

Empire And Nation In Russian History

David L. Ransel, Božena Shallcross

Empire And Nation In Russian History:

Empire and Nation in Russian History Geoffrey A. Hosking, 1993 Hosking presents the historical conception of Russia as two nations imperial and ethnic and relates this to the challenge facing present day Russia that of creating a democratic nation without an empire A State of Nations Ronald Grigor Suny, Terry Dean Martin, 2001-11-29 This collected volume looks at how the Soviet state managed to create a multiethnic empire in its early years from the end of the Revolution to the end of WW2 *Russia* Geoffrey A. Hosking, 1997 Discusses the sixteenth century roots of the lack of a unified Russian identity the division between the gentry and the peasantry and the widening gap in the eighteenth and nineteenth centuries which led to revolution and continues to affect Russia today

The Russian Empire 1450-1801 Nancy Shields Kollmann, 2017 Modern Russian identity and historical experience has been largely shaped by Russia's imperial past an empire that was founded in the early modern era and endures in large part today The Russian Empire 1450 1801 surveys how the areas that made up the empire were conquered and how they were governed It considers the Russian empire a Eurasian empire characterized by a politics of difference the rulers and their elites at the center defined the state's needs minimally with control over defense criminal law taxation and mobilization of resources and otherwise tolerated local religions languages cultures elites and institutions The center related to communities and religions vertically according each a modicum of rights and autonomies but didn't allow horizontal connections across nobilities townsmen or other groups potentially with common interests to coalesce Thus the Russian empire was multi ethnic and multi religious Nancy Kollmann gives detailed attention to the major ethnic and religious groups and surveys the government's strategies of governance centralized bureaucracy military reform and a changed judicial system The volume pays particular attention to the dissemination of a supranational ideology of political legitimacy in a variety of media written sources and primarily public ritual painting and particularly architecture Beginning with foundational features such as geography climate demography and geopolitical situation The Russian Empire 1450 1801 explores the empire's primarily agrarian economy serfdom towns and trade as well as the many religious groups primarily Orthodoxy Islam and Buddhism It tracks the emergence of an Imperial nobility and a national self consciousness that was by the end of the eighteenth century distinctly imperial embracing the diversity of the empire's many peoples and cultures **China from Empire to Nation-State** Hui

Wang, 2014-10-14 This translation of the Introduction to Wang Hui's Rise of Modern Chinese Thought 2004 makes part of his four volume masterwork available to English readers for the first time A leading public intellectual in China Wang charts the historical currents that have shaped Chinese modernity from the Song Dynasty to the present day A History of Eastern Europe 1740-1918 Ian D. Armour, 2012-11-22 A History of Eastern Europe 1740 1918 Empires Nations and Modernisation provides a comprehensive authoritative account of the region during a troubled period that finished with the First World War Ian Armour focuses on the three major themes that have defined Eastern Europe in the modern period empire nationhood

and modernisation whilst chronologically tracing the emergence of Eastern Europe as a distinct concept and place Detailed coverage is given to the Habsburg Ottoman German and Russian Empires that struggled for dominance during this time In this exciting new edition Ian Armour incorporates findings from new research into the nature and origins of nationalism and the attempts of supranational states to generate dynastic loyalties as well as concepts of empire Armour s insightful guide to early Eastern Europe considers the important figures and governments analyses the significant events and discusses the socio economic and cultural developments that are crucial to a rounded understanding of the region in that era Features of this new edition include A fully updated and enlarged bibliography and notes Eight useful maps Updated content throughout the text A History of Eastern Europe 1740 1918 is the ideal textbook for students studying Eastern European history

History and Geopolitics Andrzej Nowak,2008 **Nation, Ethnicity and Race on Russian Television** Stephen Hutchings,Vera Tolz,2015-03-05 Russia one of the most ethno culturally diverse countries in the world provides a rich case study on how globalisation and associated international trends are disrupting and causing the radical rethinking of approaches to inter ethnic cohesion The book highlights the importance of television broadcasting in shaping national discourse and the place of ethno cultural diversity within it It argues that television s role here has been reinforced rather than diminished by the rise of new media technologies Through an analysis of a wide range of news and other television programmes the book shows how the covert meanings of discourse on a particular issue can diverge from the overt significance attributed to it just as the impact of that discourse may not conform with the original aims of the broadcasters The book discusses the tension between the imperative to maintain security through centralised government and overall national cohesion that Russia shares with other European states and the need to remain sensitive to and to accommodate the needs and perspectives of ethnic minorities and labour migrants It compares the increasingly isolationist popular ethnonationalism in Russia which harks back to old fashioned values with the similar rise of the Tea Party in the United States and the UK Independence Party in Britain Throughout this extremely rich well argued book complicates and challenges received wisdom on Russia s recent descent into authoritarianism It points to a regime struggling to negotiate the dilemmas it faces given its Soviet legacy of ethnic particularism weak civil society large native Muslim population and overbearing yet far from entirely effective state control of the media **The Russian Empire** Andreas Kappeler,2014-08-27 The national question and how to impose control over its diverse ethnic identities has long posed a problem for the Russian state This major survey of Russia as a multi ethnic empire spans the imperial years from the sixteenth century to 1917 with major consideration of the Soviet phase It asks how Russians incorporated new territories how they were resisted what the character of a multi ethnic empire was and how finally these issues related to nationalism **Russian Politics and Society** Richard Sakwa,2002-09-11 First published in 2002 Routledge is an imprint of Taylor Francis an informa company

National History and New Nationalism in the Twenty-First Century Niels F. May,Thomas Maissen,2021-06-17 National

history has once again become a battlefield In internal political conflicts which are fought on the terrain of popular culture museums schoolbooks and memorial politics it has taken on a newly important and contested role Irrespective of national specifics the narratives of new nationalism are quite similar everywhere National history is said to stretch back many centuries expressing the historical continuity of a homogeneous people and its timeless character This people struggles for independence guided by towering leaders and inspired by the sacrifice of martyrs Unlike earlier forms of nationalism the main enemies are no longer neighbouring states but international and supranational institutions To use national history as an integrative tool new nationalists claim that the media and school history curricula should not contest or question the nation and its great historical deeds as doubts threaten to weaken and dishonour the nation This book offers a broad international overview of the rhetoric contents and contexts of the rise of these renewed national historical narratives and of how professional historians have reacted to these phenomena The contributions focus on a wide range of representative nations from around all over the globe

Polish Encounters, Russian Identity David L. Ransel, Bożena Shallcross, 2005-06-15

Highlights Poland's central role in the formation of a modern Russian identity A History of Russian Thought William Leatherbarrow, Derek Offord, 2010-04-01 The history of ideas has played a central role in Russia's political and social history Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today This history examines important intellectual and cultural currents the Enlightenment nationalism nihilism and religious revival and key themes conceptions of the West and East the common people and attitudes to capitalism and natural science in Russian intellectual history Concentrating on the Golden Age of Russian thought in the mid nineteenth century the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras With brief biographical details of over fifty key thinkers and an extensive bibliography this book provides a fresh comprehensive overview of Russian intellectual history

Nationalist Imaginings of the Russian Past Konstantin Sheiko, 2012-05-25 Anatolii Fomenko is a distinguished Russian mathematician turned popular history writer founder of the so called New Chronology school and part of the explosion of alternative historical writing that has emerged in Russia since the collapse of the Soviet Union Among his more startling claims are that the Old Testament was written after the New Testament that Russia is older than Greece and Rome and that the medieval Mongol Empire was in fact a Slav Turk world empire a Russian Horde to which Western and Eastern powers paid tribute While academic historians dismiss Fomenko as a dangerous ethno nationalist or post modern clown Fomenko's publications invariably outsell his conventional rivals Just as Putin has restored Russia's faith in its future Fomenko and an army of fellow alternative historians are determined to restore Russia's faith in its past For Fomenko the key to Russia's greatness in the future lies in ensuring that Russians understand the true greatness of their past Fomenko and other pseudo historians have built upon existing Russian notions of identity

specifically the widespread belief in the positive qualities of empire and the special mission of Russia He has drawn upon previous attempts to establish a Russian identity ranging from Slavophilism through Stalinism to Eurasianism While fantastic Fomenko s pseudo history strikes many Russian readers as no less legitimate than the lies and distortions peddled by Communist propagandists Tsarist historians and church chroniclers Empire to Nation Joseph W. Esherick, Hasan Kayali, Eric Van Young, 2006-04-27 The fall of empires and the rise of nation states was a defining political transition in the making of the modern world Here ten prominent specialists discuss the empire to nation transition in comparative perspective Chapters on Latin America the Middle East Eastern Euro A New Imperial History of Northern Eurasia, 1700-1918 Marina B. Mogilner, Alexander Semyonov, Ilya V. Gerasimov, Sergey Glebov, 2025-02-20 A New Imperial History of Northern Eurasia 1700 1918 proposes a new language for studying and conceptualizing the spaces societies and institutions that existed on the territory of today s Northern Eurasia until recently part of the USSR Traditional concepts and genealogies that frame human experience have to be avoided or reframed this is not the story of a certain present day state or people evolving through consecutive historical stages Rather the book s point of departure is a modern analytical approach to the problem of human diversity as a fundamental social condition In the form of cooperation and confrontation various attempts to manage diversity fostered processes of societal self organization as new ideas practices and institutions were developed virtually from scratch or radically altered when borrowed Essentially this is the story of individuals and societies who creatively responded to their natural and social environments and sought answers to universal problems in unique historical circumstances This volume which brings together leading scholars from both the United States and Russia covers the period during which the enormous landmass from the Carpathian Mountains in the west to the Pacific Ocean in the east from the Polar Circle in the north to the steppe belt in the south was put under the control of a single polity the Russian Empire Previously the competing local scenarios of self organization had taken specific political forms that suited them best This book shows that the Russian Empire faced the daunting task of coordinating multifaceted diversity within a single political and legal body under constantly changing domestic and international circumstances The study reveals that to this end the imperial regime employed various means from violence to science from segregation to integration and yet was still unable to block multiple political actors within the empire from advancing their own strategies of belonging resistance and participation The ^AOxford World History of Empire Peter Fibiger Bang, C. A. Bayly, Walter Scheidel, 2020-11-07 Volume One is dedicated to synthesis and comparison Following a comprehensive theoretical survey and bold world history synthesis fifteen chapters analyze and explore the multifaceted experience of empire across cultures and through the ages **Russia in World History** Choi Chatterjee, 2022-01-27 Russia in World History uses a comparative framework to understand Russian history in a global context The book challenges the idea of Russia as an outlier of European civilization by examining select themes in modern Russian history alongside cases drawn from the British Empire Choi Chatterjee analyzes the concepts of

nation and empire selfhood and subjectivity socialism and capitalism and revolution and the world order in the 19th 20th and 21st centuries In doing so she rethinks many historical narratives that bluntly posit a liberal West against a repressive authoritarian Russia Instead Chatterjee argues for a wider perspective which reveals that imperial practices relating to the appropriation of human and natural resources were shared across European empires both East and West Incorporating the stories of famous thinkers such as Leo Tolstoy Emma Goldman Wangari Maathai Arundhati Roy among others This unique interpretation of modern Russia is knitted together from the varied lives and experiences of those individuals who challenged the status quo and promoted a different way of thinking This is a ground breaking book with big and provocative ideas about the history of the modern world and will be vital reading for students of both modern Russian and world history **The**

Oxford World History of Empire Peter Fibiger Bang, Christopher Alan Bayly, Walter Scheidel, 2021 This is the first world history of empire reaching from the third millennium BCE to the present By combining synthetic surveys thematic comparative essays and numerous chapters on specific empires its two volumes provide unparalleled coverage of imperialism throughout history and across continents from Asia to Europe and from Africa to the Americas Only a few decades ago empire was believed to be a thing of the past now it is clear that it has been and remains one of the most enduring forms of political organization and power We cannot understand the dynamics and resilience of empire without moving decisively beyond the study of individual cases or particular periods such as the relatively short age of European colonialism The history of empire as these volumes amply demonstrate needs to be drawn on the much broader canvas of global history Volume I The Imperial Experience is dedicated to synthesis and comparison Following a comprehensive theoretical survey and bold world history synthesis fifteen chapters analyze and explore the multifaceted experience of empire across cultures and through the ages The broad range of perspectives includes scale world systems and geopolitics military organization political economy and elite formation monumental display law mapping and registering religion literature the politics of difference resistance energy transfers ecology memories and the decline of empires This broad set of topics is united by the central theme of power examined under four headings systems of power cultures of power disparities of power and memory and decline Taken together these chapters offer a comprehensive and unique view of the imperial experience in world history

Russian Nationalism and the Russian-Ukrainian War Taras Kuzio, 2022-01-26 This book is the first to provide an in depth understanding of the 2014 crisis Russia's annexation of Crimea and Europe's de facto war between Russia and Ukraine The book provides a historical and contemporary understanding behind President Vladimir Putin Russia's obsession with Ukraine and why Western opprobrium and sanctions have not deterred Russian military aggression The volume provides a wealth of detail about the inability of Russia from the time of the Tsarist Empire throughout the era of the Union of Soviet Socialist Republics USSR and since the dissolution of the latter in 1991 to accept Ukraine as an independent country and Ukrainians as a people distinct and separate from Russians The book highlights the sources of this lack of acceptance in aspects of

Russian national identity In the Soviet period Russians principally identified themselves not with the Russian Soviet Federative Republic but rather with the USSR as a whole Attempts in the 1990s to forge a post imperial Russian civic identity grounded in the newly independent Russian Federation were unpopular and notions of a far larger Russian imagined community came to the fore A post Soviet integration of Tsarist Russian great power nationalism and White Russian migr chauvinism had already transformed and hardened Russian denial of the existence of Ukraine and Ukrainians as a people even prior to the 2014 crises in Crimea and the Donbas Bringing an end to both the Russian occupation of Crimea and to the broader Russian Ukrainian conflict can be expected to meet obstacles not only from the Russian de facto President for life Vladimir Putin but also from how Russia perceives its national identity

Whispering the Strategies of Language: An Psychological Quest through **Empire And Nation In Russian History**

In a digitally-driven earth wherever monitors reign supreme and quick transmission drowns out the subtleties of language, the profound secrets and emotional subtleties concealed within words often move unheard. However, nestled within the pages of **Empire And Nation In Russian History** a fascinating literary value pulsing with organic emotions, lies an exceptional quest waiting to be undertaken. Composed by an experienced wordsmith, this wonderful opus invites visitors on an introspective trip, delicately unraveling the veiled truths and profound influence resonating within the fabric of every word. Within the mental depths of this moving review, we will embark upon a sincere exploration of the book's core themes, dissect its interesting writing design, and fail to the powerful resonance it evokes strong within the recesses of readers' hearts.

Empire And Nation In Russian History Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Empire And Nation In Russian History free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Empire And Nation In Russian History free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Empire And Nation In Russian History free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Empire And Nation In Russian History. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Empire And Nation In Russian History any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Empire And Nation In Russian History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Empire And Nation In Russian History is one of the best book in our library for free trial. We provide copy of Empire And Nation In Russian History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Empire And Nation In Russian History. Where to download Empire And Nation In Russian History online for free? Are you looking for Empire And Nation In Russian History PDF? This is definitely going to save you time and cash in something you should think about.
