Cross, 2017-06-20 Since its first publication in 2000 *Baptism and the Baptists* has become the definitive work on the subject It examines the theology and practice of believers baptism among twentieth century Baptists associated with the Baptist Union of Great Britain and identifies the major influences which have led to its development In the nineteenth and early twentieth century the majority of Baptists concentrated predominantly on the mode and subjects of baptism immersion and believers understanding the rite merely as an ordinance the believer's personal profession of faith in Christ However in continuity with a tradition of Baptists going back as far as the first Baptists in the second and third decades of the seventeenth century there were also a significant number of ministers and scholars who saw the inadequacy of this view of baptism both biblically and theologically This sacramental view developed and grew throughout the twentieth century and influenced a resurgence of baptismal sacramentalism in the early twenty first century among Baptists not just in Britain but also in North America Europe and further afield *National Union Catalog* ,1981

Sell,2012-01-01 What may happen when Christians take doctrine seriously One possible answer is that the shape of churchly life on the ground can be significantly altered This pioneering study is both an account of the doctrine of the person of Christ as it has been expounded by the theologians of historic English and Welsh Nonconformity and an attempt to show that while many Nonconformists held classical orthodox views of the doctrine between 1600 and 2000 others advocated alternative understandings of Christ s person hence the evolution of the ecclesial landscape as we have come to know it The traditions here under review are those of Old Dissent the Congregationalists Baptists Presbyterians and their Unitarian heirs and the Calvinistic and Arminian Methodist bodies that owe their origin to the Evangelical Revival of the eighteenth century Herdbook Containing the Pedigree of Improved Short-horn Cattle ,1902 Vols include the Shorthorn Society s Grading register for beef Shorthorn cattle v include the society s Herd book of poll shorthorns The Cambrian ,1882 Ex Auditu - Volume 10 Klyne Snodgrass,2004-06-23 **Cyclopadia Bibliographica:A Library Manual Of Theological And General Literature, and guide to books for Autors,preachers,students,and literary men.** James Darling,1859 **Cyclopaedia Bibliographica** James Darling,1859
