## **Emmas Humiliation:**

Jane Austen's Emma Paula Byrne,2004 This sourcebook introduces not only Jane Austen s text but also the literary and historical contexts and the many different critical readings that it has generated from the time of its publication to the twenty first century *Emma's Wish* Margery Scott,2011-05-11 A man consumed by grief Sam Jenkins still hasn t come to terms with his wife s death but he can t build his ranch in the Texas wilderness and care for three children alone He has only one heart breaking choice send his children away until he can provide for them properly A woman desperate for a family A tragic accident changed Emma Witherspoon s life Now she has accepted the fact that she will never have a husband and children of her own but that doesn t ease the ache in her heart A proposition When Emma offers Sam a marriage of convenience neither of them can foresee the changes that will make their lives and their relationship anything but convenient **Joyce's Love**

**Stories** Christopher DeVault,2016-12-05 In his comprehensive study of love in James Joyce s writings Christopher DeVault suggests that a love ethic persists throughout Joyce s works DeVault uses Martin Buber s distinction between the true love for others and the narcissistic desire for oneself to frame his discussion showing that Joyce frequently ties his characters personal and political pursuits to their ability to affirm both their loved ones and their fellow Dubliners In his short stories and novels DeVault argues Joyce shows how personal love makes possible a broader social compassion that creates a more progressive body politic While his early protagonists narcissism limits them to detached engagements with Dublin that impede effective political action Joyce demonstrates the viability of his love ethic through both the Blooms empathy in Ulysses and the polylogic dreamtext of Finnegans Wake In its revelation of Joyce s amorous alternative to the social and political paralysis he famously attributed to twentieth century Dublin Joyce s Love Stories allows for a better appreciation of the ethical and political significance underpinning the author s assessments of Ireland **Scandalous in Huntington**

**Beach** Melody DeBlois,2025-01-20 Politician and senate hopeful Bennett Browning knows nothing about babies When his former girlfriend dies and leaves him with a daughter he knew nothing about he s left scrambling until he meets Emma Kuan his daughter s aunt who volunteers to be the nanny Emma is used to keeping secrets She and her sister have always hidden their tragic past but she s stunned her sister hid the baby even from her Meeting her niece captures her heart and she would do anything to be with her even living with a stranger Worried about potential scandal Bennett and Emma juggle jobs living arrangements and parenting until a doctor gives them bad news about their baby girl Then their priorities change drastically
