The Quest for Love Divine Paul W Chilcote, 2024-04-25 John Wesley's impact on

Methodist theology and practice is well established but there are many other early figures who shaped Methodism just as thoroughly Quest for Love Divine explores the contributions of Charles Wesley by exploring the impact of his lyrics on methodist worship and the importance of lyrical theology in the founding of Methodism Chilcote also examines the contributions of early Methodist women such as Dorothy Fisher Mary Taft and Sarah Crosby exploring how the Wesley brothers and their community sought to inhabit faith working by love leading to holiness of heart and life In his collection of essays Chilcote explores the salient themes of Wesleyan theology and practice and reflects on its legacy in the Wesley s time and in ours By focussing on the nature of their discipleship and the centrality of love divine Chilcote brings Wesleyan theology into sharp and practical focus [Guidelines for Leading Your Congregation 2013-2016 - Nominations and Leadership Development](#) General Board Of Discipleship,2012-11-01 The heart of local church ministry is in its lay leadership Identifying developing deploying and evaluating Christian spiritual leaders who serve from their strengths and gifts is a key to the life and vitality of the congregation This guideline is designed to help implement the work of the ministry area which is formerly known as Committee on Lay Leadership This is one of the twenty six Guidelines that cover church leadership areas including Church Council and Small Membership Church the administrative areas of Finance and Trustees and ministry areas focused on nurture outreach and witness including Worship Evangelism Stewardship and Christian Education age level ministries Communications and more To see a full list of Guidelines search by typing keywords Guidelines for Leading Your Congregation 2013 2016 and click search **Transforming Community** Henry H. **Transforming Evangelism** Henry H. Knight III,F. Douglas Powe Jr.,2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation Doors are shut hurriedly phone calls end abruptly and e mails left unanswered After all isn t this a task better handled by the pastor Perhaps it s time to reexamine John Wesley s model of evangelism as a full natural circle where it s a communal beginning point rather than a solitary end The central motive of authentic evangelism is Having received a message that s made all the difference in our lives we desire to share that message with others in the hope that it will transform their lives as well Wesley models an evangelism that reaches out and welcomes invites and nurtures and speaks to both head and heart Evangelism is about relationship the authors write How we are in relationship to God who is able to transform us into new beings How we are in relationship to our neighbor whom we must love like ourselves As one reviewer says Knight and Powe have given us a relational book They describe the deep connection between John Wesley s thoughts Charles Wesley s hymns scholarly thinking about evangelism and biblical understandings of the gospel all in relation to the needs concerns and hopes of everyday people Learn on your

Rankin,2011-11-11 It seems that much of American Christianity has lost sight of the goal of growing to maturity in Christ This loss of vision has had serious consequences for the quality of our witness and ministry In *Aiming at Maturity* Steven W Rankin seeks to bring back into focus key qualities of spiritual maturity and summarizes important biblical passages to show the scriptural foundations that call for spiritual maturity Rankin also addresses certain tendencies in popular Christian culture to reduce doctrinal truths to sound bites with the laudable but counterproductive goal to make doctrine memorable therefore applicable Thinking more expansively about certain key doctrines related to the work of Christ and the impact of grace contributes to growth toward maturity in a way that popular descriptions of these doctrines do not Finally Rankin also challenges readers to consider the important role of emotions in developing Christlike dispositions which contribute toward producing the fruit of a mature Christian life By looking at relevant modern research *Aiming at Maturity* shows the inherent connection between thoughts and feelings that draw us closer to the actual biblical description of the heart      **From Aldersgate to Azusa Street** Henry H.
