Egypt, a Country Study Richard F. Nyrop, 1983 General study of Egypt covers history demographic aspects and geographical aspects social structure minority groups religious practices education health the economy agricultural sector agrarian reform industrial sector banking trade government politics international relations military service defence administration of justice includes texts of peace treaties with Israel Bibliography glossary maps organigram photographs statistical tables **Egypt, a Country Study** Helen Chapin Metz, 1991 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), *Area Handbook Series: Egypt: A Country Study*, 1991 **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 **The Struggle for Egypt** Steven A. Cook, 2013-03-21 A half century ago Egypt under Nasser became the putative leader of the Arab world and a beacon for developing nations Yet in the decades prior to the 2011 revolution it was ruled over by a sclerotic regime plagued by nepotism and corruption During that time its economy declined into near shambles a severely overpopulated Cairo fell into disrepair and it produced scores of violent Islamic extremists In The struggle for Egypt now with a new epilogue on the post Mubarak era noted regional specialist Steven A Cook provides a sweeping and incisive account of how this parlous state of affairs came to be why the revolution occurred and where Egypt might be headed next From p 4 of cover **Monthly Catalog of United States Government Publications**, 1998 **Index of Administrative Publications** United States. Department of the Army, 1979-05 *Understanding the Contemporary Middle East* Jillian Schwedler, Deborah J. Gerner, 2008 The third edition of *Understanding the Contemporary Middle East* includes two entirely new chapters one on religion and politics and one on the economies of the Middle East as well as a greatly expanded discussion of the 2003 invasion of Iraq In addition all of the chapters have been fully updated Maps photographs and tables of basic political data enhance the text which has already made its place as the best available introduction to the region [Military Publications](#) United States. Department of the Army, 1978 **Handbook Of Terrorism In The Middle East** Rohan Gunaratna, 2022-07-13 In the Middle East the world's deadliest organizations the Islamic State and al Qaeda have firmly established their presence in the Levant and the Gulf In parallel state sponsored Shia threat networks groups and cells notably the Lebanese Hezbollah and Houthis operate throughout the Middle East and beyond Exploiting the conflict zones and their cascading ideologies both the Sunni and Shia threat entities compete to advance their own interests Their parent and affiliate entities recruit and radicalise both territorial and diaspora Muslims to fight each other Unless governments work together to mitigate the threat at the core and the edge the Middle East and its peripheral territories in Asia and Africa will suffer from terrorism and political violence in the foreseeable future The response to extremism and its vicious by product terrorism requires both preventive intelligence led and pre emptive community based security approaches While developing tactical counter terrorism capabilities governments should build strategic capabilities to erode their support bases The new frontiers in counter

terrorism and extremism community engagement and rehabilitation should be integrated into government planning Unless governments take the lead and work with community leaders societies will be threatened by the existing and emerging wave of ideologically motivated violence Government and community leaders should develop whole of government and whole of nation approaches to dismantle transnational threats To contain isolate and eliminate the evolving threat the Middle Eastern states should shift from security cooperation to collaboration and partnership *The Political Economy of Crisis*

Management and Reform in Egypt Mahmoud Mohieldin, Hanan Amin-Salem, Amira El-Shal, Eman Moustafa, 2024-08-09 There is a significant discrepancy between the population of Egypt and the GDP of this country This book offers pragmatic policy prescriptions for Egyptian decision makers It provides a path forward and toward a better future for the Egyptian people The country faces challenges with household income social welfare productivity and many other markers of twenty first century economic success even vis vis other developing country peers This book focuses on framing the optimal macroeconomic policy agenda for Egypt in the face of the big global regional and national forces that are being accelerated intensified or changed by the COVID 19 crisis rather than on specific sectoral policy formulations The authors present these big questions in the context of showing how Egypt can best navigate the risks and seize the opportunities of the current period of intense flux and transition to put itself in the best possible position to create prosperity stability and hope for its citizens The authors examine to what extent the Egyptian authorities can fulfill their ambitious development plans and in producing this work to provide useful lessons that can be applied to other governments struggling to respond to the challenges of the age
