ECONOMIC REFORMS IN ANDHRA PRADESH Dr B. Sarangapani,2006-02-01 The development experience of Andhra Pradesh will make a very useful case study in the context of globalization as it launched many initiatives as part of the structural adjustment programme SAP through World Bank assistance covering important sectors like power education irrigation and governance It is probably the only state that had formulated a Vision Document to achieve an overall growth rate of 15 percent by 2020 with a massive investment of 30 000 crores basically to provide people opportunities both social and economic to achieve prosperity and wellbeing and enjoy a high quality of life An intense scrutiny of these initiatives would be extremely critical for the national economy aside being useful to other States All this has assumed significance in the context of adopting second generation reforms involving many aspects in the State list The present volume offers valuable insights about the reform process and experience of Andhra Pradesh **Economic Reforms and Social Policy** Dr B. Sarangapani,2006-12-01 This book offers valuable insights for understanding the impact of economic reforms on the changed role of state and how a retreating state can slow down programmes meant for social development It also brings out the importance of having a coherent and consistent social policy Academicians researchers policy makers and administrators have debated several issues regarding the nature of fiscal crisis in Andhra Pradesh and implementation of subsequent World Bank lent Andhra Pradesh Economic Restructuring Project APERP This volume contains several research papers on various aspects of social policy in the context of on going economic reforms **India's Economic Reforms** Uma Kapila,1996

India's Economic Reforms, 1991-2001 Vijay Joshi,I. M. D Little,1996-09-26 India is the world s largest democracy and second largest developing country For forty years it has also been one of the most dirigiste and autarkic The 1980s saw most developing and erstwhile communist countries opt for market economic systems India belatedly initiated similar reforms in 1991 This book evaluates the progress of those reforms covering all of the major areas of policy stabilization taxation and trade domestic and external finance agriculture industry the social sectors and poverty alleviation Will India realize its great potential by freeing itself from the self imposed constraints that have hindered its development This is the important and fascinating question considered by this book **Economic Reform and Dvelopment** K. Poverty & Economic Reforms Ved P. Luthra, 2005 In Indian context *Economic Reform in China and India* C. H. Chai, K. C. Roy, 2006-01-01 The authors have produced an outstanding book on economic reforms in China and India This book is a wealth of information on this crucial issue thus filling this important gap in the literature on economic reform and also adding more knowledge to the literature on the history of economic development processes in China and India this book will be of interest to both scholars of the economic reforms and those more generally interested in the social political changes occurring there Tulus Tambunan Journal of Asian Business Economists Chai and Roy have produced a well written properly documented study of the comparative development of India and China over the last 50 years The book will be useful to graduate students in Asian studies and economic development Policy makers in other developing countries can also benefit from this account of the experiences of two major emerging economies under different economic and political systems Recommended Graduate research and professional collections J S Uppal Choice Recent acceleration of the Indian economic growth rate from 6 to 8 per cent has sparked worldwide speculation that India is about to catch up with China and become another Asian miracle economy *Economic Reform in China and India* examines this prospect reviewing the development strategies pursued by the two countries over the last 50 years in general and exploring recently introduced reform measures in particular The culmination of many years of research by specialists in these economies this book assesses the performance

of China and India at both macro and sectoral levels including economic social political and environmental aspects It illustrates the reasons why China has outperformed India in the past and identifies the obstacles that India will face in its attempts to catch up with China Providing solutions for China and India that can be applied to other developing countries this book will be invaluable for researchers academics and students focussing on economic development and Asian studies It will also receive much attention from investors and government analysts interested in the strategic implications of the emergence of the two Asian economic giants

Korean Security in a Changing East Asia Terence Roehrig, Jungmin Seo, Uk Heo, 2007-08-30 Since its partition in the 1950s the Korean peninsula has directly or indirectly shaped the broader security relations between regional powerhouses and the recent test of a nuclear weapon by the North Korean regime has heightened tensions across the world This study draws upon contributions from a diverse array of experts who offer their perspectives on the region s complex network of alliances and hostilities The authors discuss the future of the region the potential for military conflict and a new arms race and the ways to maintain peace and stability Since its partition in the 1950s the Korean peninsula has directly or indirectly shaped the broader security relations between regional powerhouses while the recent test of a nuclear weapon by the North Korean regime has heightened tensions across the world Japan feeling increasingly threatened by the North Korean regime and China s extravagant military expenditures has begun questioning Article IX in its Constitution that renounces war and the maintenance of armed forces Its neighbors still haunted by Japanese atrocities during World War II are fearful of a new nuclear arms race in the region The United States for its part has adopted unprecedented hard line policies in response to 9 11 going so far as to condemn North Korea as part of an axis of evil It has strengthened its alliance with Japan and alienated its long time strategic partner South Korea Add to this the economic entanglements of each of these countries both with each other and with the rest of the world and the regional security issues become even more paramount This study makes sense of these complex alliances and frictions and offers an array of perspectives on the future of the region the potential for military conflict and a new arms race and the ways to maintain peace and stability Topics include big power rivalries South Korea s sunshine policy anti Americanism and emerging nationalisms

Indian Economy Since Independence Uma Kapila, 1990 Income-poverty and Beyond Raja Jesudoss Chelliah, R. The Political Economy of Agricultural Policy Reform in India Regina Birner, Surupa Gupta, Neeru Sharma, 2011 Agricultural policy reform is one of the major challenges facing India today Such reform is required to reduce poverty through faster agricultural growth and to promote more sustainable use of natural resources while ensuring food security Subsidy policies that promote the use of fertilizer and of electricity for groundwater irrigation are in particular need of reform While subsidies for these two inputs played a crucial role in achieving India s

Green Revolution they have been criticized during the past decade for benefitting large scale farmers more than smallholders placing a fiscal burden on the state and having negative environmental effects By analyzing the evolution of these input subsidy policies and examining the political processes involved in efforts to reform them this study throws new light on the factors that have so far prevented a move toward more pro poor and environmentally sustainable agricultural input policies in India The authors show that electoral politics institutional factors and policy paradigms or belief systems all play an important role in blocking reform They identify several policy reform options as well as political strategies that can overcome past obstacles to reform Community based policy solutions new coalitions for policy reform fresh approaches to the policy debate innovative and consensus oriented forms of deliberation and effective use of research based knowledge can all make positive contributions to Indian policy reform The analyses and proposals presented in this study will be a valuable resource for policymakers and stakeholders concerned with the politics of agricultural development **Economy for General**
