on the Meaning of Ordination:  
Based on the Study, *Rituals of Ordination  
and Commitment in Churches in the Nordic Countries.*  
*Theology and Terminology***

## Introduction

In 1997 the Nordic Ecumenical Council decided to initiate a study process on *Theology and Terminology of Rituals for Ordination in the Churches in the Nordic Countries*.<sup>1</sup> From 1998–2003 ecumenical study groups on ordination in the Nordic Churches took place. In addition to these, a research project, funded by NOS-H, was carried out under the joint leadership of the signers of this report.<sup>2</sup> This group was convened and coordinated by Hans Raun Iversen, Faculty of Theology, University of Copenhagen. The general results of the research project appear in our book, *Rituals of Ordination and Commitment in Churches in the Nordic Countries. Theology and Terminology*.<sup>3</sup>

Before our members depart and return to their respective homes, and having studied ordination rituals together and listened to representatives from the Nordic Churches, we desire to share with the churches some insights and learnings that include:

- 1) Some theological remarks on the findings in our study and
- 2) Some observations for the churches to consider whenever they work with their ordination rituals or have the opportunity to start a study process on the theology of ordained ministry.

<sup>1</sup> The Nordic Ecumenical Council in 1997 had the following members and observers: The Anglican Archdeaconry in Scandinavia, the Evangelical Lutheran Church in Denmark, the Danish Baptist Union, the Ecumenical Council of Finland, the Evangelical Lutheran Church of Finland, the Council of Free Christians in Finland, the Swedish Free Church Council in Finland, the Nordic Salvation Army, the Greek-Orthodox Metropolitanate of Sweden and Scandinavia, Church of Iceland, the Methodist Church of Scandinavia and Balticum, the Nordic Bishops Conference, the Free Church Council of Norway, the Christian Council of Norway, Church of Norway, the Orthodox Church of Finland, Sigtuna Foundation, the Swedish Baptist Union, the Church of Sweden, the Swedish Mission Covenant Church, the Free Church Council of Sweden, the Christian Council of Sweden, the Danish Ecumenical Council.

<sup>2</sup> NOS-H is a common Nordic research fund set up by the Nordic National Research Councils for Humanities and Theology.

<sup>3</sup> The book is to be published in Spring 2005 by Museum Tusculanum, Copenhagen. It brings 19 case studies in various groups of rituals of ordination and commitment from Nordic Churches, approaching them from different methodological perspectives. To these are added seven papers on ecumenical, liturgical and theoretical perspectives in rituals of ordination and commitment.

conservative theological position and resist the challenge of Bosch's mission paradigm shift the key issue being that of hermeneutics Ott further explores the emerging new paradigm of theological education in both the Western and Two Thirds World contexts While the evangelical Bible school movement has historically embodied many of the features of this new paradigm they nevertheless have jeopardized these by their pursuit of academic accreditation Ott believes that theological conservatism has caused the KBA schools to resist changes in the areas of contextual and inductive learning Finally Ott studies the schools pattern of change and change resistance through combining the insights of Thomas Kuhn Hans Kung and Alasdair MacIntyre to hermeneutical and epistemological issues *The Encyclopedia of Christianity* Erwin

**Examining Billy Graham's Theology of Evangelism** Thomas P. Johnston, 2003-03-12 Examining Billy Graham's Theology of Evangelism was written to advance an unbiased understanding of Billy Graham's theology and practice Theological examination of Graham's sermons revealed four distinct eras in his theology and practice The Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham's theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ **Sourcebook of the World's Religions** Joel

Beverly, 2011-02-08 Now in its third edition this is the most comprehensive work available on the rich variety of paths available to today's spiritual seekers More than an academic reference it explores how religions can collaborate to help the world Essays exploring the realm of building an interfaith community add to the book's detailed portraits of the major religious traditions The Sourcebook also contains essays on spiritual practices as diverse as theosophy wicca and indigenous religions This revised edition of the Sourcebook offers an unparalleled look at where spirituality is headed in the coming millennium *The Liturgy of the Gospel* Wolfgang Vondey, 2025-09-12 Vondey argues that theological hermeneutics in

Pentecostal perspective is the interpretation of the world explicitly and specifically informed by the liturgy of the gospel This

book identifies the corresponding hermeneutical questions that have dominated the formation of a liturgical Pentecostal horizon of interpretation since the twentieth century Pentecostals are acutely aware that the claim of their interpretive position shows not only a fusion of horizons but also a rejection of the dominant descriptive mechanisms How this tension in the history of Pentecostal theology is resolved and contributes to the emergence of Pentecostalism as a hermeneutical tradition is the subject of three critical inquiries 1 the question of truth in the Pentecostal tradition 2 the extension of the question of truth to hermeneutical experience and 3 the ontological shift of Pentecostal hermeneutics Vondey identifies how Pentecostal hermeneutics emerged not only thematically and historically but experientially and subjectively through the themes of the full gospel This book shows that rather than by the dominance of language the dynamic hermeneutical positioning in the narrative of this gospel originated and continues to be shaped liturgically *A Missiology of the Road* J Kevin Livingston,2014-09-25 David Bosch 1929 1992 was one of the foremost mission theologians of the twentieth century a prolific scholar committed church leader and active participant in the global conciliar and evangelical mission movements His distinctive role in the South African church's struggle against apartheid is less well known however After reviewing Bosch's background and exploring key themes in his understanding of mission and evangelism Livingston explores Bosch's legacy from the perspective of the missionary nature of the church The church is God's kingdom community acting as a witness to and instrument of the coming reign of God The church is God's alternative community simultaneously set apart from the world but also existing for the sake of the world exemplifying the radical implications of Christ's new community It is also God's reconciled and reconciling community serving as a sign and embodiment of God's love in Christ For those acquainted with Bosch only as the author of his magisterial *Transforming Mission* *A Missiology of the Road* shows how Bosch integrated his theology and practice in a faithful contextually relevant way within South Africa and the global church
