Nadel, 1999-02-11 This Companion contains fifteen chapters by leading international scholars who together reflect diverse but complementary approaches to the study of Ezra Pound's poetry and prose They consider the poet's foreign influences economics politics and publication history of Pound's entire corpus and reveal his importance in developing some of the key movements in twentieth century poetry The book also situates Pound's work in the context of Modernism illustrating his influence on contemporaries like T S Eliot and James Joyce Taken together the chapters offer a sustained examination of one of the most versatile influential and certainly controversial poets of the modern period **Modernist Alchemy** Timothy Materer, 2018-09-05 *Modernist Alchemy* takes a close look at the work of twentieth century poets whose use of the occult constitutes a recovery of discarded beliefs and modes of thought Yeats and Plath try to dismiss conventional religion Hughes captures a sense of adventure H D seeks to liberate repressed concepts while Duncan and Merrill hunt for a lost understanding of sexual identity which will allow for androgyny and homosexuality *The Aesthetics of Dedalus and Bloom* Marguerite Harkness, 1984 This study explores James Joyce's

struggle to come to terms with the aesthetic outlooks current at the beginning of the century by examining his portrayal of their dangers and attractions in his two most fully realized characters Stephen Dedalus in *Portrait of the Artist as a Young Man* and Leopold Bloom in *Ulysses*

Reframing Yeats Charles I. Armstrong, 2013-08-29 Reframing Yeats the first critical study of its kind uses a focus on genre and allusion to engage with a broad range of W B Yeats's writings examining instances of his poetry autobiographical writings criticism and drama Identifying a schism in recent Yeatsian criticism between biographical and formalist methodologies Armstrong's study combines an historicist perspective with close attention to literary form The result is a flexible approach that casts new light on how Yeats's texts interact with their interpretative frameworks Cognizant of both literary and political history this book presents new interpretations of Yeats's work Not only does it provide fresh readings of texts such as *The Municipal Gallery Revisited* *Among School Children* and *The Resurrection* but it also raises important new questions concerning Yeats's relationship to Modernism and literary genre

Ezra Pound and the Career of Modern Criticism Michael Coyle, Roxana Preda, 2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even *Time* weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound's reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society

extensive learning are all exemplified in this collection This book is essential reading for all those interested in Irish literature and culture and its far reaching effects on the world **Yeats's Worlds** David Pierce,1995-01-01 **From the Supernatural to the Uncanny** Zoltán Biedermann,Stephen M. Hart,2018-01-23 This volume is a collection of thirteen essays built around the question what is the supernatural and how and why has it changed over time It is divided into two complementary sections the first focussing on research on the discourse of the supernatural including the miraculous located in the medieval and early modern eras and the second consisting of a set of test cases involving research on the uncanny often articulated in a post Freudian sense as expressed in modern literature film and art The eclectic and prismatic approach pursued via a variety of test cases of the supernatural in this book gives rise to a clear comparative and diachronic study of the main characteristics of the supernatural
