Public Relations and Media in Cooperatives: An Indian Perspective Sanjay Kumar Verma, 2019-09-01 At a time when effective communications has become the biggest issue confronting the cooperative movement globally the book delves into

the issues of Public Relations and Media in the context of cooperatives in India Being the largest cooperative movement in the world with significant achievements in various areas of socio economic activities the Indian cooperative movement faces a big challenge of image building which can enhance the profile of the cooperative movement and create awareness about the beneficial aspects of cooperative development amongst the general masses Against this backdrop the book is a timely endeavour to analyse the issues of public relations and media which have an important role in image building of the cooperative sector The book with a strategic orientation comes up with fresh perspectives so as to prepare a road map for strengthening the functioning of public relations and media in the working of cooperatives in India As communications is considered the weakest link in the functioning of the cooperative sector there is a strong realization that the cooperative movement in India cannot succeed without a vibrant public relations and media policy As the communication literature in the cooperative sector in India is scanty the book also fills a big void in enriching the subjects of public relations and media which are generally neglected The book deals with a wide gamut of vital issues like importance of public relations research in public relations media relations community media cooperative advocacy success stories strategic communications social media role of blogs and also some case studies related to public relations and media The book provides a refreshing referral benefit to students and teachers of public relations and media research scholars faculty members academicians practitioners and policy makers related to the cooperative sector in India and abroad

The Emergence and Scope of the Voice of Government Mordecai Lee,2023-03-21 Nowadays we all tend to be annoyed by bureaucracy and by propaganda if only because both touch our daily lives This book examines the intersection of those two subjects external communications emanating from government agencies When bureaucracies communicate with us directly or via the news media are we being bombarded with self serving propaganda or with helpful information to improve our lives Perhaps it is a mash up of both purposes This book examines the scope uses and history of government communications Topics of discussion include digital government disaster communication relations between the media and government agency spokespersons democratic reporting to the citizenry wartime public relations PR and how US presidents and the US Congress treated bureaucratic PR Several chapters are historical case studies such as about an astronaut who became US Assistant Secretary of State for Public Affairs In addition two chapters examine President Nixon s record while in a more light hearted vein another presents the pop culture image of government spokespersons in movies The book concludes with the origins of the academic study of external communications in public administration
