Leadership, and Entrepreneurship in the Socio-Economic Development of Emerging Countries Ambassador Major-General Francis Adu-Amanfoh,2014-01-31 The works of contemporary global security and political analysts and experiences from todays highly industrialized nations conclude that the existence of peace and security effective and exemplary political leadership and sustained entrepreneurship are critical ingredients and catalysts for national socio economic development Certainly these ingredients have helped in building the nations of the developed world but how can these ingredients help the nations of the emerging world This book searches for a response and lessons to be learnt Hence the purpose of the book essentially is to examine the roles that peace and security political leadership and entrepreneurship can play in the sustainable socio economic development of emerging countries exemplified by sub Saharan Africa The book first reviews the nature of the emerging world discusses the subject matter in detail and concludes with a compendium of lessons to be learnt by primarily political leaders national security practitioners entrepreneurs and investors and academicians Books in Print ,1977 \$\$\$ the Entrepreneur Manager Daniel R. Hogan Jr.,2009-09-29 Too often business owners experience much difficulty in transitioning from founding entrepreneurs to working business managers They may possess extensive knowledge and skills in their industry and field yet have little awareness of the business of the business The everyday mundane operational monitoring and human relations skills are not what inspired and motivated them to launch their dream enterprise But the devil is in the details and these management necessities are what will keep the venture afloat and prospering Many businesses born of a feasible idea and a good market opportunity do not survive the start up launch and the subsequent entrepreneurial obstacles which never seem to go away They often remain in such a survival mode until failure No matter if they endure three five or ten years without a successful transition from entrepreneur to manager the ten years or so of experience is really only one year experience ten times over The Entrepreneur Manager The

Business Mans Business Plan will assist with this transition and the management functions of planning organizing leading and controlling all essential to manage a growing profitable business It is the entrepreneur managers business plan and hands on tool *Dreamer* Aman Anand Singh, *Dreamer* is a captivating account of Aman Anand Singh s remarkable journey from a young dreamer with a passion for technology to a visionary leader in the digital world Through this autobiography Aman shares his personal experiences insights and the lessons he has learned along the way The book delves into Aman s early years growing up in Pune Maharashtra and his formative experiences that shaped his entrepreneurial spirit It explores his educational journey at SRM University Kattankulathur Chennai where he discovered his passion for innovation and technology *Dreamer* chronicles the founding of Arise Point Iconic Insider and WikiEncyclopedia detailing the challenges and triumphs Aman faced in building these successful ventures It offers a behind the scenes look at Aman s leadership philosophy his approach to innovation and his vision for the future of the digital landscape Through *Dreamer* Aman Anand Singh invites readers to embark on a journey of inspiration and empowerment Whether you are an aspiring entrepreneur a technology enthusiast or simply someone looking for a story of perseverance and success *Dreamer* is sure to captivate and inspire you

Paperbound Books in Print 1995 Reed Reference Publishing, R5ference Reed, 1995-12 \$\$\$ the Entrepreneur's Guide to Start, Grow, and Manage A Profitable Business Daniel R. Hogan, Daniel R. Hogan Jr. Ph. D., 2011-05 The Entrepreneur s Guide To Start Grow and Manage a Profitable Business In his book *The Right Stuff* Tom Wolfe describes what it took for the early test pilots to succeed A career in flying was like climbing one of those ancient Babylonian pyramids made up of a dizzy progression of steps and ledges and the idea was to prove at every foot of the way that you were one of the elected and anointed ones who had the right stuff and could move higher and higher and even ultimately God willing one day that you might be able to join that special few at the very top that elite who had the capacity to bring tears to men s eyes the very brotherhood of the right stuff itself Although success as an entrepreneur launching a new business does not include feeling superior or facing death it does require that a person have a special set of qualities and skills with which to exercise good judgment make wise decision take calculated risk and get along with and lead others The *The Entrepreneur s Guide To Start Grow and Manage a Profitable Business* provides what it takes what is the right stuff for the successful entrepreneur The most successful entrepreneurs are not necessarily those who work hardest or longest Successful business owners are those who have a vision that can see beyond the bottom line who have learned to manage their professional and personal lives Making it with a new business venture requires all the traits of an entrepreneur as enumerated in *The Entrepreneur s Guide* as well as the knowledge skills and persistence to grow and withstand the stress ambiguity conflicting objectives emotions and chaos that comes with a new business effort Achieving this balance is what *The Entrepreneur s Guide* is about It will help you steer a path to guide you with the right stuff to the top of the pyramid of business success What Not To Do To Be A Successful Entrepreneur Nimish Desai, 2024-01-25 Unlock the secrets to entrepreneurial success with *What Not To Do*

your essential guide to navigating the complex world of business This book is not just a collection of advice it s a treasure trove of real life experiences distilled into powerful lessons by someone who s walked the path Why should you read this book Because it offers something invaluable wisdom born from mistakes and triumphs alike Each chapter unveils critical dos and don ts in business drawn from authentic scenarios It s like having a mentor who shares not only what to strive for but also what pitfalls to avoid With S M A R T Goal Worksheets the book ensures a hands on approach making it more than just a read it s a transformative experience From maintaining integrity to effect of ego on your decision making and balancing ambition with humility What Not To Do covers it all It s designed for aspiring entrepreneurs seasoned business owners and anyone in between who seeks to refine their entrepreneurial journey By embracing the insights within these pages you equip yourself to make smarter decisions foster stronger relationships and build a more successful professional life Dive into What Not To Do and transform your entrepreneurial dreams into reality one chapter at a time It s your key to unlocking a world of possibilities

Strategic Sparks: Igniting the Entrepreneur Within Md Abdullah Hil Kafi ,2025-04-21 Strategic Sparks Igniting the Entrepreneur Within is a powerful guide for aspiring and seasoned entrepreneurs alike designed to unlock the strategic mindset needed to build grow and sustain successful businesses Through eight comprehensive chapters this book explores the core principles of entrepreneurship from mastering the art of business strategy to developing resilient leadership fostering innovation and creating a lasting legacy With actionable insights real world examples and practical tools Strategic Sparks will inspire you to embrace challenges think beyond the immediate and ignite your entrepreneurial potential for lasting success Ready to light the fire within Your journey starts here **\$Economics, \$Entrepreneurship, \$Ethics** Daniel R. Hogan Jr. Ph.D.,2013-06-26 Economics Entrepreneurship Ethics three subjects one does not often see addressed in one book Yet upon reading and studying the different treatments an overlap can be perceived and the interrelation of the three becomes evident for a successful business The entrepreneur cannot live in isolation To be successful and start grow and manage a profitable business with sustainability he she must be cognizant of all the factors that may impact favorable and unfavorable the business In this regard a true internal locus of control a firm belief that if it is to be it is up to me must exist It is not enough to be expert in a particular line of business or trade One must know the business of the business In so doing a working knowledge of the environment in which the business is to survive is essential Besides the technical knowledge which may be necessary for operations and besides the sales and marketing acumen possessed the financial language of the business must be understood and constantly analyzed and monitored As does the economic conditions of the market industry country and the world for all will have an effect on the future and success of the venture Constant attention must be paid to government regulations and legislation Ethical considerations and behavior must always be in the forefront of decision making In the final analysis the true entrepreneur is all alone No matter how many key employees are hired business partners and investors are acquired advisors and consultants are made available the founder and perhaps the CEO

and COO for an extended period of time can never delegate ultimate responsibility. It is therefore necessary to always be working on the business and not simply working in the business. A business person, founder, owner, manager, entrepreneur certainly does not deal with economics, entrepreneurship, and ethics in isolation. They are interwoven and necessary for every productive decision made. This book, *Economics, Entrepreneurship, Ethics*, accompanying the others in the series *The Entrepreneur's Edge*, *Finding the Money*, *The Entrepreneur's Manager*, *The Business Man's Business Plan*, and *The Entrepreneur's Guide To Start, Grow, and Manage a Profitable Business*, helps to fill the tool box necessary for every entrepreneur and business manager. Entrepreneurship is based upon the same principles whether the entrepreneur is an existing large institution or an individual starting his or her new venture singlehanded. The rules are pretty much the same; the things that work and those that don't are pretty much the same, and so are the kinds of innovation and where to look for them. In every case, there is a discipline we might call Entrepreneurial Management. Peter Drucker
