The Emperor's Talisman Rosalynd Pflaum,1968 **The Emperor's Talisman** Rosalynd Pflaum,1968 *The Parisian Worlds of Frédéric Chopin* William G. Atwood,1999-01-01 In 1831 Chopin stopped in Paris on his way to London fleeing his native Warsaw after Russia's brutal repression of an insurrection there Entranced by the lively social and artistic scene in the city the musician remained there until his death in 1849 In this engaging book William Atwood recreates the Paris that Chopin knew providing vivid details about its places people and politics and showing how these affected the sensitive musician during an enormously fruitful period in his career Drawing on many contemporary sources Atwood brings to life the musicians writers artists courtesans salon hostesses politicians doctors businessmen and messianic Polish emigres who lived in Paris He describes the theaters music halls and salons of Paris as well as its less glamorous worlds filled with the political conflicts and economic fluctuations of the July Monarchy He tells about the city's newly awakened social consciousness and the philosophers and writers including George Sand who fostered it The book sheds brilliant new light on both Paris and Chopin and will be delightful reading for lovers of the city or the musician *The History of the American Pro-Cathedral of the Holy Trinity, Paris (1815-1980)* Cameron Allen,2013 Nestled in the heart of Paris the American Cathedral of the Holy Trinity today stands as one of the great buildings of this ancient city The history of the church itself presents a rich portrait of lively men and women who made it their mission to serve God and the people of Paris with all their hearts Meticulously researched *A History of the American Pro Cathedral Church of the Holy Trinity Paris 1815 1980* delivers an impressive narrative on each period of growth and development within this church Beginning with the American Episcopal Church's need to serve Americans living in Paris author Cameron Allen traces the development of the foundational congregation the building of the first church and its organization over the years Allen draws on diary entries church documents and other primary sources to reveal the personalities behind church leaders including W O Lamson who formally established the church the pivotal role of J P Morgan organist L K Whipp and German Colonel Rudolph Damrath a Lutheran minister who took over during the German Occupation of France during World War II In addition he discusses the church's role during major historical events and its present needs This inspiring well written history provides an excellent resource for current and past church members rectory libraries and historians **Nobility and patrimony in modern France** Elizabeth C. Macknight,2018-03-30 This study of tangible and intangible cultural heritage explains the significance of nobles' conservationist traditions for public engagement with the history of France During the French Revolution nobles' property was seized destroyed or sold off by the nation State intervention during the nineteenth century meant historic monuments became protected under law in the public interest The *Journ es du Patrimoine* created in 1984 by the French Ministry for Culture became a Europe wide calendar event in 1991 Each year millions of French and international visitors enter residences and museums to admire France's aristocratic cultural heritage Drawing on archival evidence from across the

country the book presents a compelling account of power interest and emotion in family dynamics and nobles relations with rural and urban communities

The Romanovs Simon Sebag Montefiore, 2016-05-03 NEW YORK TIMES BESTSELLER
From the national bestselling author of Stalin An epic history on the grandest scale Financial Times about the most successful dynasty of modern times a family who created the world's greatest empire and then lost it all An essential addition to the library of anyone interested in Russian history The New York Times Book Review The Romanovs ruled a sixth of the world's surface for three centuries How did one family turn a war ruined principality into the world's greatest empire And how did they lose it all This is the intimate story of twenty tsars and tsarinas some touched by genius some by madness but all inspired by holy autocracy and imperial ambition Simon Sebag Montefiore's gripping chronicle reveals their secret world of unlimited power and ruthless empire building overshadowed by palace conspiracy family rivalries sexual decadence and wild extravagance Drawing on new archival research Montefiore delivers an enthralling epic of triumph and tragedy love and murder that is both a universal study of power and a portrait of empire that helps define Russia today

The Black International. L'International noire Emiel Lamberts, 2002 This book outlines the history of the Black International a secret organisation directly linked to the Vatican which brought together the leaders of the Catholic committees in nine European countries The organisation tried to stem the tide of liberalism socialism and nationalism that threatened the Catholic Church at the end of the 19th century The story of the origins workings and ending of this International at times seems like a detective story The book offers an extensive discussion of the influence of this organisation on the press policy and the international position of the Vatican It also explores its impact on the development of militant Catholicism and through its after effects in the Union of Fribourg 1884 1891 on the emergence of social Catholicism in Europe L'Internationale noire était une association secrète qui groupait les chefs de file des comités catholiques de neuf pays européens Elle essaya de faire front contre les trois courants qui menaçaient l'Eglise catholique la fin du XIXe siècle le libéralisme le socialisme et le nationalisme Cette Internationale noire dépendait directement du Vatican Analysant l'histoire de la naissance du fonctionnement et de la dissolution de cette organisation secrète le présent ouvrage ressemble quelquefois un roman policier Il accorde galement une grande attention à l'influence exercée par ce réseau sur la politique de presse et sur la politique internationale du Vatican Enfin il value son impact sur le développement du catholicisme militant puis travers son prolongement dans l'Union de Fribourg 1884 1891 sur la percée du catholicisme social en Europe

The Struggle with Leviathan Emiel Lamberts, 2016-05-02 A panoramic picture of

international politics and the formation of the modern State The opposition to the omnipotence of the State as symbolised by Thomas Hobbes Leviathan 1651 had a significant impact on the political organisation of European society A liberal strategy intended to provide a protective legal status for individual citizens whereas a social strategy aimed to strengthen the social fabric to counterbalance the power of the State Gradually both strategies became interwoven The Struggle with Leviathan pays special attention to the social strategy developed by conservative and ecclesiastical circles against the omnipotence of the State and is structured around the fascinating biography of the Austrian diplomat Gustav von Blome a grandson of Metternich and an important opponent of Bismarck He proved to be a transitional figure between aristocratic conservatism and Christian democracy which had a great influence on European integration after 1945 Besides Blome several other dramatis personae statesmen prelates political and social activists are featured As a result the book reads like a compelling narrative At the same time it offers a broadly sketched historical fresco of international politics and the gradual formation of the modern State The original Dutch edition of this book Het gevecht met Leviathan has been highly praised in the Dutch and Flemish press and was awarded the biennial international Arenberg Prize for European History and Culture By Influence & Desire Rosalynn Pflaum, 1984 *Impressionism* Robert L.
