Running IT Like a Business Robert Kress,2011-10-18 With clear strategies helpful diagrams and real life examples this book will give you the keys to unlocking your IT function s hidden potential **The Effective Executive** Peter F. Drucker,2017-01-24 A handsome commemorative edition of Peter F Drucker s timeless classic work on leadership and management with a foreword by Jim Collins What makes an effective executive For decades Peter F Drucker was widely regarded as the dean of this country s business and management philosophers Wall Street Journal In this concise and brilliant work he looks to the most influential position in management the executive The measure of the executive Drucker reminds us is the ability to get the right things done This usually involves doing what other people have overlooked as well as avoiding what is unproductive Intelligence imagination and knowledge may all be wasted in an executive job without the acquired habits of mind that mold them into results Drucker identifies five practices essential to business effectiveness that can and must be mastered Managing time Choosing what to contribute to the organization Knowing where and how to mobilize strength for best effect Setting the right priorities Knitting all of them together with effective decision making Ranging across the annals of business and government Drucker demonstrates the distinctive skill of the executive and offers fresh insights into old and seemingly obvious business situations **The Effective Executive's Guide to Managerial Excellence** George S. Odiorne,1983 C-Suite Executives' Guide to Success Lindsey Hayzlett,Mitchell Levy,2018-11-05 Are you a C Suite Executive If yes then this book is just for you C Suite Executive s Guide to Success is created to help C Suite Executives overcome the difficulties of being a leader and guide them toward success The Effective Executive in Action Peter F. Drucker,Joseph A. Maciariello,2005-12-02 The Effective Executive in Action is a journal based on Peter F Drucker s classic and preeminent work on management and effectiveness The Effective Executive Here Drucker and Maciariello provide executives managers and knowledge workers with a guide to effective action the central theme of Drucker s work The authors take more than one hundred readings from Drucker s classic work update them and provide provocative questions to ponder and actions to take in order to improve your own work Also included in this journal is a space for you to record your thoughts for later review and reflection The Effective Executive in Action will teach you how to be a better leader and how to lead according to the five main pillars of Drucker s leadership philosophy *The Effective Executive* Peter Drucker,2018-03-09 The measure of the executive Peter Drucker reminds us is the ability to get the right things done Usually this involves doing what other people have overlooked as well as avoiding what is unproductive He identifies five talents as essential to effectiveness and these can be learned in fact they must be learned just as scales must be mastered by every piano student regardless of his natural gifts Intelligence imagination and knowledge may all be wasted in an executive job without the acquired habits of mind that convert these into results One of the talents is the management of time Another is choosing what to contribute to the particular organization A third is knowing where and how to apply your strength to best

effect Fourth is setting up the right priorities And all of them must be knitted together by effective decision making How these can be developed forms the main body of the book The author ranges widely through the annals of business and government to demonstrate the distinctive skill of the executive He turns familiar experience upside down to see it in new perspective The book is full of surprises with its fresh insights into old and seemingly trite situations **The Effective Executive** Peter F. Drucker, 2007 Specific examples of business successes and failures serve to illustrate the essential practices of effective administration 17 Sutras of Highly Effective Executives Henry Priest, 2016-07-14 The Definitive Guide on Being Highly Effective and Impactful as Executives *The Effective Executive* Peter Ferdinand Drucker, 2011

What Makes an Effective Executive Peter F. Drucker, 2017 An effective executive does not need to be a leader in the typical sense of the word Peter Drucker the author of more than two dozen Harvard Business Review articles wrote that some of the best business and nonprofit CEOs he worked with over his 65 year consulting career were not stereotypical leaders They ranged from extroverted to nearly reclusive from easygoing to controlling from generous to parsimonious What made them all effective is that they followed the same eight practices They asked What needs to be done and What is right for the enterprise They developed action plans They took responsibility for decisions and for communicating They were focused on opportunities rather than problems They ran productive meetings And they thought and said we rather than I The first two practices provided them with the knowledge they needed The next four helped them convert this knowledge into effective action for knowledge is useless to executives until it has been translated into deeds The last two ensured that the whole organization felt responsible and accountable Effective executives know that they have authority only because they have the trust of the organization This means they must think of the needs and opportunities of the organization before they think of their own Drucker also suggests a ninth practice that is so important he elevates it to the level of a rule Listen first speak last Effectiveness is a discipline And like every discipline it can be learned and must be earned The Business Executive Horace Robert Light, 1969 **The Executive's Guide to Dynamic Business Leadership**, 1978 *The Next Level, 3rd Edition* Scott Eblin, 2018-10-30 REVISED AND UPDATED 3RD EDITION Drawing on the secrets of a top executive coach The Next Level is an indispensable guide to executive success full of simple practical and immediately applicable insights and tools for leaders who need to get bigger and better results For more than a decade The Next Level has been an indispensable guide to executive success It reads like a series of conversations with a trusted coach who has brought together a cadre of successful senior leaders to deliver a master class on executive level best practices This practical actionable guide to success at the executive level helps readers understand what they need to pick up and let go of to achieve the results that are expected at the next level Along with simple and immediately applicable tools and frameworks he's road tested with thousands of coaching clients Eblin offers clear practical advice reinforced by interviews and case studies from executives who know what it takes to succeed With fresh insights throughout this 3rd edition will help readers sustain their

success over the long run with new information on how to develop a personal action plan for leading at their best by living at their best NEW TO THIS EDITION 1 Updated Introduction and Afterword 2 New insights on leadership effectiveness gleaned by the author since the 2nd edition 3 A completely revised chapter 3 with new guidance on creating a Life GPS personal action plan 4 New and updated Coachable Moment tools including the TRACK Model of Effective Delegation 5 A revised appendix with the latest approach to creating a self directed Executive Success Plan ESP **Fastbreak** John R.

Childress,2013-01 A unique synthesis of how to philosophy principles of effective leadership and case study examples to help the CEO and business leader improve their organization s ability to deliver on their strategy and business promises FASTBREAK is filled with breakthrough thinking that is practical and applicable in any industry and any organization private or public This is clearly a book for the CEO and business leader As Childress states strategy is a contact sport and from my experience successful strategy execution requires consistent dedication to detail communication and a willingness to modify as conditions warrant You will find it all in this highly useful book Robert Dangremond Alix Partners This book is the best synthesis on strategy execution I have read It gives the CEO a sure fire process to effectively engage the executive team in executing the strategic intent including principles templates examples and most importantly tips to avoid costly mistakes Frank Tempesta former President and CEO Textron Systems Corp While a turnaround is one of the most challenging and stressful of business situations it is also one of the most rewarding to see good people take control of their business again and create a sustainable future The principles described in FASTBREAK The CEO s Guide to Strategy Execution are solid and sound as is the advice processes and templates A complete synthesis for the CEO Joe Bione President The Whitehall Group
