**Intra-African Pentecostalism and the Dynamics of Power** Amos B. Chewachong,2024-10-29 In an era when African

Pentecostalism stretches its vibrant mosaic across continents Intra African Pentecostalism and the Dynamics of Power examines the pulsating heart of this phenomenon within Africa itself The book explores the complex interplay of faith and power through the lens of Nigeria s Winners Chapel and its expansion into Cameroon What compels a movement to evangelize fervently within its own continent making it both the preacher and the audience The book exposes the reverse missionary flow to the northern hemisphere as a backdrop for a more profound story unravelling within Africa Here the mother church exerts a magnetic pull ensuring fidelity as charismatic leaders like Bishop Oyedepo maintain their spiritual gravitas It is a story not just of spirituality but of strategic moves and socio political undercurrents that shape identities and beliefs Employing rich narratives and rigorous research this book looks in depth at Winners Chapel s transnational missions highlighting the complexities of allegiance identity and the propagation of the prosperity gospel It challenges readers to see beyond conventional religious discourse into the depths where faith intersects with culture and power The book invites us to understand the multi dimensional influence of African Pentecostalism and to grasp the nuances of a faith that is transforming the continent from within

**Accessing Your Anointing** Greg Locke,2023-07-25 Embrace supernatural empowerment and experience miracles and the greater works Jesus promised This book is a transformative guide that reveals the true nature of the Holy Spirit s dwelling within us and its active work through our lives It challenges the doubts surrounding the availability of supernatural gifts and sheds light on the truth of doing greater works today and stand confidently as a vessel of God s power in the name of Jesus What did Jesus mean when He said the Holy Spirit would dwell in us and actively work through us Are we really supposed to do greater works than the miracles He performed during His ministry just as He said If so what does that look like Are the supernatural gifts of the Spirit the apostle Paul repeatedly taught still available to us today If so why do so many good men and women of God say it isn t so And what exactly is the anointing Mountain moving miracles Instantaneous healings Casting out of demons Divinely inspired prophecies Greater works than these today In the second installment of his Spiritual Warfare Series firebrand pastor Greg Locke answers each of these questions while reminding the remnant church that love is more than a four letter word With his trademark transparency and provocative boldness he teaches believers how to access God s supernatural indwelling His anointing as we stand victorious against the forces of darkness in Jesus name

**A critical engagement with theological education in Africa** Johannes J. Knoetze,Alfred R. Brunsdon,2022-02-07 The higher education landscape has arguably become one of the most arduous to traverse More so in the African context where a host of variables continuously challenge educators to reflect critically on their philosophies and practices as they engage an ever changing audience In this book a critical engagement with theological education in Africa is offered As the book originates from South Africa it is presented as a South African perspective although contributors are situated accross the African continent and abroad The

common denominator is that all contributors are in some way or another invested in theological education in Africa. The main contribution of this collaborative work is to be sought in the insights it offers on four main areas of theological education: A historical and current orientation on theological education in Africa, some paradigm shifts in theological education in Africa, ministerial formation needs versus theological education challenges, and a critical reflection on elective models and methods. The book presents the original and innovative research of scholars for fellow scholars involved in theological higher education as it is grounded in the respective fields of interest of each contributor. It contributes to a better understanding of the complex African theological higher education landscape that is also mindful of post COVID 19 realities. Methodologically, the work draws on a combination of methods including literature studies, empirical work, and in some cases, sectional offerings from doctoral studies as indicated in the various chapters.

Overflowing Anointing Bill Vincent, 2024-02-26. In Overflowing Anointing: Living Beyond Survival, readers are invited on a transformative journey to understand and embrace the divine anointing God has for each life. This inspiring book goes beyond the concept of merely enduring life's trials and tribulations, urging readers to thrive in the abundance that God promises. The book opens with a powerful exploration of what it means to be anointed by God. It delves into the biblical understanding of anointing, portraying it not as a static experience but as a dynamic living reality that deepens and expands in a walk of intimacy with God. The author skillfully illustrates that this anointing is not just for personal breakthroughs but is intended to flow through us, creating ripples of transformation in the world. Through the life of Jesus and other biblical examples, Overflowing Anointing demonstrates how we are called to be conduits of God's love, power, and grace. It emphasizes the responsibility that comes with this divine empowerment, highlighting the need for purity, integrity, and wholehearted devotion in our lives. This book is a clarion call to rise to a divine calling with faith and service. It encourages readers to seek God passionately for a fresh outpouring of His anointing, not for personal gain but for the benefit of a world in desperate need of His touch. The author urges readers to live lives that reflect and extend God's love, serving as beacons of light and agents of change. Overflowing Anointing is more than a book; it's a spiritual journey. It guides readers to cultivate hearts responsive to God's leading, lives surrendered to His will, and spirits attuned to His voice. It reassures readers of God's promise to carry on the good work He began in us to completion. Perfect for believers at any stage of their spiritual journey, this book is an invaluable resource for those seeking to understand their divine purpose and live a life marked by God's overflowing anointing. Overflowing Anointing: Living Beyond Survival is an invitation to step into a life not just lived but lived abundantly, overflowingly, and with eternal significance.
