Emotional Abuse Of The Child:

Emotional and Psychological Abuse of Children Kieran O'Hagan, 1993 This text aims to enable practitioners to articulate precisely what is meant by the terms emotional and psychological abuse to be able to identify it and to formulate effective strategies for dealing with it Case histories are explored within the context of new child care legislation **Emotional Abuse of Children** David Royse, 2015-12-22 Children and Emotional Abuse is a research informed learning resource for students in social work about the dynamics and consequences of psychological abuse especially as it occurs in dysfunctional families and affects children and adolescents Emotional abuse is still not widely understood or recognized Helping professionals need to recognize emotional abuse understand the damage it does the theories that account for it and be prepared to help children and families where the abuse often occurs along with physical and sexual abuse This text will draw upon current peer reviewed literature and evidence based studies and summarize essential information to prepare students for careers in helping professions Each chapter will also contain brief vignettes to illustrate some of the key points This book is for courses in child welfare and child abuse neglect as well as other social work courses that focus on children **Child Neglect and Emotional Abuse** Celia Doyle, Charles Timms, 2014-03-18 Protecting children from emotional abuse and neglect is a serious and complex area of social work practice This book takes readers step by step through the underlining theory skills and practice of working with vulnerable children highlighting essential contemporary research evidence throughout Part 1 Understanding introduces the nature and consequences of child neglect and emotional abuse including up to date knowledge about the physiological impact of childhood malnutrition and emotional deprivation Part 2 Assessment considers in detail the factors which can contribute to the complexity of the assessment process and explains assessment procedures Part 3 Response offers insights into positive interventions including some innovative modern therapies and family management approaches such as PACT Using a series of case studies to make complex skills and knowledge accessible this is essential reading for students and professionals across disciplines that may come into contact with vulnerable children

Selected Resources on Emotional Abuse of Children Billie H. Frazier, 1993 Emotional Maltreatment of Children James Garbarino, Anne C. Garbarino, 1980 **Adult Children of Abusive Parents** Steven Farmer, 1990 A history of a childhood abuse is not a life sentence Here is hope healing and a chance to recover the self lost in childhood Drawing on his extensive work with Adult Children and on his own experience as a survivor of emotional neglect therapist Steven Farmer demonstrates that through exercises and journal work his program can help lead you through grieving your lost childhood to become your own parent and integrate the healing aspects of spiritual physical and emotional recovery into your adult life

Emotional Abuse of the Child Dory Renn, 1989 *Safeguarding Children from Emotional Maltreatment* Anita Schrader, Jane Barlow, 2010-02-15 Emotional maltreatment is widespread and has a profoundly harmful effect on a child's development The effects of abuse are often carried into adulthood and emotionally abused children are more likely to

experience a range of problems as adults This book sets out to identify what works in preventing emotional maltreatment from recurring

Children at Risk Robert T. Ammerman, Michel Hersen, 2013-03-09 During the past decade a dramatic increase in research and clinical interest has risen in child abuse and neglect This recent growth in awareness is due at least partly to the alarming statistics documenting the incidence of child maltreatment Almost one million children are reported to be abused and neglected each year and many experts believe that this figure underestimates the true incidence Indeed recent surveys suggest that almost 15 million children are the targets of domestic violence every year A significant proportion of these children die as a function of this maltreatment whereas the remainder suffer a variety of short and long term deleterious medical and psychosocial consequences Child maltreatment is a universal problem that has precipitated a mobilization of effort from a variety of disciplines including psychology medicine psychiatry social work sociology and criminology Particular attention has been directed toward the prevention and treatment of child abuse and neglect Such endeavors require the screening of large groups in order to identify families that are at high risk for engaging in such behavior Delineating those characteristics that differentiate high from low risk families and children is one of the obvious priorities for researchers and clinicians in the future This book therefore carefully considers the status of research on risk factors of abuse and neglect in children Added data undoubtedly will have practical value for subsequent intervention efforts

Women Who Sexually Abuse Children Hannah Ford, 2006-08-04 Until recently the topic of female sexual offenders remained under researched and many incorrect assumptions and beliefs still surround the subject This book is organized into five parts around eleven chapters It provides a comprehensive overview of the latest research in this often overlooked area and discusses both adult female offenders and adolescents younger children who commit sexual offences against children After an in depth evaluation of research literature the author then considers a range of treatment approaches and directions for future research

 Emotional abuse and neglect are at the core of all types of child maltreatment and have the most harmful effects on the
 physical and psychological development and well being of children Yet they are considered to be the most difficult to deal
 with by those who have the responsibility to protect and intervene in effective ways In this book the author explores the
 concept of a damaged child and asks what are the different types of injury ranging from active to passive physical to
 emotional that stop children from reaching their full potential psychologically and physically The author questions whether

emotional damage to a child can be repaired and answers questions such as Is some injury irreversible What therapeutic techniques are available to deal with emotional abuse Can the abusers as well as the abused be helped to change Case studies are provided to illustrate the features of emotional abuse and chapters are devoted to the assessment and prediction of emotional abuse effects of emotional abuse as the child grows up intervention and treatment and working with the family as a whole
