Balance of Power Richard North Patterson, 2003-10-14 Richard North Patterson s masterful portrayals of law and politics at the apex of power have made him one of our most important writers of popular fiction Combining a compelling

narrative exhaustive research and a sophisticated grasp of contemporary society his bestselling novels bring explosive social problems to vivid life through characters who are richly imagined and intensely real Now in *Balance of Power* Patterson confronts one of America's most inflammatory issues the terrible toll of gun violence President Kerry Kilcannon and his fiancée television journalist Lara Costello have at last decided to marry But their wedding is followed by a massacre of innocents in a lethal burst of gunfire challenging their marriage and his presidency in ways so shattering and indelibly personal that Kilcannon vows to eradicate gun violence and crush the most powerful lobby in Washington the Sons of the Second Amendment SSA Allied with the President's most determined rival the resourceful and relentless Senate Majority Leader Frank Fasano the SSA declares all out war on Kerry Kilcannon deploying its arsenal of money intimidation and secret dealings to eviscerate Kilcannon's crusade and it hopes destroy his presidency This ignites a high stakes game of politics and legal maneuvering in the Senate the courtroom and across the country which the charismatic but untested young President is determined to win at any cost But in the incendiary clash over gun violence and gun rights the cost to both Kilcannon's may be even higher than he imagined And others in the crossfire may also pay the price the idealistic lawyer who has taken on the gun industry the embattled CEO of America's leading gun maker the war hero senator caught between conflicting ambitions the female senator whose career is at risk and the grief stricken young woman fighting to emerge from the shadow of her sister the First Lady The insidious ways money corrodes democracy and corrupts elected officials the visceral debate between gun rights and gun control advocates the bitter legal conflict between gun companies and the victims of gun violence a ratings driven media that both manipulates and is manipulated Richard North Patterson weaves these engrossing themes into an epic novel that moves us with its force passion and authority

 Visual Culture** Nilgun Bayraktar,Alberto Godioli,2024-10-24 Variously translated as estrangement enstrangement or
 defamiliarization Viktor Shklovsky s concept of ostranenie is more relevant than ever This collection offers new insights into
 the theories and practices of ostranenie across various languages and cultures with a particular focus on the 20th and 21st
 centuries Our current era is marked by a dramatic redefinition of the normal and the strange the familiar and the weird The
 rise of far right populism has increasingly normalized xenophobic and nativist stances previously confined to the fringes of
 the political spectrum Additionally the climate crisis has led to the ongoing renegotiation of the concepts of normalcy and
 emergency amid widespread efforts to adapt to the new ab normal Exploring defamiliarization provides a unique perspective
 to comprehend and question these processes and their profound cultural implications Focusing on ostranenie also offers
 valuable insights into how aesthetic forms serve a political function Defamiliarization can take on various forms including
 retro futuristic dystopias stylized films and darkly humorous cartoons and memes It can be an effective tool for political
 activation that relies on formal innovation rather than superficial emotional engagement This collection brings together the
 work of a group of scholars examining defamiliarization across different media It explores questions such as How can we
 differentiate between various forms of defamiliarization and analyze their effects on the reader viewer How is
 defamiliarization connected to the weird the eerie or the uncanny As a result the collection offers an updated theoretical
 framework for understanding the wide range of emergent artistic and literary practices of e n strangement in the current era
 and their significant political affordances Chapter 6 is available open access under a Creative Commons Attribution 4 0
