## **Effective Committee Service:**

*Effective Committee Service* Neil J. Smelser, 1993-08-10 Drawing on the author's extensive experience in the field this book demystifies the committee. It explains how to get on certain committees and avoid others how to get committee work done efficiently how to ensure that your views are properly represented how chairing a committee can help direct its outcome and how to use committees to advance your academic career Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments, 1993 Hearings, Reports and Prints of the House Committee on Armed Services United States. Committee, 2012-11-08 Drawing on reports from committees evidence from outside observers and academic research this report concludes that two years after the general election and the Wright reforms the evidence is broadly encouraging although committees face some obstacles and there is room for improvement The old doctrine by which ministers alone are accountable to Parliament for the conduct of their department is being stretched to implausibility and there is a need for a changed approach It recommends that the Government engage with the Liaison Committee in a review of the relationship between Government and select committees with the aim of producing joint guidelines for departments and committees which recognise ministerial accountability the proper role of the Civil Service and the legitimate wish of Parliament for more effective accountability The report also makes numerous recommendations for Committees including that they be forward looking in scrutiny of departmental performance devoting less effort to raking over the coals of past events unless there are lessons to be learnt give more attention to the financial implications of departmental policy and how departments assess the effectiveness of their spending experiment with different approaches to evidence taking broaden the range of witnesses and make more use of commissioned research follow up recommendations to ensure that reports have impact and report to the House at least once each Session on what has been done The Committee intends to ask the Backbench Business Committee for time for a debate in the House of Commons on a motion endorsing its conclusions and recommendations **Health Care**
