Emotion in Social Life Derek Layder,2004-07-18 Whether they involve sexual partners in the bedroom customers and sales clerks in stores or work colleagues in committee meetings interpersonal relations between real people are the essential heart of society But it is a heart that has for too long been overlooked in social and psychological analysis This book aims to recover the lost heart by exploring a wide range of examples of interpersonal control Intimate relations of love Romance Family ties Sexuality Emotional blackmail Violence The book outlines a new way of thinking about control and power in everyday life Written with accessible authority the book will be of interest to students of Sociology Social Psychology and Psychology

Encountering the Everyday Michael Hviid Jacobsen,2017-09-16 Everyday life is something we tend to take for granted something that just is something unnoticed But everyday life is perhaps the most important dimension of society it is where we live most parts of our lives with each other This book provides a clear contemporary and comprehensive overview of the sociologies of everyday life Looking at everyday activities and experiences from language and emotions to popular culture and leisure Encountering the Everyday explores what social structures orders and processes mean to us on a daily basis The book carefully leads the reader through historical developments in the field beginning at the earlier Chicago school and finishing with up to date ideas of postmodernism and interactionism Each chapter relates theoretical ideas directly to case studies and real empirical research to make complex concepts and core issues accessible relevant and engaging Written by leading international scholars in the field this truly global book will inspire and inform all students and scholars of everyday life sociology

**Caged Emotions** Ben Laws,2022-05-04 This book focuses on the emotional experience of imprisonment In no uncertain terms prisons seethe with emotions and feelings Based on two empirically rigorous studies this book analyses how prisoners attempt to adapt and control their emotions It begins with an account of male and female prisoners held in medium security prisons and then moves to the particular case of emotions in solitary confinement There has been a turn towards emotions in criminology but this is the first book to centralize the subject of prisoner emotions in a detailed manner The ethnographic study of feelings has much to contribute to broader debates about survival in prison and pathways to desistance Most importantly it emphasizes that full blooded depictions of prisoners belong at the heart of academic inquiry

**Emotions, Crime and Justice** Susanne Karstedt,Ian Loader,Heather Strang,2011-04-01 The return of emotions to debates about crime and criminal justice has been a striking development of recent decades across many jurisdictions This has been registered in the return of shame to justice procedures a heightened focus on victims and their emotional needs fear of crime as a major preoccupation of citizens and politicians and highly emotionalised public discourses on crime and justice But how can we best make sense of these developments Do we need to create emotionally intelligent justice systems or are we messing recklessly with the rational foundations of liberal criminal justice This volume brings together leading criminologists and sociologists from across the world in a much needed conversation about how to re

calibrate reason and emotion in crime and justice today The contributions range from the micro analysis of emotions in violent encounters to the paradoxes and tensions that arise from the emotionalisation of criminal justice in the public sphere They explore the emotional labour of workers in police and penal institutions the justice experiences of victims and offenders and the role of vengeance forgiveness and regret in the aftermath of violence and conflict resolution The result is a set of original essays which offer a fresh and timely perspective on problems of crime and justice in contemporary liberal democracies

**Emotionalizing Organizations and Organizing Emotions** Åsa Wettergren, 2010-09-17 Delivers a strong contribution to the field of research on emotions in organizations offering original pieces of research Uniting scholars from organization and management research and sociology it conveys trans disciplinary insights into the multidimensional nature of emotion and its appearance in organizational structures and processes

Layder, 2015-12-04 This book explores the nature of intimacy by revealing how the influence of individual interpersonal and wider social factors create variations in self disclosure intimacy games and relationship habits It describes how the dynamics of power and control in relationships give rise either to mutual satisfaction or to the unraveling of intimacy

**Emotional Literacy in Criminal Justice** C. Knight, 2014-02-04 Emotions remain largely invisible in the management of criminal justice practice This book seeks to uncover some of the underground emotional work of practitioners and make visible the impact of both positive and negative emotions which play a crucial role in practitioner offender relationships Exploring how practitioners understand regulate and work with emotion Knight argues that the soft skills of emotion are more likely to achieve motivation and change in offenders than the hard skills of punishment monitoring and surveillance The book examines some of the gendered implications of this practice and develops an argument for the explicit building of emotional resources within organizations to sustain the development enhancement and support of emotional literacy in the workforce Using practice examples Knight reveals how practitioners can benefit from having an understanding of their own emotions and how these can impact on their practice This unique and accessible book will be a valuable resource to practitioners across the criminal justice sector including probation officers youth justice workers police and prison officers social workers policymakers and managers as well as scholars working within criminology criminal justice and probation

**Platform and Agency** Mark Carrigan, 2025-12-31 This book examines how digital platforms are reconfiguring the parameters of agency and reflexivity in contemporary social life Drawing on Margaret Archer's social realist framework it moves beyond treating platforms merely as tools or environments to conceptualize them as distinct sociotechnical structures with emergent properties and powers that shape human action without determining it The book develops the concept of platform and agency to explore the temporal dimensions of sociotechnical change tracing how platforms condition personal and collective reflexivity through mechanisms of distraction cultural abundance and multiplying communication channels While affirming the analytical distinction between structure culture and agency it demonstrates how platforms constitute a fourth dimension necessary for

understanding contemporary social morphogenesis Through the conceptual pairing of psychobiography and personal morphogenesis the book offers a nuanced account of how individuals become who they are within platformized lifeworlds Rather than announcing an epochal break with previous social forms the analysis illuminates the accumulating consequences of platform mediation across biographical timescales This book will interest researchers and graduate students in social theory philosophy of technology digital sociology platform studies media and communication studies critical data studies internet studies surveillance studies sociology of knowledge digital anthropology and social informatics **The Routledge**

**Handbook of Technology, Crime and Justice** M. R. McGuire, Thomas Holt, 2017-02-24 Technology has become increasingly important to both the function and our understanding of the justice process Many forms of criminal behaviour are highly dependent upon technology and crime control has become a predominantly technologically driven process one where traditional technological aids such as fingerprinting or blood sample analysis are supplemented by a dizzying array of tools and techniques including surveillance devices and DNA profiling This book offers the first comprehensive and holistic overview of global research on technology crime and justice It is divided into five parts each corresponding with the key stages of the offending and justice process Part I addresses the current conceptual understanding of technology within academia and the criminal justice system Part II gives a comprehensive overview of the current relations between technology and criminal behaviour Part III explores the current technologies within crime control and the ways in which technology underpins contemporary formal and informal social control Part IV sets out some of the fundamental impacts technology is now having upon the judicial process Part V reveals the emerging technologies for crime control and justice and considers the extent to which new technology can be effectively regulated This landmark collection will be essential reading for academics students and theorists within criminology sociology law engineering and technology and computer science as well as practitioners and professionals working within and around the criminal justice system **The Philosophy of**

The Top Books of the Year Emotion In Social Life The Lost Heart Of Society The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Emotion In Social Life The Lost Heart Of Society : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
