blend of fiction and philosophy structured into five books that chart the stages of the protagonist's development. Guided by a benevolent tutor, a figure representing Rousseau himself, the fictional boy Emile is raised away from the corrupting influence of society so that his natural virtues can flourish. Rousseau details an educational program matched to each age of the pupil: in early childhood, the tutor prioritizes exercise, freedom, and learning through the senses rather than through books; in later childhood, lessons emerge from practical experience and the child's own inquiries with minimal use of punishment or constraint. During adolescence, Emile gradually encounters moral and abstract concepts but always in relation to real-life situations, ensuring he internalizes wisdom through experience. In the final book, Rousseau introduces a companion for Emile, a young woman named Sophie, and discusses how a girl's education should be tailored in Rousseau's view to make her a loving, rational partner, thereby completing his picture of an ideal education for both sexes.

Sporting Cultures, 1650–1850 Daniel O'Quinn, Alexis Tadié, 2018-01-01. *Sporting Cultures, 1650–1850* is a collection of essays that charts important developments in the study of sport in the eighteenth century.

Belle de Zuylen/Isabelle de Charrière Suzanna van Dijk, 2006. As a Dutch woman who spent half her life in Switzerland and chose French as her writing language, Belle de Zuylen/Isabelle de Charrière parades a defiant attitude towards the constraints of the literary field. To read with care her letters, her novels, pamphlets, and plays means accepting some modifications to our picture of the Enlightenment and obliges us to question the limits of the field of literary criticism, such as it has been structured since the nineteenth century, that is, along the lines of national canons. This bilingual volume, English and French, contains articles based on contributions to the international congress that was organized at Utrecht University in April 2005 on the occasion of the bicentennial of the author's death.
