*Handbook of Imperial Chinese History* Victor Cunrui Xiong, Kenneth Hammond, 2018-09-17 The resurgence of modern China has generated much interest not only in the country's present day activities but also in its long history. As the only uninterrupted ancient civilization still alive today, the study of China's past promises to offer invaluable insights into understanding contemporary China. Providing coverage of the entire Imperial Era (221 BCE–1912 CE), this handbook takes a chronological approach. It includes comprehensive analysis of all major periods from the powerful Han empire, which rivalled Rome, and the crucial transformative period of the Five Dynasties to the prosperous Ming era and the later dominance of the non-Han peoples. With contributions from a team of international authors, key themes include Political events and leadership, Religion and philosophy, Cultural and literary achievements, Legal, economic and military institutions. This book transcends the traditional boundaries of historiography, giving special attention to the role of archaeology. As such, the *Routledge Handbook of Imperial Chinese History* is an indispensable reference work for students and scholars of Chinese, Asian and World History.

*The Red Pavilion* Robert van Gulik, 2010-11-15 Set during the Tang Dynasty, this historical mystery features Chinese detective Judge Dee as he investigates a locked room mystery involving a prostitute. A chance encounter with Autumn Moon, the most powerful courtesan on Paradise Island, leads magistrate Judge Dee to investigate the murder of a man who spent his last week alive with the infamous prostitute. When the lady herself is murdered, the mystery deepens, leading Dee through a tangled history of passion and betrayal. *The Haunted Monastery* Robert van Gulik, 2024-05-31 Judge Dee and his entourage, seeking refuge from a mountain storm, become trapped in a Taoist monastery where the Abbott Jade mysteriously dies after delivering an ecstatic sermon. The monks call it a supernatural experience, but the judge calls it murder. Recalling the allegedly accidental deaths of three young women in the same monastery, Judge Dee seeks clues in the eyes of a cat to solve cases of impersonation and murder. A painting by one of the victims reveals the truth about the killings, propelling the judge on a quest for justice and revenge. Entertaining, instructive and impressive. *Times Literary Supplement*

**The Phantom of the Temple** Robert van Gulik, 2010-11-15 Judge Dee presided over his imperial Chinese court with a unique brand of Confucian justice. A near-mythic figure in China, he distinguished himself as a tribunal magistrate, inquisitor and public avenger. Long after his death, accounts of his exploits were celebrated in Chinese folklore and later immortalized by Robert van Gulik in his electrifying mysteries. In *The Phantom of the Temple*, three separate puzzles—the disappearance of a wealthy merchant's daughter, twenty missing bars of gold, and a decapitated corpse—are pieced together by the clever judge to solve three murders and one complex, gruesome plot. Judge Dee belongs in that select group of fictional detectives headed by the renowned Sherlock Holmes. I assure you it is a compliment, not given frivolously. Robert Kirsch, Los Angeles *Times*. Robert Van Gulik (1910–67) was a Dutch diplomat and an authority on Chinese history and culture. He drew his plots from the whole body of Chinese literature, especially from the popular detective novels that first appeared in the seventeenth century.
