Effective Methods Of Teaching Social Studies:

Methods Of Teaching Social Studies B.V. Kumari, 2004 Contents Teaching of the Subject Concept and Scope The Socialisation Part of National Curriculum Aims and Objectives Significance of the Motives Teaching Methods Project Methods Problem Method Role of Technology Micro teaching Learning by Programme Teaching Aids Significance of Dalton Plan Curriculum Course Selection Textbooks and Material The Examination Lesson Planning Art of Questioning Dealing with Topics *Effective Teaching in Elementary Social Studies* Tom V. Savage, David G. Armstrong, 2008 *Effective Teaching in Elementary Social Studies* focuses on the importance of social studies in the preparation of individuals for their role in a free society The text takes the approach that it is important for students to be actively engaged in learning about their social world Approaching social studies as active learning holds the potential to help social studies become one of the most popular parts of the curriculum In addition the text recognizes that many new teachers need specific guidance in helping them achieve success Accordingly this text includes specific descriptions of teaching approaches and includes a wealth of lesson plan ideas Publisher description **Effective Methods Of Teaching Social Studies** Dr. S. Paul, 2003-01-01 **Teaching Social Studies** S. G. Grant, John Lee, Kathy Swan, 2017-05-01 *Teaching Social Studies A Methods Book for Methods Teachers* features tasks designed to take preservice teachers deep into schools in general and into social studies education in particular Organized around Joseph Schwab's commonplaces of education and recognizing the role of inquiry as a preferred pedagogy in social studies the book offers a series of short chapters that highlight learners and learning subject matter teachers and teaching and school context The 42 chapters describe tasks that the authors assign to their methods students as either in class or as outside of class assignments The components of each chapter are Summary of the task Description of the exercise i.e. what students are to do the necessary resources the timeframe for completion grading criteria Description of how students respond to the activity Description of how the task fits into the overall course List of readings and references Appendix that supplements the task description **Teaching of social studies** S. K. Kochhar, 2000 **Modern Methods of Teaching Social Studies** Tara Chand Sharma, 2002 *Teaching of Social Studies* Y.K. Singh, **Teaching Social Studies that Matters** Stephen J. Thornton, 2005 No plan to increase achievement and enact reform in the social studies classroom will succeed without recognizing the central importance of the teacher as the gatekeeper of instruction In this book Thornton details why teachers must develop strong skills in curriculum planning and teaching methods in order for effective instruction to occur Thornton helps teachers to develop a vision of their practice that will build strong social studies programs and inspire students to learn Features An approach to preparing purposeful teachers acknowledging that teachers make daily decisions concerning what to teach and how to teach it Replicable examples of the kinds of reflective practice that will enable teachers to animate classroom instruction and create a dynamic social studies curriculum An analysis of how teachers adapt and shape state and district level curricula and classroom materials to fit the specific needs of their students

a model of how to develop an instructional program with suggestions for lesson planning In depth examinations of alternative ways of educating teachers in subject matter and teaching methods In this important book Steve Thornton brings a Deweyan perspective to current problems in social studies education He does more however because his analysis can be extended profitably to every subject in the curriculum From the Foreword by Nel Noddings A thoughtful and carefully documented analysis Let us hope that this book encourages a richer dialogue than the now tedious and generally unproductive separate disciplines v integrated social studies debate Linda S Levstik University of Kentucky Lexington A refreshingly clearheaded historically grounded altogether enlightening analysis This is the book I ve been waiting for Walter Parker University of Washington
