Emperor In Revolt Nero

**Anthony A. Barrett, Elaine
Fantham, John C. Yardley**

Emperor In Revolt Nero:

Nero, Emperor in Revolt Michael Grant, 1970 This biography of Nero penetrates the mists of ancient myth and fantasy and paints a balanced picture of Nero man and emperor Ruler of the gigantic Roman Empire at a time of great material and cultural splendour he refused to fit into the traditional mould Preferring Greek custom to Roman he was an enlightened patron of the visual arts and passionately fond of athletics music and the theatre It was unprecedented for a ruler to attach more importance to his role as artist than to affairs of state And this inevitably contributed to Nero s downfall but not for fourteen years Meanwhile whenever he was frightened for his own safety he murdered But the vast majority of the peoples of the Empire remained unaffected by his acts of violence and in some areas he was acclaimed for the good sense of his government Book jacket

The Emperor Nero Anthony A. Barrett, Elaine Fantham, John C. Yardley, 2016-07-12 Nero s reign AD 54 68 witnessed some of the most memorable events in Roman history such as the rebellion of Boudica and the first persecution of the Christians not to mention Nero s murder of his mother his tyranny and extravagance and his suicide which plunged the empire into civil war The Emperor Nero gathers into a single collection the major sources for Nero s life and rule providing students of Nero and ancient Rome with the most authoritative and accessible reader there is The Emperor Nero features clear contemporary translations of key literary sources along with translations and explanations of representative inscriptions and coins issued under Nero The informative introduction situates the emperor s reign within the history of the Roman Empire and the book s concise headnotes to chapters place the source material in historical and biographical context Passages are accompanied by detailed notes and are organized around events such as the Great Fire of Rome or by topic such as Nero s relationships with his wives Complex events like the war with Parthia split up among several chapters in Tacitus s Annals are brought together in continuous narratives making this the most comprehensible and user friendly sourcebook on Nero available

Ten Caesars Barry Strauss, 2020-03-03 Bestselling classical historian Barry Strauss delivers an exceptionally accessible history of the Roman Empire much of Ten Caesars reads like a script for Game of Thrones The Wall Street Journal a summation of three and a half centuries of the Roman Empire as seen through the lives of ten of the most important emperors from Augustus to Constantine In this essential and enlightening The New York Times Book Review work Barry Strauss tells the story of the Roman Empire from rise to reinvention from Augustus who founded the empire to Constantine who made it Christian and moved the capital east to Constantinople During these centuries Rome gained in splendor and territory then lost both By the fourth century the time of Constantine the Roman Empire had changed so dramatically in geography ethnicity religion and culture that it would have been virtually unrecognizable to Augustus Rome s legacy remains today in so many ways from language law and architecture to the seat of the Roman Catholic Church Strauss examines this enduring heritage through the lives of the men who shaped it Augustus Tiberius Nero Vespasian Trajan Hadrian Marcus Aurelius Septimius Severus Diocletian and Constantine Over the ages they learned to maintain the family

business the government of an empire by adapting when necessary and always persevering no matter the cost Ten Caesars is a captivating narrative that breathes new life into a host of transformative figures Publishers Weekly This superb summation of four centuries of Roman history a masterpiece of compression confirms Barry Strauss as the foremost academic classicist writing for the general reader today The Wall Street Journal Timelines of History DK,2018-04-03 Humans are a recent event in the planet s history but we ve wasted little time in making our mark The range of our achievements has created a rich and elaborate heritage that we have the unique ability to capture and record meaning we can look back and learn from the road traveled Timelines of History begins with the emergence of our earliest African ancestors and takes the reader through the history of cultures and nations around the world to arrive at the present day the beginning of a new millennium A dynamic layered timeline zooms in and out of time speeding up or slowing down to keep pace with the size and scope of events

Who Should be King in Israel? Travis Darren Trost,2010 Who Should Be King in Israel attempts to link common messianic issues found in some Dead Sea Scrolls with the Gospel of John These messianic issues are studied in relation to the political situation facing the Johannine community in dealing with the Roman empire The readers hearers of the Fourth Gospel had to deal with different challenges from the Roman government and the non Christian Jewish community in the era between the Jewish Revolt and the Bar Kochba Revolt Jesus is presented as the new David the Son of God who is the solution to all of humanity s problems The fall of the Temple in 70 CE had created a political and religious situation that meant early Christians of the post 70 CE socio political environment had to deal with Roman suspicion and Jewish disappointment The Fourth Gospel uses vocabulary and imagery designed to communicate the message that Jesus is the Christ without inflaming either Roman or Jewish sensibilities This book is written in a manner designed to deal intelligently with that difficult era in Christian history Kill Caesar! Rose Mary Sheldon,2023-06-14 Why were Rome s first emperors the good the bad and the ugly so vulnerable to conspiracies and assassination an expert analysis compelling Adrienne Mayor author of The Poison King The Life and Legend of Mithradates and Rome s Deadliest Enemy Exploring the history of internal security under the first Roman dynasty this groundbreaking book answers the enduring question If there were 9 000 men guarding the emperor how were three quarters of Rome s leaders assassinated Rose Mary Sheldon traces the evolution of internal security mechanisms under the Julio Claudians evaluating the system that Augustus first developed to protect the imperial family and the stability of his dynasty Yet in spite of the intensive precautions taken there were multiple attempts on his life Like all emperors Augustus had a number of competing constituencies the senate the army his extended family the provincials and the populace of Rome but were they all equally threatening Indeed the biggest threat would come from those closest to the emperor his family and the aristocracy Even Roman imperial women were deeply involved in instigating regime change By the fourth emperor Caligula the Praetorian Guards were already participating in assassinations and the army too was becoming more politicized Sheldon weighs the accuracy of ancient sources Does the image of the emperor presented to us

represent reality or what the people who killed him wanted us to think Were Caligula and Nero really crazy or did senatorial historians portray them that way to justify their murder Was Claudius really the fool found drooling behind a curtain and made emperor or was he in on the plot from the beginning These and other fascinating questions are answered as Sheldon concludes that the repeated problem of killing Caesar reflected the empire s larger dynamics and turmoil A Companion to Ancient History Andrew Erskine,2012-11-20 This Companion provides a comprehensive introduction to key topics in the study of ancient history Examines the forms of evidence problems approaches and major themes in the study of ancient history Comprises more than 40 essays written by leading international scholars Moves beyond the primary focus on Greece and Rome with coverage of the various cultures within the ancient Mediterranean Draws on the latest research in the field Provides an essential resource for any student of ancient history Illustrated Universal History: Being a Clear and Concise History of All Nations Israel Smith Clare,1885 **History of Rome** Max Cary,H.H. Scullard,1975-06-18 **The Centennial Universal History** Israel Smith Clare,1876 **Illustrated Universal History** Israel Smith Clare,1881 *A popular history of Rome, from B.C. 753 to A.D. 476* Ward, Lock and co, ltd,1886 The Roman World from Romulus to Muhammad Greg Fisher,2021-09-21 This volume provides a detailed examination of nearly 1 400 years of Roman history from the foundation of the city in the eighth century BC until the evacuation of Roman troops from Alexandria in AD 642 in the face of the Arab conquests Drawing on a vast array of ancient texts written in Latin Greek Syriac Armenian and Arabic and relying on a host of inscriptions archaeological data and the evidence from ancient art architecture and coinage The Roman World from Romulus to Muhammad brings to the fore the men and women who chronicled the story of the city and its empire Richly illustrated with 71 maps and 228 illustrations including 20 in colour and featuring a detailed glossary and suggestions for further reading this volume examines a broad range of topics including ancient climate change literature historiography slavery war and conquest the development of Christianity the Jewish revolts and the role of powerful imperial women The author also considers the development of Islam within a Roman historical context examines the events that led to the formation of the post Roman states in Western Europe and contemplates aff airs on the imperial periphery in the Caucasus Ethiopia and the Arabian Peninsula Emphasising the voices of antiquity throughout The Roman World from Romulus to Muhammad is an invaluable resource for students and scholars interested in the beguiling history of the world s most famous empire **Dictionary of World Biography** Frank Northen Magill,Alison Aves,2003-01-23 Containing 250 entries each volume of theDictionary of World Biographycontains examines the lives of the individuals who shaped their times and left their mark on world history Much more than a Who s Who each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements and conclude with a fully annotated bibliography The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the

individual's place in history Any student in the field will want to have one of these as a handy reference companion A Collection of Supplements to All Editions of Lempriere's Classical Dictionary ,1837 The Oxford Classical Dictionary Simon Hornblower, Antony Spawforth, Esther Eidinow, 2012-03-29 The revised third edition of the Oxford Classical Dictionary is the ultimate reference on the classical world containing over 6 200 entries The 2003 revision includes minor corrections and updates and all Latin and Greek words in the text are now translated into English *Roman Imperial Frontier in the West* Julie Nelson, Steven K. Drummond, 2015-05-22 Imperial policy on the western frontier of the Roman Empire was the means by which the government controlled the frontier residents This book takes a topical approach to this study of the frontier subjects covered include the army farming commerce manufacturing religion and Romanization **Russia's Rome** Judith E. Kalb, 2008-10-20 The first examination of Russia's self identification with Rome during a period that encompassed the revolutions of 1905 and 1917 and the rise of the Soviet state *Civil War* Lucan, 2012-01-31 A magnificent new translation of the enduring epic about the sundering of the Roman Republic Lucan lived from 39 65 AD at a time of great turbulence in Rome His *Civil War* portrays two of the most colorful and powerful figures of the age Julius Caesar and Pompey the Great enemies in a vicious struggle for power that severed bloodlines and began the transformation of Roman civilization With Right locked in combat with Might law and order broke down and the anarchic violence that resulted left its mark on the Roman people forever paving the way for the imperial monarchy Accessible and modern yet loyal to the rhetorical brilliance of the original this will be the definitive *Civil War* of our times For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *Book News Monthly* ,1904
