---

*with a new Foreword by  
Richard Elliott Friedman*

Jeffrey H. Tigay, Editor

# Empirical Models For Biblical Criticism

**Raymond De Hoop**

## **Empirical Models For Biblical Criticism:**

**Empirical Models for Biblical Criticism** Jeffrey H. Tigay, 2005-10-21 Modern critical scholarship has concluded that the books of the Hebrew Bible have not reached us in their original form but are the products of lengthy evolution. Many of these books are thought to combine the works of more than one author or age and to have undergone considerable revision. Tigay and the other contributors use comparisons of various texts from ancient Mesopotamia and post-exilic Israel. Such comparisons show that the sort of development of biblical literature that nineteenth-century critics were led to postulate from close study of the texts alone is characteristic of many ancient Near Eastern texts. Empirical Models for Biblical Criticism is of value to scholars interested in the Old Testament as well as religion, theology, Jewish studies, Near Eastern studies, and comparative literature.

**Empirical Models for Biblical Criticism** Jeffrey H. Tigay, 1988

**Empirical Models Challenging Biblical Criticism** Raymond F. Person, Robert Rezetko, 2016-09-21 Cutting-edge reflections on biblical text formation. Empirical models based on ancient Near Eastern literature and variations between different textual traditions have been used to lend credibility to the identification of the sources behind biblical literature and the different editorial layers. In this volume, empirical models are used to critique the exaggerated results of identifying sources and editorial layers by demonstrating that even though much of ancient literature had such complex literary histories, our methods are often inadequate for the task of precisely identifying sources and editorial layers. The contributors are Maxine L. Grossman, Benedicta Lemmelijn, Alan Lenzi, Sara J. Milstein, Raymond F. Person Jr., Robert Rezetko, Stefan Schorch, Julio Trebolle Barrera, Ian Young, and Joseph A. Weaks. Features: Evidence that many ancient texts are composite texts with complex literary histories. Ten essays and an introduction cover texts from Mesopotamia, the Hebrew Bible, the New Testament, and the Dead Sea Scrolls.

Genesis Forty-nine in Its Literary and Historical Context Raymond De Hoop, 1972 This book deals with the so-called Blessing of Jacob, Genesis 49, in all its aspects, discussing philological, literary, and historical problems. After an introductory chapter, a thoroughly discussed translation of Genesis 49 and an analysis of its poetical structure are presented, followed by the discussion of the genre, definition, tribal saying, Stammesspruch, and a synchronic and diachronic analysis of Genesis 49 in its literary context, Gen 47-29-49-33. The remarkable results of this analysis are finally discussed in relation to Israel's history. It is suggested that only part of the Blessing functioned within the originally much shorter deathbed account, Gen 47-29-49-33, reflecting the historical situation of the time of origin. Afterwards, it was thoroughly worked up into its present shape to meet the conditions of later political development.

*Reading the Fractures of Genesis* David McLain Carr, 1996-01-01 Historical and Literary Approaches

מנחם חרות, מנחם חרות Menahem Haran, 1996 Professor Menahem Haran is honored in this volume by a chorus of colleagues, disciples, and friends from Israel, Europe, North America, and the Far East. The diversity of Haran's expertise is reflected in the table of contents of this collection, organized around the topics: Priests and Their Sphere, The Torah, The Prophets, The Writings, and Language and Writing.

*A Guide to Old Testament Theology*

and Exegesis Willem VanGemeren, 1999-07-12 The introductory articles from the New International Dictionary of Old Testament Theology and Exegesis are presented here in a separate publication serving as an introduction to Old Testament theology and exegesis

*The State of Old Testament Studies* H. H. Hardy, II, M. Daniel Carroll R., 2024-11-05 This book surveys the current landscape of Old Testament studies offering readers a concise guide to contemporary academic discussions Bringing together a diverse group of experts The State of Old Testament Studies provides an informed introduction to the many fields of Old Testament research by recognized scholars presents basic questions in each subfield surveys the primary methods of answering these questions engages prominent solutions and cites relevant and up to date resources It is an extensive guide to current research and an ideal supplemental textbook for a variety of courses on the Old Testament

**The Dictionary of the Bible and Ancient Media** Tom Thatcher, Chris Keith, Raymond F. Person, Jr., Elsie R. Stern, 2017-10-19 The Dictionary of the Bible and Ancient Media is a convenient and authoritative reference tool introducing specific terms and concepts helpful to the study of the Bible and related literature in ancient communications culture Since the early 1980s biblical scholars have begun to explore the potentials of interdisciplinary theories of oral tradition oral performance personal and collective memory ancient literacy and scribality visual culture and ritual Over time these theories have been combined with considerations of critical and exegetical problems in the study of the Bible the history of Israel Christian origins and rabbinics The Dictionary of the Bible and Ancient Media responds to the rapid growth of the field by providing a source of reference that offers clear definitions and in depth discussions of relevant terms and concepts and the relationships between them The volume begins with an overview of ancient media studies and a brief history of research to orient the reader to the field and the broader research context of the book with individual entries on terms and topics commonly encountered in studies of the Bible in ancient media culture Each entry defines the term concept under consideration then offers more sustained discussion of the topic paying particular attention to its relevance for the study of the Bible and related literature

**Editorial Techniques in the Hebrew Bible** Reinhard Müller, Juha Pakkala, 2022-05-06 Editorial Techniques in the Hebrew Bible Toward a Refined Literary Criticism presents and applies a model for understanding and reconstructing the diachronic development of the Hebrew Bible through historical criticism or the historical critical method Reinhard Müller and Juha Pakkala refine the methodologies of literary and redaction criticism through a systematic investigation of the evidence of additions omissions replacements and transpositions that are documented by divergent ancient textual traditions At stake is not only historical criticism but also the Hebrew Bible as a historical source for historical criticism has been and continues to be the only method to unwind those scribal changes that left no traces in textual variants

The Anthology in Jewish Literature David Stern, 2004-10-07 The anthology is a ubiquitous presence in Jewish literature arguably its oldest literary genre going back to the Bible itself and including nearly all the canonical texts of Judaism the Mishnah the Talmud classical midrash and the prayerbook In the Middle Ages the anthology

became the primary medium in Jewish culture for recording stories poems and interpretations of classical texts In modernity the genre is transformed into a decisive instrument for cultural retrieval and re creation especially in works of the Zionist project and in modern Yiddish and Hebrew literature No less importantly the anthology has played an indispensable role in the creation of significant fields of research in Jewish studies including Hebrew poetry folklore and popular culture This volume is the first book to bring together scholarly and critical essays that investigate the anthological character of these works and what might be called the anthological habit in Jewish literary culture the tendency and proclivity for gathering together discrete sometimes conflicting traditions and stories and preserving them side by side as though there were no difference conflict or ambiguity between them Indeed *The Anthology in Jewish Literature* is the first book to recognize this habit and genre as one of the formative categories in Jewish literature and to investigate its manifold roles The seventeen essays each of which focuses on a specific literary work many of them the great classics of Jewish tradition consider such questions as What are the many types of anthologies How have anthologists editors even printers of anthologies been creative shapers of Jewish tradition and culture What can we learn from their editorial practices How have politics gender and class figured into the making of anthologies What determinative role has the anthology played in creating the Jewish canon How has the anthology served especially in the modern period to create and recreate Jewish culture This landmark volume will interest educated laypersons as well as scholars in all areas of Jewish literature and culture as well as students of world literature and cultural studies

*The Use of the Septuagint in New Testament Research* Tim McLay, 2003 Too often the Septuagint is misunderstood or worse ignored in New Testament studies In this book R Timothy McLay makes a sustained argument for the influence of the Greek Jewish Scriptures on the New Testament and offers basic principles for bridging the research gap between these two critical texts McLay explains the use of the Septuagint in the New Testament by looking in depth at actual New Testament citations of the Jewish Scriptures This work reveals the true extent of the Septuagint's impact on the text and theology of the New Testament Indeed given the textual diversity that existed during the first century the Jewish Scriptures as they were known read and interpreted in the Greek language provided the basis for much if not most of the interpretive context of the New Testament writers Complete with English translations a glossary of terms an extensive bibliography and helpful indexes this book will give readers a new appreciation of the Septuagint as an important tool for interpreting the New Testament

**The First Historians** Baruch Halpern, 2010-11-01 [Ancient Near Eastern Thought and the Old Testament](#) John H. Walton, 2018-05-15 Leading evangelical scholar John Walton surveys the cultural context of the ancient Near East bringing insight to the interpretation of specific Old Testament passages This new edition of a top selling textbook has been thoroughly updated and revised throughout to reflect the refined thinking of a mature scholar It includes over 30 illustrations Students and pastors who want to deepen their understanding of the Old Testament will find this a helpful and instructive study

[The Comparative Textual Criticism of Religious Scriptures](#)

,2024-05-13 This collection of articles uniquely brings into scholarly dialogue the textual history and criticism of authoritative literatures from diverse cultures they study Mesopotamian literature the Hebrew Bible the New Testament the Homeric epics the Quran and Hindu and Buddhist literatures with an interest in all matters of their textual transmission Contributors address questions such as What role does textual criticism play in the study of authoritative texts in these fields How much variation exists in these textual traditions Can you observe processes of textual standardization What role does the oral transmission play How are critical editions prepared While these questions have produced a wealth of scholarly literature for each individual field this volume is the first to study them from a comparative perspective From Conversation to Oral Tradition Raymond F Person,2015-11-19 This book argues that many of the most prominent features of oral epic poetry in a number of traditions can best be understood as adaptations or stylizations of conversational language use and advances the claim that if we can understand how conversation is structured it will aid our understanding of oral traditions In this study that carefully compares the special grammar of oral traditions to the grammar of everyday conversation as understood in the field of conversation analysis Raymond Person demonstrates that traditional phraseology including formulaic language is an adaptation of practices in turn construction in conversation such as sound selection of words and prosody and that thematic structures are adaptations of sequence organization in talk in interaction From this he concludes that the special grammar of oral traditions can be understood as an example of institutional talk that exaggerates certain conversational practices for aesthetic purposes and that draws from cognitive resources found in everyday conversation Person s research will be of interest to conversation analysts as well as literary scholars especially those interested in ancient and medieval literature the comparative study of oral traditions and folklore and linguistic approaches to literature This volume lays the groundwork for further interdisciplinary work bridging the fields of literature and linguistics Storymaking, Textual Development, and Varying Cultic Centralizations Benjamin D. Giffone,2023-07-21 How did the use of earlier narrative and legal material within Chronicles and other Second Temple texts illumine instances of unevenness that later interpreters smoothed to a degree but retained in the text Benjamin D Giffone shows how community memory existing outside the written texts provided limits on the changes that could be introduced by scribes Narrativity as a key feature of the texts allowed certain memoirs to be retained framed by various techniques to suit the storymakers aims How to Read the Bible Marc Zvi Brettler,2010-01-01 Master Bible scholar and teacher Marc Brettler argues that today s contemporary readers can only understand the ancient Hebrew Scripture by knowing more about the culture that produced it And so Brettler unpacks the literary conventions ideological assumptions and historical conditions that inform the biblical text and demonstrates how modern critical scholarship and archaeological discoveries shed light on this fascinating and complex literature Brettler surveys representative biblical texts from different genres to illustrate how modern scholars have taught us to read these texts Using the historical critical method long popular in academia he guides us in reading the Bible as it was read in the biblical period

independent of later religious norms and interpretive traditions Understanding the Bible this way lets us appreciate it as an interesting text that speaks in multiple voices on profound issues This book is the first Jewishly sensitive introduction to the historical critical method Unlike other introductory texts the Bible that this book speaks about is the Jewish one with the three part TaNaKH arrangement the sequence of books found in modern printed Hebrew editions and the chapter and verse enumerations used in most modern Jewish versions of the Bible In an afterword the author discusses how the historical critical method can help contemporary Jews relate to the Bible as a religious text in a more meaningful way Tracking the Master Scribe Sara Jessica Milstein, 2016 Characterized by collectively produced texts that changed significantly over time Mesopotamian literature and the Hebrew Bible confound modern notions of authorship and creativity Tracking the Master Scribe probes the methods ancient scribes employed in passing down the writing that mattered most *Introduction to Reading the Pentateuch* Jean Louis Ska, 2006 When Jean Louis Ska's *Introduzione alla lettura del Pentateuco* was first published in Italy it was quickly hailed as the most attractive and usable introduction to the Pentateuch to appear in modern times Because of its strengths it was soon translated into French The English translation published by Eisenbrauns has been completely reviewed and updated including the bibliography by Ska Among the book's many strengths are its close attention to the ways in which modern cultural history has affected Pentateuchal interpretation attention to providing the kinds of examples that are helpful to students presentation of a good balance between the history of interpretation and the data of the text and the clarity of Ska's writing For both students and scholars many consider this book the best contemporary introduction to the Pentateuch

### **Empirical Models For Biblical Criticism Introduction**

In today's digital age, the availability of Empirical Models For Biblical Criticism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Empirical Models For Biblical Criticism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Empirical Models For Biblical Criticism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Empirical Models For Biblical Criticism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Empirical Models For Biblical Criticism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Empirical Models For Biblical Criticism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Empirical Models For Biblical Criticism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Empirical Models For Biblical Criticism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Empirical Models For Biblical Criticism books and manuals for download and embark on your journey of knowledge?

### FAQs About Empirical Models For Biblical Criticism Books

1. Where can I buy Empirical Models For Biblical Criticism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Empirical Models For Biblical Criticism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Empirical Models For Biblical Criticism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Empirical Models For Biblical Criticism audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Empirical Models For Biblical Criticism books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
