No Other Gods Robert Karl Gnuse, 1997-05-01 This is the first full scale assessment of the theological social and ideational implications of our new understandings of ancient Israel's social and religious development. Scholars now stress the gradual emergence of Israel out of the culture of ancient Palestine and the surrounding ancient Near East rather than contrast Israel with the ancient world. Our new paradigms stress the ongoing and unfinished nature of the monotheistic revolution which is indeed still in process today. Gnuse takes a further bold step in setting the emergence of monotheism in a wider intellectual context; he argues brilliantly that the interpretation of Israel's development as both an evolutionary and revolutionary process corresponds to categories of contemporary evolutionary thought in the biological and palaeontological sciences. *Punctuated Equilibrium*

THE CRAFTSMAN'S SYMBOLOGY ANTHONY MONGELLI, JR., 2013-07-13 The first book by Bro Anthony Mongelli Jr. This is the first in a three volume set that treats nine symbols and emblems of the first degree of Freemasonry: that of Entered Apprentice. This first volume, Book 1, discusses the circumpunct, the point within a circle, the twin pillars and the Masonic apron. The section on the circumpunct is perhaps the most exhaustive treatment of this astounding symbol. Bro Mongelli seeks after the significance that these symbols and emblems have had amongst diverse cultures across time, with an eye toward how those meanings may inform our own interpretation of them. This book is extensively researched, having referenced more than 160 works. Features a revised and expanded version of the essay *Some Words to Newly Made Masons*. Each chapter is thoroughly footnoted, features copious illustrations and a complete reference list.

Giordano Bruno and the Kabbalah Karen Silvia DeLeón-Jones, 2004-01-01 Giordano Bruno, 1548-1600, a defrocked Dominican monk, was convicted of heresy by the Roman Catholic Inquisition and burned at the stake in Rome. He had spent fifteen years wandering throughout Europe on the run from Counter Reformation intelligence and eight years in prison under interrogation. The author of more than sixty works on mathematics, science, ethics, philosophy, metaphysics, the art of memory, and esoteric mysticism, Bruno had a profound impact on Western thought. Until now, his involvement with Jewish mysticism has never been fully explored. Karen Silvia de León Jones presents an engaging and illuminating discussion of his mystical understanding and use of Jewish and Christian Kabbalah theology and philosophy, including the famous *Hermetica* and especially his exploration and use of magic to reveal the mysteries of the universe and the divine.

The Masks of Christ Lynn Picknett, Clive Prince, 2008-11-11 From the gnostic gospels to the Nativity religious mythology, immortalized Jesus, his personality, his actions, his words, but what if they didn't tell the truth? Although an entire religion is based on his teachings, Jesus himself did not record any written accounts of his life or faith. He taught his followers orally, and our only sources about what Jesus actually said and believed, the Gospels, were written long after his lifetime. But the Gospel authors had their own agendas to promote, and most certainly altered, even distorted, their leader's message. In *The Masks of Christ*, bestselling authors Lynn Picknett and Clive Prince peel

away layers of mythology canonical revisions Church propaganda and censorship in order to reveal who Christ really was and discover his true message to the followers of Christianity Stripping away centuries of misinformation Picknett and Prince dispel religious myths unearth historical truths and uncover the real stories behind some of the Bible's most famous tales including how Christ's long hidden relationships with John the Baptist and Mary Magdalene shaped his beliefs and religious mission Drawing on objective research Picknett and Prince present the living breathing Jesus and provide a context for Jesus' teachings in the time and society in which he lived and most important guidance on what the life and lessons of Jesus Christ mean to everyone today

When God Had a Wife Lynn Picknett, Clive Prince, 2019-12-10 Reveals the tradition of goddess worship in early Judaism and how Jesus attempted to restore the feminine side of the faith Provides historical and archaeological evidence for an earlier form of Hebrew worship with both male and female gods including a 20th century discovery of a Hebrew temple dedicated to both Yahweh and the warrior goddess Anat Explores the Hebrew pantheon of goddesses including Yahweh's wife Asherah goddess of fertility and childbirth Shows how both Jesus and his great rival Simon Magus were attempting to restore the ancient goddess worshipping religion of the Israelites Despite what Jews and Christians and indeed most people believe the ancient Israelites venerated several deities besides the Old Testament god Yahweh including the goddess Asherah Yahweh's wife who was worshipped openly in the Jerusalem Temple After the reforms of King Josiah and Prophet Jeremiah the religion recognized Yahweh alone and history was rewritten to make it appear that it had always been that way The worship of Asherah and other goddesses was now heresy and so the status of women was downgraded and they were blamed for God's wrath However as Lynn Picknett and Clive Prince reveal the spiritual legacy of the Jewish goddesses and the Sacred Feminine lives on Drawing on historical research they examine how goddess worship thrived in early Judaism and included a pantheon of goddesses They share new evidence for an earlier form of Hebrew worship that prayed to both male and female gods including a 20th century archaeological discovery of a Hebrew temple dedicated to both Yahweh and the goddess Anat Uncovering the Sacred Feminine in early Christianity the authors show how in the first century AD both Jesus and his great rival Simon Magus were attempting to restore the goddess worshipping religion of the Israelites The authors reveal how both men accorded great honor to the women they adored and who traveled with them as priestesses Jesus's Mary Magdalene and Simon's Helen But as had happened centuries before the Church rewrote history to erase the feminine side of the faith deliberately ignoring Jesus's real message and again condemning women to marginalization and worse Providing all the necessary evidence to restore the goddess to both Judaism and Christianity Picknett and Prince expose the disastrous consequences of the suppression of the feminine from these two great religions and reveal how we have been collectively and instinctively craving the return of the Sacred Feminine for millennia
