The Message Beyond Words: The Illusion of Death and the Reality of Living: Talks on the Kathopanishad

Osho, 2025-04-10 The Message beyond Words is an invitation to understand what death really is and thus transform the way you live These talks are based on the ancient Kathopanishad which tells the story of a small boy Nachiketa who is sent by his father to face the Lord of Death This Upanishad is traditionally read as someone is dying to inspire the people they love the people who are present to begin their search for a conscious life By exploring the methods described in this book a person frozen in their fear of death can melt flow and really begin to live for the first time Once you really face your fears about death says Osho your life will automatically transform and become conscious joyful and silent Osho defies all categorization As he says I am not much of a religious person I am not a saint I have nothing to do with spirituality All those categories are irrelevant about me You cannot categorize me you cannot pigeonhole me But one thing can be said that my whole effort is to help you release the energy called love intelligence If love intelligence is released you are healed      **A Taste of The Divine**

Osho,      The Psychology Of The Esoteric Osho, 2022-03-30 There are two types of evolution collective evolution and individual conscious evolution Evolution implies unconscious collective progress so it would be better to use the word revolution in talking about man With man revolution becomes possible Revolution as I am using the word here means a conscious individual effort toward evolution It is bringing individual responsibility to a peak Only you are responsible for your own evolution      Bauls : The Seekers Of The Path Osho,      **The Revolution** OSHO, 2023-09-20 Osho brings alive the words

of the Indian mystic Kabir with this fiery treatise on the only real revolution that matters enlightenment With love insight and compassion Osho delves deeply into the essential difference between a rebel and a revolutionary The sham of the orthodox conventional and traditional approaches to religion and spirituality are exposed by Osho s penetrating clarity In Osho s hands Kabir s approach will give you a glimpse into what kind of religiousness is possible in the future      Nirvana : The Last

Nightmare Osho, 2004 Spontaneous talks given by the author in Chang Tzu Auditorium Pune India      **I Say Unto You - Vol.**

**II** Osho, 2022-06-22 What if Jesus were not a supernatural being conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the East This extraordinary line by line commentary

on some of the best known Gospels from the New Testament tests the hypothesis that Jesus was a mystic not a miracle worker And convincingly makes the case that the stories of his life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come I will speak on Christ but not on Christianity Christianity has nothing to do with Christ In fact Christianity is anti Christ just as Buddhism is anti Buddha and Jainism anti Mahavir Christ has something in him which cannot be organized The very nature of it is rebellion and a rebellion cannot be organized The moment you organize it you kill it Then the dead corpse remains You can worship it but you cannot be transformed by it You can carry the load for centuries and centuries but it will only burden you it will not liberate you That s why from the beginning let it be absolutely clear I am all for Christ but not even a small part of me is for Christianity If you want Christ you have to go beyond Christianity If you cling too much to Christianity you will not be able to understand Christ Christ is beyond all churches     A Songh Without Words Osho,     **Life : A Song, A Dance** Osho,     Secret Of Disciplehood Osho,     **The Alchemy of Enlightenment** Osho,     **Eternal Celebration** Osho,     **The Fire Of Truth** Osho,2006     **Freedom From The Mind** Osho,     *The Great Challenge* Osho,2021-08-05 In these pages you will find the experience of a twentieth century buddha as He responds to questions from people like you and me who sense that there is more to life than meets the eye If reading Osho s words you find a thirst arising in you to explore that beyond you have heard this invitation you have accepted this Great Challenge     **A Lotus of Emptiness** Osho,2021-07-06 Osho is one of the most original minds in this second half of the twentieth century Reading him is sheer pleasure Osho is undoubtedly a master of words and knows how to use them He should be read Many passages from his books are quotable I wish I had written them myself M V Kamath
