abilities They go on exciting adventures together facing challenges and meeting strange creatures along the way When Emma is exploring Enchantia she finds Hearthstone a powerful rock With the help of wise elders and the creatures of Enchantia she finds out that the Hearthstone has a lot of power and is the key to bringing balance back to the world On their mission to bring peace back Emma and Oliver have to fight through dangerous marshes a sphinx that talks in riddles and a scary dragon that guards the path to the Tree of Wisdom But their courage and drive never let them down and they always find a way to win They finally get to the Tree of Wisdom which is a big old thing that has all of Enchantia s information Emma learns from the tree what it means to be the keeper of the land When the crystal is put in the Tree of Wisdom Enchantia comes back to life Flowers grow streams come to life and creatures are happy to see the magic return to their world Emma s daring and loyalty are noticed and she is given a magical pendant that will always keep her connected to Enchantia Even though Emma has to say goodbye to Enchantia she will always remember her amazing journey When she gets back to her hometown she tells her stories to her family and friends to encourage them to use their minds and find magic in everyday life During her journey in Enchantia Emma learns how important it is to be brave to be kind and to keep magic safe She looks at her own world with wonder and gratitude because she knows that Enchantia will always be a part of her This lovely story tells us of the power of our imaginations the beauty of nature and how important it is to use magic in our everyday lives It makes us want to believe in our own strength and enjoy the beauty all around us The beginning of the story Emma an adventurous and curious girl used to live in a small village in the middle of a forest Emma was a young woman who was smart and creative She was always looking for new adventures and puzzles to solve She was very interested in everything and had a heart full of wonder She would spend every day looking in all the hidden places in her small town for hidden treasures and hidden paths On a beautiful afternoon Emma was walking through the woods near her house when she saw something strange She caught a glimpse of light shining through the thick trees She pushed away branches and stepped on fallen leaves as she moved toward the light As she went deeper into the woods the gleam got brighter pointing her in the right direction like a finger pointing After what seemed like a long time Emma finally came to a clearing In the middle of the area stood a big old oak tree with a trunk that had been carved in many different ways Emma moved slowly toward the tree but she couldn t resist its appeal She got close and saw that the trunk had a small hidden door cut into it Her heart was racing because she was so excited She quickly opened the door even though she didn t know what was on the other side Emma was surprised to find herself in a world she had never seen before There was a lot of magic and wonder in the air She was in a beautiful field that had colors she had never seen before Flowers of all shapes and sizes grew all around her and the petals shone with a light that seemed to come from another world Emma s eyes got very big when she realized that she had found a secret magical world She felt a rush of energy and excitement through her veins This place was full of magic and dreams and anything was possible Emma found animals in the fantasy land that were more interesting than she could have

ever imagined She saw playful fairies with feathery wings who danced in the air and left sparkling trails behind them Unicorns danced gracefully through emerald green fields and the sun made their coats shine She made friends with talking animals like an old wise owl who told her stories from the past and Oliver a happy squirrel who became her best friend Oliver showed her secret paths and treasures as he led her through magical forests and sparkling lakes Emma found out that she could do things in this magical world that no one else could She could talk to animals and understand how they felt and what they were thinking She could make flowers bloom with a gentle touch and sing beautiful tunes Emma found out that the magical world needed her help as she learned more about it Darkness was moving across the land and it was getting close to putting an end to all the light and magic in it Emma had to be brave and work hard to save this beautiful land Emma and Oliver set out on a journey to bring balance and peace back to the world She went through dangerous woods climbed up high mountains and went into deep tunnels She overcame problems and fears along the way and found her own strength Emma s bravery and kindness helped her beat the darkness and return the magical world to its former beauty Emma became known as the Hero of the Hidden Realm and the animals in the country applauded Emma went back to the wonderful world every day after that and told her friends and family about its secrets and joys She started telling people stories about her adventures to get them to believe in the power of their own minds When Emma found the secret magical world it changed her life in a way that couldn t be changed back Along with excitement and mystery she found friendship courage and a sense of belonging Emma really accepted who she was in this strange world a smart and creative kid who might be able to find riches in the world around her Emma was exploring the woods near her house one sunny afternoon when she came across an old twisted oak with a small door cut into its trunk Emma was curious about this mysterious door so she pulled it open To her surprise she found herself in a world she had never seen before Emma stepped over the barrier and saw a world full of bright colors and sparkling light She was in a beautiful yard with flowers from all over the world Their sweet smells filled the air Butterfly wings were a variety of colors and they flew from flower to flower Emma s eyes got very big when she saw all the trees around her They weren t like other trees their limbs seemed to touch the clouds and reach for the sky As the wind rustled through their leaves and made a nice sound they told each other secrets Emma kept looking around because she was curious and she soon found a sparkling brook running through the magical area Its water was so clear that it looked like gems when the sun was shining on it She knelt down by the edge and cupped her hands around the water to taste it As Emma went deeper into the magical area she saw animals that she had only read about in books A family of mischievous gnomes poked their heads out of their cozy tunnels to meet her An old owl sat on a tree its golden eyes shining with experience The animals in the magical world could feel Emma s kind heart and warm spirit Emma gently touched the smooth hair of a silver colored fox as it cautiously walked up to her A beautiful stag walked out of the bush with its magnificent antlers held high It lowered its head as a sign of kindness Emma s heart was full of happiness and thanks for all the beauty

around her She knew she had found something special a secret prize that only people who believed in magic knew where to find Emma kept looking and she found a cute town hidden in a clearing The houses were covered with bright flowers and twinkling fairy lights The air was full of laughter and music and the people of the village received Emma with open arms and warm smiles They told her that she had gone to Fantasia a place where dreams come true and imaginations flew The locals invited her to join them in their celebrations where they danced and sang to honor the magic in their world Emma grew into an important member of the community over time She made close friends and memories that will last a lifetime She learned to dance with elegant fairies paint with funny sprites and make tasty treats with mischievous pixies Emma had a great time in Fantasia but she knew she had a place to live in the real world She was sad to leave her new friends but she promised to come back and tell them about her adventures Emma took a step back through the opening in the twisting tree and left Fantasia behind She went back to the forest she knew with a heart full of wonder and joy She felt like her life had been changed in a way that couldn't be changed back She decided to keep looking for excitement and solving mysteries knowing that something amazing was always just around the corner So Emma went back to her own world but she never forgot the wonderful place she had found Every time the sun went down she looked toward the sky and thought of Fantasia's bright colors And in her dreams she kept dancing with fairies painting with sprites and finding out more about the wonderful world that would always be a part of her Emma walked through the opening and into a beautiful bright field with bright flowers sparkling streams and tall silent trees that seemed to be telling her something The air was full of a beautiful happy song and she could hear animals laughing that she couldn't see In the field wildflowers moved in the light breeze as far as the eye could see Butterflies flew through the flowers their thin wings spotted with all the colors of the rainbow Emma couldn't help but twist and turn as she joined the dance of nature Emma kept looking around and she found a beautiful brook that ran through the field Its clear waters made her want to put her toes in and feel the coolness As she did tiny water sprites came out of the water and laughed Their laughter sounded like the prettiest bells Emma was excited as she followed the sound of giggles hoping to meet these imaginary friends Out of nowhere a mischievous fairy called Pip appeared hovering in the air with sparkling eyes Pip said Welcome to the Enchanted Meadow We've been waiting for someone like you Emma said her eyes growing in surprise Who are you she asked with awe in her voice Pip laughed and led Emma to a field where he had hidden a bunch of magical animals There were playful pixies who liked to play tricks kind nymphs who took care of the flowers and wise old tree spirits who kept the secrets of the forest safe They looked in all the corners and crevices of the meadow together finding secret treasures and figuring out what was going on below the surface Emma found herself talking to the animals who told her stories of where they had been and what they knew Emma went deeper into the field and saw a beautiful old tree with branches that reached all the way to the sky It was tall and proud and its bark had a lot of symbols and pictures carved into it Emma was pulled to the tree by the feeling of ancient wisdom that it gave off Welcome young
