Ego Scriptor Cantilenae The Music Of Ezra Pound:

Edinburgh Companion to Ezra Pound and the Arts Roxana Preda, 2019-01-22 Showcases Ezra Pound's close involvement with the arts throughout his career. The present volume of new interdisciplinary scholarship investigates the arts with which Pound had a lifelong interaction including architecture, ballet, cinema, music, painting, photography, and sculpture. Divided into 5 historically and thematically arranged sections, the 28 chapters foreground the shifting significance of art forms throughout Pound's life, which he spent in London, Paris, Rapallo, and Washington. The Companion maps Pound's practices of engagement with the arts, deepening areas of study that have recently emerged, such as his musical compositions. At the same time, it opens up new fields, particularly Pound's interaction with the performing arts, opera, dance, and cinema. The volume demonstrates overall that Ezra Pound was no mere spectator of the modernist revolution in the arts; rather, he was an agent of change, a doer and promoter who also had a deep emotional response to the arts. Key Features: The first book to gather together all the different aspects of the subject of Pound and the arts. Chapters are devoted to topics never covered before: cinema, political anarchism, early music, Agnes Bedford, the artists Munch, Lekakis, Martinelli, Frampton. Presents the ways Pound's interests and activities in the arts change over time in a continuous story from his beginnings to his old age. Includes portraits of friendships and short biographies of artists connected to Pound, showing his personal impact in the arts world.

Ezra Pound, Poet Anthony David Moody, 2007 The long-awaited second volume of A. David Moody's acclaimed three-part biography. The *Epic Years* examines Pound's middle years, a period which was also his most productive. Ezra Pound: Poet A. David Moody, 2014-09-25 The long-awaited second volume of A. David Moody's critically acclaimed three-part biography of Ezra Pound weaves together the illuminating story of his life, his achievements as a poet and a composer, and his one-man crusade for economic justice. The years 1921-1939 were the most productive of Pound's career. In the 1920s, Paris, he was among the leading figures of the avant-garde, and in that ambience, he composed an opera, made original contributions to the theory of harmony, and wrote the first thirty cantos of his great epic. Moody explores this creativity in fascinating detail, examining the environment that allowed for some of Pound's greatest work. This period also brought Pound's politics firmly into view, and Moody is able to shed new light on his sympathy for Mussolini's Fascism, his invoking of Confucian China as a model of responsible government, and his abiding commitment to the democratic values of the American Constitution. Pound is revealed as a great poet and a flawed idealist, caught up in the turmoil of his darkening time and struggling, sometimes blindly and in error, and self-contradiction, to be a force for enlightenment. *Ezra Pound's Radio Operas* Margaret Fisher, 2002 In this study of Pound's radio operas of the 1930s, Margaret Fisher draws on the unpublished correspondence between Pound and his maverick BBC producer Edward Archibald Fraser Harding to reveal a little-known aspect of Pound's career. **The Ezra Pound Encyclopedia** Demetres P. Improvisation and the Making of American Literary Modernism Rob Wallace, 2010-10-14 Improvisation despite its almost ubiquitous presence in many art forms is notoriously misunderstood and mysterious Although earlier strands of American philosophy and art emphasized what might be called improvisational practices it was during the modernist period that improvisational practice and theory began to make a significant impact on art and culture specifically via the African American musical forms of jazz and blues This musical development held important consequences for the larger artistic cultural and political life of America as a whole and eventually the world The historical convergence of jazz and philosophical currents like pragmatism in American culture provides the framework for Wallace's discussion of improvisation in literary modernism Focusing on poets ranging from Gertrude Stein to Langston Hughes Wallace's work provides a fresh perspective on the complex circuits of modernist culture Improvisation and The Making of American Literary Modernism will be of interest to scholars of poetry music American and modernist studies and race and ethnic studies

Ezra Pound and the Career of Modern Criticism Michael Coyle, Roxana Preda, 2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even Time weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional

responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound's reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society
