worker productivity and a rise in competition from Germany and Japan compounded the nation's economic problems The resulting anti inflation policy that was forced on Carter included controlling public spending limiting the expansion of the welfare state and postponing popular tax cuts Moreover according to Biven Carter argued that the ambitious policies of the Great Society were no longer possible in an age of limits and that the Democratic Party must by economic necessity become more centrist

The Carter Presidency Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter's election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter's presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter's dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter's performance focusing on policy both as cause and effect of the post

industrial transformation of American society that shadowed his administration A final essay shows how Carter's public spirited post presidential career has made him one of America's greatest ex presidents Grounded on research conducted at the Carter Library The Carter Presidency is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America

American Economic Policy in the 1980s Martin Feldstein, 2007-12-01 Destined to become the standard guide to the economic policy of the United States during the Reagan era this book provides an authoritative record of the economic reforms of the 1980s In his introduction Martin Feldstein provides compelling analysis of policies with which he was closely involved as chairman of the Council of Economic Advisers during the Reagan administration monetary and exchange rate policy tax policy and budget issues Other leading economists and policymakers examine a variety of domestic and international issues including monetary and exchange rate policy regulation and antitrust as well as trade tax and budget policies The contributors to this volume are Alberto Alesina Phillip Areeda Elizabeth Bailey William F Baxter C Fred Bergsten James Burnley Geoffrey Carliner Christopher DeMuth Douglas W Elmendorf Thomas O Enders Martin Feldstein Jeffrey A Frankel Don Fullerton William M Isaac Paul L Joskow Paul Krugman Robert E Litan Russell B Long Michael Mussa William A Niskanen Roger G Noll Lionel H Olmer Rudolph Penner William Poole James M Poterba Harry M Reasoner William R Rhodes J David Richardson Charles Schultze Paula Stern David Stockman William Taylor James Tobin W Kip Viscusi Paul A Volcker Charles E Walker David A Wise and Richard G Woodbury

America's Failing Economy and the Rise of Ronald Reagan Eric R. Crouse, 2018-02-13 This book examines one of the most important economic outcomes in American history the breakdown of the Keynesian Revolution Drawing on economic literature the memoirs of economists and politicians and the popular press Eric Crouse examines how economic decline in the 1970s precipitated a political revolution Keynesian thought flourished through the presidencies of Lyndon B Johnson Richard Nixon and Gerald Ford until stagflation devastated American workers and Jimmy Carter's economic policies faltered setting the stage for the 1980 presidential campaign Tracking years of shifting public opinion and colorful debate between free market and Keynesian economists this book illuminates a neglected era of American economic history and shows how Ronald Reagan harnessed a vision of small government and personal freedom that transformed the American political landscape

Guide to U.S. Economic Policy Robert E. Wright, Thomas W. Zeiler, 2014-06-30 *Guide to U S Economic Policy* shows students and researchers how issues and actions are translated into public policies for resolving economic problems like the Great Recession or managing economic conflict like the left right ideological split over the role of government regulation in markets Taking an interdisciplinary approach the guide highlights decision making cycles requiring the cooperation of government business and an informed citizenry to achieve a comprehensive approach to a successful growth oriented economic policy Through 30 topical operational and relational essays the book addresses the development of U S

economic policies from the colonial period to today the federal agencies and public and private organizations that influence and administer economic policies the challenges of balancing economic development with environmental and social goals and the role of the U S in international organizations such as the IMF and WTO Key Features 30 essays by experts in the field investigate the fundamental economic political social and process initiatives that drive policy decisions affecting the nation s economic stability and success Essential themes traced throughout the chapters include scarcity wealth creation theories of economic growth and macroeconomic management controlling inflation and unemployment poverty the role of government agencies and regulations to police markets Congress vs the president investment policies economic indicators the balance of trade and the immediate and long term costs associated with economic policy alternatives A glossary of key economic terms and events a summary of bureaus and agencies charged with economic policy decisions a master bibliography and a thorough index appear at the back of the book This must have reference for students and researchers is suitable for academic public high school government and professional libraries

Introduction to Jimmy Carter Gilad James, PhD,

Jimmy Carter was the 39th President of the United States and served from 1977 to 1981 Prior to his presidency he served as the governor of Georgia from 1971 to 1975 Carter was born in Plains Georgia in 1924 and grew up on his family s peanut farm He graduated from the United States Naval Academy in 1946 and served in the Navy until 1953 Carter s presidency was marked by several significant accomplishments including the Camp David Accords which led to a peace treaty between Egypt and Israel He also created the Department of Energy and signed the Panama Canal Treaty which transferred control of the canal to Panama However Carter faced several challenges during his presidency including an energy crisis a stagnant economy and the Iran hostage crisis He was defeated in his re election bid by Ronald Reagan in 1980 After leaving office Carter became known for his work in global peace and humanitarian efforts *Effective Presidency* Erwin C.

Hargrove, 2015-11-17 The second edition of this classic work adds a new chapter on Barack Obama and updates coverage of the end of the George W Bush administration Presidential scholar Erwin C Hargrove extends his analytical framework of presidential effectiveness to show how Obama combines eventful leadership with pragmatism to move the nation forward in an intensely polarized partisan environment Features of the textbook Uses an analytical framework to assess historical context personal skills and attributes and the ability to make a difference in each of ten presidencies Four presidents are judged to be event making leaders Johnson Nixon Reagan and George W Bush Six presidents are assessed as eventful leaders JFK Ford Carter George H W Bush Clinton and Obama As much a study of leadership as an analysis of ten presidencies this book adds to our understanding in political science history and public administration and management **The Carter**

Presidency John Dumbrell, 1995 With its associated images of the Iranian hostage crisis the presidency of Jimmy Carter from 1977 to 1981 is often regarded as a nadir in modern American national leadership In this re evaluation John Dumbrell looks at Carter s years in the White House from a post cold war perspective and argues that Carter was neither incompetent nor

lacking in a compassionate vision The Presidency of James Earl Carter, Jr Burton Ira Kaufman, Scott Kaufman, 2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president s foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn s activist role during his administration **The Routledge Handbook of German Politics & Culture** Sarah Colvin, 2014-11-27 The Routledge Handbook of German Politics and Culture offers a wide ranging and authoritative account of Germany in the 21st century It gathers the expertise of internationally leading scholars of German culture politics and society to explore and explain historical pathways to contemporary Germany the current Berlin Republic society and diversity Germany and Europe Germany and the world This is an essential resource for students researchers and all those looking to understand contemporary German politics and culture

Presidential Policymaking: An End-of-century Assessment Steven A. Shull, Norman C. Thomas, 2016-09-16 A comprehensive overview of the president s policy making role and the way this role structures the president s interaction with other institutions of government The book concludes with a discussion of the issues of accountability and policy leadership Government and Economies in the Postwar World Andrew Graham, Anthony Seldon, 2013-03-01 The chance to begin anew seldom occurs Yet the nearly complete breakdown of the world economy between 1939 and 1945 together with the dominant position of the United States at the end of the war provided just this opportunity A new international economic order was built on the ruins of the old How this happened and the role of government in economic performance is the subject of this important and timely book Written by political scientists contemporary historians and economists it includes ten country studies covering all the major industrialized nations in the West the USA USSR Japan Germany the United Kingdom France Italy Spain Eastern Europe and Scandinavia In each chapter readers will find information on the main objectives and instruments of economic policy the institutional framework where the country started from at the end of the war and a summary of what happened thereafter both in terms of policies and outcomes Each chapter also contains data on the country s economic performance a list of selected dates of important events and a guide to further reading The book begins with an overview of the system of international trade and payments since the war and ends with five commentaries drawing attention to contrasts and similarities between the nations The commentaries feature David Henderson Head of the Economics Division of the OECD on the overall economic performance Charles Feinstein on the influence of different starting points David Marquand on the effect of different political and institutional structures and Sidney Pollard on economic policies and traditions Learning from other countries experience as well as understanding how they see their own problems is increasingly important with 1992 glasnost and the problem of international policy coordination between the USA Japan and Germany so high on the agenda No other book provides such a wide ranging account of how the industrialized world came to be where it is today *The 1988 economic report of the President* United States. Congress. Joint Economic Committee, 1988

Congressional Record United States. Congress, 1984 Attack Politics Emmett H. Buell, Lee Sigelman, 2008 Ask most Americans and they'll tell you that presidential campaigns get dirtier and more negative with every election. This text suggests that this may not be as true as we think and shows that over the last dozen elections negativity may have been well publicised but hasn't increased.

The Carter Presidency and Gay Rights Harris Dousemetzis, 2024-07-25 Examining a significant and largely unexplored aspect of Jimmy Carter's presidency 1977-1981 Harris Dousemetzis radically revises the current understanding of this critical period in American political history. By using a wealth of previously unpublished archival material along with personal interviews with 43 prominent gay rights activists of the time and 12 senior Carter White House aides, this book documents what actually happened during Carter's presidency regarding the development and recognition of gay rights and the efforts of the evangelical right to prevent social reform. Investigating the full range of government actions taken and policies implemented, Carter's personal commitment and support for the movement as well as the role of activists in bringing about change, this is a significant and original contribution to knowledge about Carter's presidency, the gay rights movement, and American political development. Dousemetzis situates Carter's presidency in its rightful place as a crucial stage in one of the most dynamic areas of change in recent American politics and political culture. Features a Foreword by Stuart Eizenstat and an Afterword by Lilian Faderman.

Economic Policy In The Carter Administration Introduction

In today's digital age, the availability of Economic Policy In The Carter Administration books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Economic Policy In The Carter Administration books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Economic Policy In The Carter Administration books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Economic Policy In The Carter Administration versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Economic Policy In The Carter Administration books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Economic Policy In The Carter Administration books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Economic Policy In The Carter Administration books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students.

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Economic Policy In The Carter Administration books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Economic Policy In The Carter Administration books and manuals for download and embark on your journey of knowledge?

FAQs About Economic Policy In The Carter Administration Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economic Policy In The Carter Administration is one of the best book in our library for free trial. We provide copy of Economic Policy In The Carter Administration in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Economic Policy In The Carter Administration. Where to download Economic Policy In The Carter Administration online for free? Are you looking for Economic Policy In The Carter Administration PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase.
