Leadership in the Context of the Cross Thang San Mung, 2017-11-24 This book is all about the study of Paul's leadership principles in the context of Corinthian epistles The primary focus is given to how Paul worked out his faith in Jesus Christ whom he knows as the one who was crucified to save and bless us in his daily life as a leader of a community The book is basically presented in three major chapters in the body Chapter one primarily discusses about how Paul views the cross of Jesus Christ or his sacrificial death on the cross and finds meaning in his life as a leader Chapter two then mentions how Paul sees himself as a leader and treats others whom he ministered to from the Cross perspective However chapter three tries to derive several principles by which Paul skillfully dealt with several burning issues of the then Christian community in the Roman city of Corinth that leaders of all time might also learn the way of the cross in their leadership practices and tread the same path

Ecclesial Leadership as Friendship Chloe Lynch, 2019-03-01 When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision of the centrality of friendship to leadership of a healthy church community As such it will be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry

Versatility of Paul Robert Banks, 2023-03-23 Paul wrote in Ephesians 4:11 that Christ set the Church the role of the apostle prophet evangelist pastor and teacher Volumes have been written about Paul the apostle Much less has been written however about how versatile he was in filling the other roles In this small volume noted author Robert Banks seeks to fill these lacuna In doing so he demonstrates how amazingly gifted and flexible Paul was In the Introduction Banks noted that rather than being a ministry specialist Paul was what we might call a general practitioner His versatility in this area was important as it enabled him to model to his converts the basic forms of ministry that needed to continue after he had moved on Only so with the help of the Spirit would their communities be able to grow to maturity and impact their societies in a distinctive way

Paul's Large Letters Steve Reece, 2016-12-15 At the end of several of his letters the apostle Paul claims to be penning a summary and farewell greeting in his own hand 1 Corinthians Galatians Philemon cf Colossians 2 Thessalonians Paul s claims raise some interesting questions about his letter writing practices Did he write any complete letters himself or did he always dictate to a scribe How much did his scribes contribute to the composition of his letters Did Paul make the effort to proofread and correct what he had dictated What was the purpose of Paul s autographic subscriptions What was Paul s purpose in calling attention to their autographic nature Why did Paul write in large letters in the subscription of his letter to the Galatians Why did he call attention to this peculiarity of his handwriting A good source of answers to these questions can be found among the primary documents that have survived from around the time of Paul a large number of which have been discovered over the past two centuries and in fact continue to be discovered to this day From around the time of Paul there are extant several dozen letters from the caves and refuges in the desert of eastern Judaea in Hebrew Aramaic Nabataean Greek and Latin several hundred from the remains of a Roman military camp in Vindolanda in northern England in Latin and several thousand from the sands of Middle and Upper Egypt in Greek Latin and Egyptian Demotic Reece has examined almost all these documents many of them unpublished and rarely read with special attention to their handwriting styles in order to shed some light on these technical aspects of Paul s letter writing conventions

On Eagles' Wings David J Cohen, Michael Parsons, 2008-12-18 This is a volume of practical scriptural and contemporary essays exploring the idea of strength in weakness in the context of Christian life and ministry Biblical scholars theologians and Christian ministry practitioners have thought about the biblical paradigm of strength in weakness within their own areas of expertise and interest Biblical scholars encounter the idea of strength in weakness in both Old and New Testament passages that suggest human weakness and divine strength The people of Israel a

community reliant on grace exemplify this theme Mark's portrayal of Jesus Christ indicates that it is in weakness that Christ saves Paul's paradigm for ministry suggests the same Theological chapters engage this teaching of strength in weakness as it surfaces in Luther's life in Calvin's view of prayer in Barth's theology and ultimately in the divine dealing with the world Pastoral theology demonstrates this theme's foundational significance for a suffering church in its mission to the world as well as the theme's importance for preaching the leading of God's people today Drawing together scholars from fields of biblical studies systematic theology and pastoral theology *On Eagles Wings* questions the over emphasis on power in today's church The authors propose various ways that ministry and mission may be best engaged with a biblical humility and with reliance on God's grace

Beyond Four Walls Michael D. O'Neil, 2020-08-12 The church today is in many places on the nose For many people it stinks It has passed its use by date and should be relegated to the dustbins of history and the sooner the better Nevertheless the contributors to this volume believe that the church in spite of its somewhat checkered history and its many present failures remains an integral part of God's redemptive purposes being worked out in the world and that God's call to the church is now what it has always been to be the faithful people of God bearing joy filled witness to the resurrection of Jesus Christ in word worship and work in its corporate life and in the lives of each of its members Each chapter in this book explores an aspect of what it means to be the church both with respect to its own life and with an eye to its presence and mission in the world

Competencies for Leading in Diversity Aiah Foday-Khabenje, 2016-11-14 The patriarchal approach to leadership in the African context is indeed an enigma judging from the unpredictable outcomes and the quest for effective leadership In many ways the secularized big man in the public square is no different from the sacralised great man of God in the church The Lord Jesus Christ calls his followers to servant leadership The secular world has also established the efficacy of the servant

leadership approach for cutting edge leadership This book looks at the nature of evangelical associations in their diversity and what it takes for leaders to build unity and harmony for effectiveness especially in the African context
