Economics Hits On The Web 2002:

The New Confessions of an Economic Hit Man John Perkins, 2016-02-09 Featuring 15 explosive new chapters this new edition of the New York Times bestseller brings the story of Economic Hit Men up to date and chillingly home to the U S but it also gives us hope and the tools to fight back The previous edition of this now classic book revealed the existence and subversive manipulations of economic hit men John Perkins wrote that they are highly paid professionals who cheat countries around the globe out of trillions of dollars Their tools include fraudulent financial reports rigged elections payoffs extortion sex and murder In Perkins s case the tool was debt convincing strategically important countries to borrow huge amounts of money for enormous development projects that served the very rich while driving the country deeper into poverty and debt And once indebted these countries could be controlled In this latest edition Perkins provides revealing new details about how he and others did their work But more importantly in an explosive new section he describes how the EHM tools are being used around the world more widely than ever even in the U S itself The cancer has metastasized yet most people still aren t aware of it Fear and debt drive the EHM system We are hammered with messages that terrify us into believing that we must pay any price assume any debt to stop the enemies who we are told lurk at our doorsteps The EHM system employing false economics bribes surveillance deception debt coups assassinations unbridled military power has become the dominant system of economics government and society today It has created what Perkins calls a Death Economy But Perkins offers hope he concludes with dozens of specific concrete suggestions for actions all of us can take to wrest control of our world away from the economic hit men and help give birth to a Life Economy **A Game As Old As Empire** Steven

Hiatt, 2007-02-28 John Perkins controversial and bestselling expos Confessions of an Economic Hit Man revealed for the first time the secret world of economic hit men EHMs But Perkins Confessions contained only a small piece of this sinister puzzle The full story is far bigger deeper and darker than Perkins personal account revealed Here other EHMs journalists and investigators join Perkins to tell their own stories providing the first probing and expansive look into this pervasive web of systematic corruption With chapters spotlighting how specific countries around the globe have been subverted A Game As Old As Empire uncovers the inner workings of the institutions behind these economic manipulations The contributors detail concrete examples of how the economic hit man game is still being played an officer of an offshore bank hiding hundreds of millions of dollars in stolen money IMF advisers slashing Ghana s education and health programs a mercenary defending a European oil company in Nigeria a consultant rewriting Iraqi oil law and executives financing warlords to secure supplies of coltan ore in Congo Together they show how this system of corruption and plunder operates in real life and reveal the price that the rest of the world must pay as a result Most important A Game As Old As Empire connects the dots showing how the various pieces of this system come together to create the world s first truly global empire The Internet, Organizational Change and Labor David C. D. Jacobs, Joel Yudken, 2003-07-31 Examining what is happening to work organizations and unions

in the age of the Internet this fascinating book reveals both the opportunities and dangers for workers in the digital age
