**Economic Development in Provincial China** Eduard B. Vermeer, Eduard V. Vermeer, 1988 Provincial Strategies of Economic Reform in Post-Mao China Peter T.Y. Cheung, Jae Ho Chung, Zhimin Lin, 2016-12-05 Focusing on the role of provincial leadership in the initiation and implementation of economic reform this text studies economic decentralization in eight Chinese provinces In each area resource allocation and acquisition of foreign capital and investment are investigated

**Constructing Suiyuan** Justin Tighe, 2021-11-29 This groundbreaking study sheds light on the mechanisms of Chinese nation and state making Closely examining the remaking of Qing Inner Asia as Chinese provincial territory in the late Qing and Republican periods the author focuses on the efforts of warlords and local Chinese elites in creating the new Inner Mongolian province of Suiyuan Based on a wide reading of rarely accessed sources the book explores land reclamation the growth of counties and other ways by which Suiyuan gained provincial substance It also carefully traces the emergence of a new national discourse on Northwestern territory and demonstrates its importance in placing Suiyuan within the Chinese Republic More broadly speaking Constructing Suiyuan offers comparative perspectives on the issues of space territoriality and possession of place

Hainan - State, Society, and Business in a Chinese Province Kjeld Erik Brødsgaard, 2008-08-27 This book examines the complex relationship between the state society and business in China focusing on the experience of the island province of Hainan It provides detailed evidence of how relations between party cadres state bureaucrats businesses foreign investors and civil society play out in practice in China today

*China's Campaign to 'Open Up the West'* David S. G. Goodman, 2004-11-08 The 2004 volume examines the newly adopted Chinese government policy designed to aid the development of China's western regions It considers the political and economic context of the campaign and then examines its potential impact in seven provincial level jurisdictions Xinjiang Qinghai Sichuan Shaanxi Chongqing Yunnan and Guizhou

**China** Robert B. Marks, 2011-12-16 This deeply informed and beautifully written book provides a comprehensive and comprehensible history of China from prehistory to the present Focusing on the interaction of humans and their environment Robert B Marks traces changes in the physical and cultural world that is home to a quarter of humankind Through both word and image this work illuminates the chaos and paradox inherent in China's environmental narrative demonstrating how historically sustainable practices can in fact be profoundly ecologically unsound The author also reevaluates China's traditional heroic storyline highlighting the marginalization of nature that followed the spread of Chinese civilization while examining the development of a distinctly Chinese way of relating to and altering the environment Unmatched in his ability to synthesize a complex subject clearly and cogently Marks has written an accessible yet nuanced history for any reader interested in China past or present Indeed he argues successfully that all of humanity has a stake in China's environmental future

*Chinese Studies in the Netherlands*

,2013-12-09 The Netherlands have a long and proud history in Chinese studies This volume collects not only articles that trace the historical development of Chinese studies in the Netherlands from the middle of the nineteenth century to the present and beyond but also studies that deal with Dutch research in specific disciplines within Chinese studies Chinese studies in the Netherlands originated from the needs of the Dutch colonial administration in the Dutch East Indies but developed a strong philological emphasis in the first part of the twentieth century to turn increasingly towards disciplinary research on modern and contemporary China in the last few decades Contributors include Leonard Bluss Maghiel van Crevel Barend ter Haar Albert Hoffst dt Wilt Idema Mark Leenhouts Oliver Moore Frank Pieke and Rint Sybesma **Chinese**

**Local History** Eduard B. Vermeer,2019-03-13 During the past few years some 200 stone inscriptions have been copied by the Chinese historian Lin Renchuan tt II in different places in South Fukien In 1987 in the course of a study of the history of land reclamation I had the occasion to roam through the mountains and coastal plains of South Fukien with Professor Lin and read his collection Most of the texts have never been published in any form A f w usually by famous authors such as for instance Ts ai Hsiang J \_ have already been included in one or more of the few Fukienese collections of ancient stone and bronze inscriptions known to me1 Some can be traced in complete or excerpted form in the municipal or county gazetteers of the area from which they come A few texts have also been published in modern collections and one or two have even been translated into Englishb and been commented upon not accidentally the latter concern religion and overseas voyages traditional subjects of European interest Nmety percent of these texts however have never been collected or quoted before Lin Renchuan hopes to publish them in Chinese in the near future Only eight such collections of original texts without translations or commentary with materials drawn from Kiangsu Soochow Peking Shangba Yunnan Canton Kwangsi and Taiwan have been published since 19492 **The Chinese Economy** Barry Naughton,2007 The most comprehensive English

language overview of the modern Chinese economy covering China s economic development since 1949 and post 1978 reforms from industrial change and agricultural organization to science and technology **Re-Drawing Boundaries** Barbara Entwisle,Gail Henderson,2000-11-07 The essays in this volume explore various aspects of work in China including the nature of work gender inequalities in work gender and work in the context of migration and the reciprocal influences of households and work organization Cooperative and Collective in China's Rural Development: Between State and Private Interests Eduard B. Vermeer, Frank N. Pieke, Woei Lien Chong,2024-12-06 Following China s successful decollectivization diverse new organizational forms arose in response to different local situations The contributors dissect the relationships among the emerging class of entrepreneurs local officials and their family members and associates The Rise of Asia Frank B. Tipton,1998-05-01 For many years Japan was seen as the peculiar exception in Asia a highly dynamic economy isolated in an otherwise moribund continent With the rise of the Southeast Asian and Chinese economies however it has now become clear that Asia as a whole is experiencing an extraordinary revolution which will result within a very few years in

living standards for some countries being on a par with those in the West The results of this transformation can only be guessed at but The Rise of Asia adds a far greater sophistication to our understanding of how this process came about treating the key areas of Asian life economics society and politics as an integrated whole and avoiding the trap of most commentators who see the phenomenon as an exclusively postwar economic issue Balancing the uniquely Asian aspects with global developmental factors Dr Tipton creates a convincing picture of how this amazing change has occurred

**The Ecology of War in China** Micah S. Muscolino, 2014-12-15 This book explores the interplay between war and environment in Henan Province a hotly contested frontline territory that endured massive environmental destruction and human disruption during the conflict between China and Japan during World War II In a desperate attempt to block Japan's military advance Chinese Nationalist armies under Chiang Kai shek broke the Yellow River's dikes in Henan in June 1938 resulting in devastating floods that persisted until after the war's end Greater catastrophe struck Henan in 1942-3 when famine took some two million lives and displaced millions more Focusing on these war induced disasters and their aftermath this book conceptualizes the ecology of war in terms of energy flows through and between militaries societies and environments Ultimately Micah Muscolino argues that efforts to procure and exploit nature's energy in various forms shaped the choices of generals the fates of communities and the trajectory of environmental change in North China

**The Thought of Mao Tse-Tung** Stuart Reynolds Schram, 1989-07-13 Professor Schram offers a fascinating and sure footed analysis of Mao's intellectual itinerary

**China in the 1980s** S. Breslin, 1996-02-12 This book analyses the changing nature of centre province relations in China in a period of rapid economic change It aims to show how leadership conflicts over the nature and scope of economic change gave rise to an incremental and reactive reform process The resulting partially reformed economic system not only gave many provincial leaders the ability to ignore central economic commands but the perceived consequences of reform also increased the desire of some local leaders to assert their independence

**India Briefing** Alyssa Ayres, Philip Oldenburg, 2002 A history of modern Russia Kort begins by providing an overview of the historical background he then begins with the establishment of the Bolshevik Dictatorship and then tells the story of Communist Russia before concluding with a section on the first 10 years of post Soviet Russia

**Area Bibliography of China** Richard T. Wang, 1997 A combination of scholarly commercial and popular interests has generated a large quantity of literature on every aspect of Chinese life during the past two decades This bibliography reflects these combined interests it is broken up into sections by subject headings and cross references refer the researcher to related topics

**In One's Own Shadow** Xin Liu, 2000-08-08 China underwent a dramatic social transformation in the last decade of the twentieth century This powerful ethnographic study of one community focuses on the logic of everyday practice in post reform rural China Enriched with many vivid anecdotes describing life in the village of Zhaojiahe in northwestern China In One's Own Shadow skillfully analyzes the changes and continuities marking the recent history of this region and highlights the broader implications for

the way we understand Chinese modernity Liu's narrative provides a wonderfully evocative exploration of many domains of everyday life such as kinship and marriage traditions food systems ceremonial celebrations social relations and village politics He brings to life many of the personalities and customs of Zhaojiahe as he presents the villagers' strategies to modernize in an environment of scarce resources and a discredited cultural heritage This accessibly written ethnography will be an essential contribution to the anthropology of China

**Enterprise, Organization, and Technology in China** Philip Scranton, 2018-12-13 Given the near silence in technological and business history about post World War II socialist enterprises this book gives voice to a generation of Communist China's managers entrepreneurs cadres and workers from the Liberation to the early 1970s Using recently opened online archival resources it details and assesses the course of technical and organizational experimentation at state owned cooperative and private enterprises as the PRC strove to construct a socialist economy through trial and error initiatives Core questions treated are How did Chinese enterprises operate evolve experiment improvise and adjust during the PRC's first generation What technological initiatives were crucial to these processes necessarily developed with limited expertise and thin financial resources How could constructing socialism with Chinese characteristics have helped lay foundations for the post 1980 Chinese miracle as the PRC confidently entered the 21st century while Soviet and Central European socialisms crumbled And what might current day Western managers and entrepreneurs learn from Chinese practice and performance a half century ago Readers can anticipate a granular bottom up analysis of how businesses worked day to day in a planned economy how enterprise practices and technological strategies shifted during the first postwar generation how managers and technicians emerged after the capitalist exodus how organizations experimented and adapted and how the controversies and convulsions of the PRC's early decades fashioned durable technical and organizational capabilities
