Economic Survey Of Latin America And The Caribbean 20022003:

Economic Survey of Latin America and the Caribbean 2009-2010 United Nations. Economic Commission for Latin America and the Caribbean, United Nations, 2011 In 2009 the countries of Latin America and the Caribbean experienced the brunt of the global financial crisis on their levels of activity so that the region experienced a decline of 1.9% of GDP. However, since the second half of the year, most countries in the region have begun a vigorous recovery that should strengthen in 2010 with a regional GDP expansion of approx. 5.2%. This region, together with the emerging countries of Asia, were among the most dynamic in the world prior to the global financial crisis. The factors though behind a more positive performance are both external and internal in nature. Amongst the former can be included the continued dynamism of some key Asian economies whose sustained demand for products from this region has created important conditions for a recovery in exports, especially in the case of South America. Similarly, the recovery of the U.S. economy though gradual contributes to a better scenario for Mexico, Central America, and to the extent that raises the demand for tourism, possibly also for the Caribbean. For the latter, some recovery is projected in remittances from that country by migrant workers in the region.

Economic Survey of Latin America and the Caribbean, 2004 Current Conditions and Outlook, 2002-2003, 2003 Politics Latin America Gavin O'Toole, 2017-08-23 Politics Latin America examines the role of Latin America in the world and its importance to the study of politics with particular emphasis on the institutions and processes that exist to guarantee democracy and the forces that threaten to compromise it. Now in its third edition and fully revised to reflect recent developments in the region, Politics Latin America provides students and teachers with an accessible overview of the region's unique political and economic landscape covering every aspect of governance in its 21 countries. The book examines the international relations of Latin American states as they seek to carve out a role in an increasingly globalised world and will be an ideal introduction for undergraduate courses in Latin American politics, comparative politics, and other disciplines. This new edition will include updated references to scholarship and debates, new themes such as environmental rights, women presidents, the Latin American Pope, Afro-Latinos, and the politics of sexual diversity, examination of demographic change, and social movements. A new chapter on environmental economics and sustainable development. This book is essential reading for undergraduates taking courses in Latin American Politics.

Economic Survey of Latin America and the Caribbean 2007-2008 United Nations, United Nations. Economic Commission for Latin America and the Caribbean, 2009 The Economic Survey is one of ECLAC's flagship publications and has been issued since 1948. This new edition covers the region's economic performance in 2007 and the first semester of 2008 and suggests growth estimates for this year.

Preliminary Overview of the Economy of Latin America and the Caribbean, 2004 Economic Survey of Latin America and the Caribbean 2017 United Nations Publications, 2018-01-11 The 2017 edition of the Economic Survey of Latin America and the Caribbean has three parts. Part I outlines the region's economic performance in 2016 and analyses trends in the early months of 2017 as well as the outlook.

for the rest of the year It examines external and domestic factors that have influenced the region's economic performance and draws attention to macroeconomic policy challenges Part II analyses the characteristics of the current economic cycle in the region 2009-2016 and contrasts it with the two preceding cycles 1990-2001 and 2002-2008 It also identifies and attempts to explain some of the determinants of the cycle and outlines possible strategies for regaining growth Part III contains notes relating to the economic performance of countries of the region
