Chronicling Cultures Robert V. Kemper, Anya Peterson Royce,2002-04-23 Some field sites have hosted anthropologists for as long as half a century Chronicling Cultures collects articles from principals of many of the longest and best known anthropology projects from four continents the Kung Harvard Chiapas Project Gwembe Valley Tzintzuntzan and Navajo among others These projects have brought a new understanding of change and persistence in communities over time They have forced researchers to develop methods of involving local communities in research of using data over generations of scholars and of resolving ethical issues of research versus advocacy The projects range from individual scholars who return home year after year to large scale institutionalized projects involving many researchers and numerous studies This volume will be an important addition to the literature on fieldwork on the history of ethnology and on ethnographers role in their host cultures *Creating Pátzcuaro, Creating Mexico* Jennifer Jolly,2018-01-24 In the 1930s the artistic and cultural patronage of celebrated Mexican president Lázaro Cárdenas transformed a small Michoacán city Pátzcuaro into a popular center for national tourism Cárdenas commissioned public monuments and archeological excavations supported new schools libraries and a public theater developed tourism sites and infrastructure including the Museo de Artes e Industrias Populares and hired artists to paint murals celebrating regional history traditions and culture The creation of Pátzcuaro was formative for Mexico not only did it provide an early model for regional economic and cultural development but it also helped establish some of Mexico's most enduring national myths rituals and institutions In *Creating Pátzcuaro* *Creating Mexico* Jennifer Jolly argues that Pátzcuaro became a microcosm of cultural power during the 1930s and that we find the foundations of modern Mexico in its creation Her extensive historical and archival research reveals how Cárdenas and the artists and intellectuals who worked with him used cultural patronage as a guise for radical modernization in the region Jolly demonstrates that the P

tzcuaro project helped define a new modern body politic for Mexico in which the population was asked to emulate C rdenas by touring the country and seeing and embracing its land history and people Ultimately by offering Mexicans a means to identify and engage with power and privilege the creation of P tzcuaro placed art and tourism at the center of Mexico s postrevolutionary nation building project **Urban Life** George Gmelch, Petra Kuppinger, 2018-01-03 More than half of the world s population lives in cities What are their lives like in very different global and globalizing cities How can urban anthropologists study and understand the diverse and complex experiences of urban dwellers all over the globe The latest edition of Urban Life explores questions about how to study urban lives and examines experiences of urban inhabitants in cities across the globe Authors ask questions such as how can one study the activities in a huge fish market in Tokyo How do elderly residents benefit from urban agriculture in New York City How do people maneuver ever present traffic jams in Istanbul How do low income residents in Cairo manage their lives drawing on neighborhood social networks How do immigrants fight for green spaces in Paris How do families manage transnational ties between New York City and Ecuador The book is organized into six parts Urban Fieldwork Communities Urban Structure Inequality and Survival Immigrants Migrants and Refugees Changing Cities and Current Topics in Urban Anthropology The last part addresses issues at the forefront of anthropological research and broader political debates like environmental justice disability and accessibility and access to water supplies Each part includes an introduction and each chapter is preceded by notes about its context and relevance The rich ethnographic content of the chapters makes them highly accessible to students while addressing relevant topics and themes **The Princes of Naranja** Paul Friedrich, 2014-02-19 In this groundbreaking study Paul Friedrich looks closely at the strong men of the Tarascan Indian village of Naranja their leadership friendship kinship and violent local politics over a time depth of one generation and ways to understand such phenomena What emerges is an acutely observed portrait of the men who form the very basis of the grass roots power structure in Mexico today Of interest to historians sociologists and political scientists as well as Latin Americanists and anthropologists The Princes of Naranja is a sequel to Friedrich s now classic Agrarian Revolt in a Mexican Village It begins with biographical character studies of seven leaders peasant gunmen judges politicians here the book will grip the reader and provoke strong emotional response from laughter to horror A middle section places these princes in relation to each other and to the contexts of village society and the larger entities of which it forms a part Friedrich s synthesis of anthropology local mainly oral history macrohistory microsociology psychology and literature gives new insight into the structure of Mexican politics from the local level up and provides a model for other scholars doing analogous work in other parts of the world especially in the developing world The concluding section raises vital questions about the dynamic relations between the fieldworker fieldwork field notes the villagers the writing of a fieldwork based book and implicitly the audience for such books **Psychology of the Americas** Manuel Ramirez, 2013-10-22 Psychology of the Americas Mestizo Perspectives on Personality and Mental Health presents the

framework for a personality psychology and psychiatry of the Americas This framework is based on the mestizo world view a perspective that emerged from sociopolitical events which are unique to the development of many of the nations of the Americas The word mestizo refers to the synthesis of native American and European people cultures and life styles This book is divided into nine chapters and starts with a discussion of the concepts and principles of developmental personality community and clinical psychology psychiatry which are reflected in the cultures of the indigenous peoples of North and South America as well as the Caribbean Considerable chapters offer some models that are based on the paradigms of diversity and synthesis specifically a values belief systems cognitive styles framework based on research that has explored the relationship between traditionalism modernism and cognitive styles The specific models focus on individual development of pluralistic identities the mental health of families coping with acculturation stress person environment fit of migrating individuals who are mismatched with institutions and agencies of the community and on intergroup and international relations in situations of conflict The remaining chapters deal with the tenets and assumptions of a psychology and psychiatry including theories and approaches which differ in many respects from the European world view based personality psychology and psychiatry of the past This book is of value to psychologists psychiatrists researchers and students *Aquatic Adaptations in Mesoamerica* Eduardo Williams,2022-08-11 This book explores the subsistence strategies that ancient Mesoamericans implemented to survive and thrive in their environments It discusses the natural settings production sites techniques artifacts cultural landscapes traditional knowledge and other features linked to human subsistence in aquatic environments **El Estudio Del Cultivo de Roza** Harold C.
