*Beyond Mothers, Monsters, Whores* Caron E. Gentry, Laura Sjoberg, 2015-08-15 *Beyond Mothers Monsters Whores* takes the suggestion in *Mothers Monsters Whores* that it is important to see genderings in characterizations of violent women and to use critique of those genderings to retheorize individual violence in global politics It begins by demonstrating the interdependence of the personal and international levels of global politics in violent women s lives but then shows that this interdependence is inaccurately depicted in gender subordinating narratives of women s violence Such narratives the authors argue are not only normatively problematic on the surface but also intersect with other identifiers such as race religion and geopolitical location
