Eucontamination Paul Hoard,Billie Hoard,2025-07-25 For too long Christianity has been distorted by an overapplied purity disgust metaphor fueling exclusion reinforcing fear and enabling Christian Nationalism Eucontamination challenges this toxic framework arguing that Jesus did not retreat from impurity but transformed it This interdisciplinary work weaves together psychology psychoanalysis theology and sociology to expose how disgust has shaped Christian witness from theological education to church exclusion and social scapegoating But there is a better way The authors propose that Christ is not fragile in the face of sin but a good infection a force that spreads healing and redemption Instead of protecting a brittle purity true faith embraces eucontamination a sanctifying engagement with the world not a retreat from it For Christians seeking a faith that resists exclusion and embraces radical love Eucontamination offers a vision of transformation one where Truth Life and the Way are not delicate things to be defended but powerful forces moving through and within us all

Reason's Inquisition Christopher A. Colmo,2023-08-29 Reasons Inquisition On Doubtful Ground is an exploration in the literature of political philosophy before and after Alfarabi and ranging from Thucydides to Leo Strauss and Eric Voegelin These studies most of them previously unpublished open inquiries into theory and practice reason and

revelation and the relation between thinkers ancient and modern Readers may be surprised to see the Platonist Alfarabi presented as a critic of Plato's theory in the name of practice while Alfarabi and Hobbes are shown to have a common interest in a theory commensurate with action Strauss Voegelin and Lucien Febvre all explore the problem of reason and revelation in relation to the limits of human knowledge An ambitious study of Shakespeare's Macbeth explores the ambiguity of both nature and knowledge in relation to male and female good and evil present and future The contrast between ancients and moderns is explicit in questions of the modern aspects of Marlowe's Doctor Faustus and of Rousseau's reversal of Plato Kierkegaard and Heidegger bring radical modernity into focus against a Platonic background in the closing essay These diverse essays attempt to follow the thinkers and themes explored in turning a critical gaze upon reason itself *The Extinction of Nation-States* L. Ali Khan, 2023-09-14 This work explores whether the nation state is a useful concept under contemporary international law It begins with an analysis of Grotius's masterpiece The Law of War and Peace tracing the historical development of the nation state It then argues that due to increased interdependence among the peoples of the world the nation state has become dysfunctional in serving the needs of global life Emphasizing a world without borders the book offers the concept of the Free State that allows the free movement of goods services capital information and the peoples of the world International legal scholars diplomats policy makers and foreign affairs experts will find this book particularly interesting *The Thirty Years' War* Geoffrey Parker, 2006-03-20 The first edition of The Thirty Years War offered an unrivalled survey of a central period in European history Drawing on a huge body of source material from different languages and countries throughout Europe it provided a clear and comprehensive narrative and analytical account of the subject It has established itself as the classic text with reviewers students and the general reader This second edition has been thoroughly revised to include the very latest research The updated bibliographical information provides an invaluable resource synthesising the major work in the field in all languages up to 1996 Written with great clarity and liveliness the book brings alive the period in all its aspects It covers the horrors of the war and the contorted politics of the period It deals with all the major figures including Wallerstein and Richelieu Gustavus Adolphus and Tilly the Winter King and the Habsburg emperors For range and depth of coverage there is no other work like it It has become the definitive book on the subject *John, Jesus, and History, Volume 4* Paul N. Anderson, Felix Just, Tom Thatcher, 2024-11-18 John Jesus and History Volume 4 Jesus Remembered in the Johannine Situation addresses the narrative development of the Johannine corpus over as many as seven decades Contributors connect how Jesus is presented in the Fourth Gospel to how the memory of his ministry is developed in Palestine during the earliest period 30-70 CE in Asia Minor in the later first century 70-100 CE and in the main and alternative streams of post-Johannine early Christianity 100 CE and later Contributors include Paul N Anderson Harold W Attridge Giovanni Bazzana Jonathan Bernier Sherri Brown Rex D Butler Andrew J Byers Stephen C Carlson Warren Carter Amber M Dillon Jonathan A Draper Musa W Dube Charles E Hill Karen L King Peter T Lanfer Kasper Bro Larsen Ian N Mills

Alicia D Myers Reinhard Pummer Tuomas Rasimus David Rensberger Clare K Rothschild Geoffrey Smith Travis D Trost
Meredith J C Warren Kenneth L Waters Sr and Lorne R Zelyck The collection pushes Johannine Jesus and early Christian
history studies in new directions raising possibilities for future research **The Usurper** John Norman,2015-03-03 The
fourth volume in John Norman s epic Telnarian Histories describes the continuing rise to power of an unsung warrior thrown
into the maelstrom of ambition treachery and violence that is the galactic empire When Filene a former noblewoman
masquerading as a slave attempts to assassinate the ascendant tribal king Ottonius she fails and becomes fully enslaved The
story of her education in proper submission is told in counterpoint to the tale of the powerful but primitive warrior who finds
himself drawn into intrigues affecting the destiny of a threatened and crumbling empire This ambitious novel written on an
interstellar scale follows the latest adventures of a man who has fought and killed his way out of obscurity to become a newly
crowned king As events unfold he finds himself on a bloody and violent path that may lead to the imperial throne itself
