Emotionally Intelligent Living:

Emotionally Intelligent Living Geetu Orme, 2001 EI can be learnt and your EQ can be increased This book contains a unique programme of emotional improvement that will revolutionise your ability to use your emotions effectively Targeting the most practical benefits of EI Emotionally Intelligent Living systematically implements its insights in the following areas of life 3 business 3 partner relationships 3 success 3 friendships 3 careers 3 families 3 leadership 3 schools 3 teams 3 teenage years Designed to be as eminently easy to use and enjoyable to peruse as possible Emotionally Intelligent Living serves as an excellent EI resource with its inclusion of an extensive list of worldwide EQ resources including websites and the most up to date EI assessment techniques Packed with brilliant strategies for emotional management and inspirational ideas for focusing your feelings it offers you the very best methods for putting the theory into practice and living an emotionally intelligent life *Leading an Emotionally Intelligent Life* Patrick Kilcarr, 2022-08-17 Expand your EI to make courageous decisions and transform your life based on Patrick Kilcarr's EQ I 2 0 tool and his Master Trainer status Our emotional intelligence EI is an intensely personal inner landscape It is an intricate interplay of self regard empathy resilience and other key competencies essential to leading a fulfilled and balanced personal and professional life While it is unique for each one of us taking into account our formative experience growing up and the myriad of others experiences we encountered up to this moment in time there are specific emotions and behaviors that suggest we either are or are not socially and emotionally balanced Our personal history is inescapable what is not is our ability to direct the life we want from this point forward Yet the measure of emotional intelligence largely has been the province of educators CEOs entrepreneurs and human resources professionals They are keenly interested in how the concept plays out in educational and professional settings and their assessments aim at maximizing organization integration and performance The problem is clear If emotional intelligence is rooted in the individual how can we use its assessment as a map for self understanding and as leverage to immediate and future growth A strong hunger exists among ordinary people to harness the extraordinary power of emotional intelligence as a pathway to personal transformation Guides to accomplish this vital task in personal growth are few While there is a great deal written about emotional intelligence a gap exists demonstrating what it looks and feels like to achieve and maintain emotional intelligence especially if our formative years were paved with drama trauma and disappointment This book brings to the reader how an emotionally intelligent life can be achieved if there is a desire for it Emotional Intelligence in Everyday Life Joseph Ciarrochi, Joseph P. Forgas, John D. Mayer, 2013-10-14 Since the release of the very successful first edition in 2001 the field of emotional intelligence has grown in sophistication and importance Many new and talented researchers have come into the field and techniques in EI measurement have dramatically increased so that we now know much more about the distinctiveness and utility of the different EI measures There has also been a dramatic upswing in research that looks at how to teach EI in schools organizations and families In this second edition leaders in the field present

the most up to date research on the assessment and use of the emotional intelligence construct Importantly this edition expands on the previous by providing greater coverage of emotional intelligence interventions As with the first edition this second edition is both scientifically rigorous yet highly readable and accessible to a non specialist audience It will therefore be of value to researchers and practitioners in many disciplines beyond social psychology including areas of basic research cognition and emotion organizational selection organizational training education clinical psychology and development psychology
