Identity and Communicative Competence in Spanish for Specific Purposes Alexis A. Vollmer Rivera, 2024-03-29 Identity and Communicative Competence in Spanish for Specific Purposes analyzes the experiences of three Spanish for specific purposes (SSP) students, offering insight into the intersectionality of society, politics, identity and linguistics in community-based settings. Analyses provide empirical evidence to a growing body of work about how experiential language learning (EX LL) enhances student preparation to utilize target languages in professional services. Ethnographic portraits and discourse analysis also illustrate how EX LL, such as internships, provides students with opportunities to position and protect their identities using linguistic and extralinguistic resources. Discussions are presented throughout the volume on how to implement EX LL from a critical perspective that supports students while mutually benefiting community members. Harnessing community members' stories to contextualize and illustrate the disparities U.S. Hispanic/Latinx communities face in accessing high-quality care and services, the volume proposes SSP as a form of advocacy to narrow this gap while simultaneously enhancing students' skills in Spanish. Designed for graduate

students educators researchers and program developers in SSP second language acquisition heritage language pedagogy and sociolinguistics this volume will prompt the reader to re imagine how language learning traverses society politics and identity in community based settings *El español en el mundo 2015* Varios autores, 2015-09-01 Con dieciocho a os desde su primera aparici n en 1998 el Anuario del Instituto Cervantes El espa ol en el mundo recaba informaciones demogr ficas y socioculturales de vital importancia para la comunidad cient fica y acad mica dedicada a estudiar la expansi n del espa ol en el mundo y su alcance en el contexto internacional como lengua de comunicaci n y de cultura Al cap tulo habitual de cifras 559 millones de usuarios potenciales del espa ol en todo el mundo 470 de ellos hispanohablantes nativos y el resto de usuarios de competencia limitada y aprendices de la lengua el Anuario examina la valoraci n de nuestro idioma como lengua extranjera y la relaci n de las matr culas ordinarias registradas en los centros del Instituto y de las espec ficas del Diploma de Espa ol como Lengua Extranjera En cuanto a sus estudios se refieren a la situaci n del espa ol en Internet y en las redes sociales el espa ol en los Estados Unidos donde residen m s de 54 millones de hispanohablantes y la situaci n del espa ol en el mundo del libro y en el del cine con atenci n particularizada a las exportaciones y traducciones Finalmente 2015 es el a o centenario de la segunda parte del Quijote Se abre con l un bienio que culminar en la conmemoraci n del cuarto centenario de la muerte de Miguel de Cervantes Para este Anuario 2015 se ha solicitado a un grupo de cervantistas destacados su visi n de temas y problemas que su lectura actual suscita La publicaci n cierra sus p ginas con el listado de centros y aulas Cervantes en el mundo en datos actualizados
