Egypt Through The Eyes Of Travellers

Sabine Herrmann

Egypt Through The Eyes Of Travellers:

Egypt Through the Eyes of Travellers Paul Starkey, Nadia El-Kholi, 2002 This is the final volume of three books containing papers from the ASTENE conference at Cambridge in 1999 The theme of this title is the 18th and 19th Century European fascination with Egypt This interest had begun during the Enlightenment and was fuelled by the invasion of Egypt by Napoleon in 1798 For many Europeans of this age Egypt represented all the exoticism sensuality and mystery of the Orient and these nine papers one of which is in French seek to explore this relationship Contents A public pageant in 1806 Lord Valentia visits Egypt Deborah Manley Berths under the Highest Stars Henry William Beechey in Egypt 1816 1819 Patricia Usick Florence Nightingale's Letters from Egypt Loubna Youssef Preparing to be an Egyptologist Amelia Edwards before 1873 Joan Rees Rameses III Giovanni Belzoni and the Mysterious Reverend Browne Penelope Wilson A House a museum and a legend Bait al Kretliya The Gayer Anderson Mummy Iain Gordon Brown Silent travellers articulate mummies Mummy Pettigrew and the Discourse of the Dead Sahar Sobhi Abdel Hakim Les detours fictionnels du recit de voyage Le Nil Egypte et Nubie de Maxime du Camp Veronique Magri Mourges *Tourism in Egypt Through the Ages* Charlotte Booth, 2024-05-30 Let's go on a journey through 5 000 years of tourism in Egypt starting with the pre 2011 economic height back through the Thomas Cook cruises in the nineteenth century to the ancient Egyptians themselves making journeys down the Nile to visit Abydos and Memphis on pilgrimage or to travel for work while tourism itself is a new concept exploring the local and not so local environment is almost hardwired into human nature And considering the Giza pyramids were a thousand years old at the time of Ramses II there would have been many wonderful things to see This book explores the tourism industry and its development from selling amulets at ancient temples through manufacturing mummies for tourists to buy to adventure trips in the modern day As numbers of visitors increased so did the business of tourism including refreshments accommodation guided tours and souvenirs This book will provide a comprehensive introduction to Egypt and its attraction to tourists from the pharaonic period to the modern day while thousands of years separate us the evidence shows many traveled for the same reasons people do today **Travellers in Ottoman Lands** Ines Asceric-Todd, Sabina Knees, Janet Starkey, Paul Starkey, 2018-07-13 This splendidly illustrated book focuses on the botanical legacy of many parts of the former Ottoman Empire including present day Turkey the Levant Egypt the Balkans and the Arabian Peninsula as seen and described by travellers both from within and from outside the region *Who Was Who in Egyptology* Morris L. Bierbrier, 2021-12-31 The civilization of ancient Egypt has been a source of fascination for explorers and scholars for centuries and has occupied a special place in the imagination of the public ever since early travellers descriptions and illustrations of the strange culture of temples tombs and hieroglyphs began to circulate around the world The story of Egyptology from a hobby for the educated and wealthy to a highly formalized academic discipline provides the key to understanding how and why we know what we know about ancient Egypt This biographical dictionary tells the stories of the most important contributors and will be an

indispensable reference tool for scholars and enthusiasts alike *Who Was Who in Egyptology* remains one of the most important reference works for understanding the characters that contributed to the field of Egyptology and Egyptian archaeology from the Napoleonic invasion of Egypt through to the present day The fifth edition bring entries up to 2019 and is expected to be the last volume produced in print

The Reception of Ancient Egypt in Venice, 1400-1800 Sabine Herrmann, 2024-06-04 This book examines for the first time how ancient Egypt is reflected in early modern Venetian sources As a center of the printing industry Venice was an important hub for the accumulation and dissemination of direct information on the Near East and the Levant Therefore ancient Egypt played a significant role in the cultural memory of Venice due to the lagoon city's religious and mercantile orientation towards the East The book explores how the acquisition selection and interpretation of Egyptian objects took shape in Venice and which actors were involved in the circulation of knowledge about ancient Egypt Venice can be used as a lens through which to understand the reception of ancient Egypt in the early modern period Meaningful and partly unpublished sources from primarily Italian archives highlight the visual imagination of ancient Egypt and its lexicographical codification The author draws upon these sources to examine the Venetian image of ancient Egypt in the early modern period and the epistemic change that accompanied it

Two Months on the Nile Stephen Boys Smith, 2025-06-26 British Consul with a long standing interest in archaeology Thomas Sandwith's account of his two months travelling in Egypt provides a valuable new primary source on a dynamic period in Egyptian history In January 1893 he began a diary in which he recorded his journey on the Nile aboard a dahabiya Possessing a keen interest in antiquities and experience in acquiring them during his consular career he recounts visiting newly discovered archaeological sites and meetings with Egyptologists providing a unique snapshot of the golden age of Egyptology His astute descriptions of his journey from Cairo to Aswan and back give a vivid new perspective on the growth of European tourism in British occupied Egypt and early Egyptian industry Sandwith's decades long interest in archaeology and familiarity with the Levant mean this diary until now on the long hand pages as he wrote them on the boat is thus unique among contemporary travel accounts It is a valuable primary source for scholars interested in the history of the British in the Middle East the history of travel in the Middle East and the history of archaeology and Egyptology

American Travelers on the Nile Andrew Oliver, 2015-01-01 The Treaty of Ghent signed in 1814 ending the War of 1812 allowed Americans once again to travel abroad Medical students went to Paris artists to Rome academics to Göttingen and tourists to all European capitals More intrepid Americans ventured to Athens to Constantinople and even to Egypt Beginning with two eighteenth century travelers this book then turns to the 25 year period after 1815 that saw young men from East Coast cities among them graduates of Harvard Yale and Columbia traveling to the lands of the Bible and of the Greek and Latin authors they had first known as teenagers Naval officers off ships of the Mediterranean squadron visited Cairo to see the pyramids Two groups went on business one importing steam powered rice and cotton mills from New York the other exporting giraffes from the

Kalahari Desert for wild animal shows in New York Drawing on unpublished letters and diaries together with previously neglected newspaper accounts as well as a handful of published accounts this book offers a new look at the early American experience in Egypt and the eastern Mediterranean world More than thirty illustrations complement the stories told by the travelers themselves [Egyptian Gothic](#) Jay Sullivan,2025-07-13 The Egyptian Gothic consists of novels and short stories about ancient Egyptian mummies returning to life to seek retribution or romance as well as cursed object tales Now mostly forgotten from the 1880s through to the 1920s it was more popular than the vampire genre This book is the first to examine the genre by using the frequent sensory descriptions within these texts to interrogate attitudes towards Empire Its aims are twofold Firstly it demonstrates that despite their status as disposable popular fiction these texts are rich in sensory discourses that have thus far been unexamined Secondly reading these discourses of touch sight smell sound and taste reveals new and intriguing ways in which Egypt is allowed to strike back against the British Empire The book argues that the Egyptian Gothic does not support the domination of Empire but instead presents a power dynamic in flux with the mummy fighting back against Western occupation Egypt and its artefacts evoke simultaneous feelings of fear and desire where those who meddle by invading tombs or stealing mummies are destroyed by Egyptian revenants **Pious Pilgrims, Discerning Travellers, Curious Tourists: Changing Patterns of Travel to the Middle East from Medieval to Modern Times** Paul Starkey,Janet Starkey,2020-11-12 This volume comprises a varied collection of seventeen papers presented at the biennial conference of the Association for the Study of Travel in Egypt and the Near East ASTENE held in York in July 2019 which together will provide the reader with a fascinating introduction to travel in and to the Middle East over more than a thousand years [The Life of Margaret Alice Murray](#) Kathleen L. Sheppard,2013-08-01 The Life of Margaret Alice Murray A Woman s Work in Archaeology is the first book length biography of Margaret Alice Murray 1863 1963 one of the first women to practice archeology Despite Murray s numerous professional successes her career has received little attention because she has been overshadowed by her mentor Sir Flinders Petrie This oversight has obscured the significance of her career including her fieldwork the students she trained her administration of the pioneering Egyptology Department at University College London UCL and her published works Rather than focusing on Murray s involvement in Petrie s archaeological program Kathleen L Sheppard treats Murray as a practicing scientist with theories ideas and accomplishments of her own This book analyzes the life and career of Margaret Alice Murray as a teacher excavator scholar and popularizer of Egyptology archaeology anthropology linguistics and more Sheppard also analyzes areas outside of Murray s archaeology career including her involvement in the suffrage movement her work in folklore and witchcraft studies and her life after her official retirement from UCL **A Handbook for Travellers in Egypt** John Murray (Firm),1875 [Tea on the terrace](#) Kathleen L. Sheppard,2022-08-09 Tea on the terrace takes the reader on a journey up and down the Nile with famous archaeologists and Egyptologists Spending time with these fascinating men and women at their hotels and on their boats the book reveals that a

great deal of archaeological work took place away from field sites and museums Arriving in Alexandria travellers such as Americans Theodore Davis Emma Andrews and James Breasted and Britons Wallis Budge Maggie Benson and Howard Carter moved on to Cairo before heading south for Luxor the site of the Ancient Egyptian city of Thebes The book follows them on their journey listening in on their conversations and observing their activities Applying insights from social studies of science it reveals that hotels in particular were crucial spaces for establishing careers building and strengthening scientific networks and generating and experimenting with new ideas Combining archaeological tourism with the history of Egyptology and drawing on a wide array of archival materials Tea on the terrace takes the reader behind the scenes of familiar stories showing Egyptologists activities in a whole new light "A" Handbook for Travellers in Egypt John Gardner Wilkinson,1875

A Handbook for Travellers in Lower and Upper Egypt John Murray (Firm),1891 *Autobiography and the Construction of Identity and Community in the Middle East* NA NA,2016-04-30 Ranging from the early modern period to the present day this edited collection uses biography as a window into the history of the Arab Islamic Middle East The contributors reinterpret the lives of the famous such as George Antonius and Doria Shafiq and rediscover the lives of individuals previously consigned to the margins of history including the notorious individuals of 17th century Syria and the 20th century Palestinian activist Kulthum Auda The book also draws on the biographical tradition of Arab historical writing including biographical dictionaries for an understanding of the region s social and cultural history Interdisciplinary in scope and theoretically informed this volume brings to light individual lives which are essential to an understanding of Middle Eastern history **Literature of Travel and Exploration** Jennifer Speake,2014-05-12 Containing more than 600 entries this

valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website *A Handbook for Travellers in Egypt* Anonymous,2023-10-20 Reprint of the original first published in 1875 **A**

Handbook for Travellers in Egypt John Murray,2024-01-27 Reprint of the original first published in 1875 Economic Aid and American Policy toward Egypt, 1955-1981 William Joseph Burns,1985-01-01 Gamal Abdel Nasser s 1955 decision to barter Egyptian cotton for Soviet bloc weaponry thrust Egypt onto center stage in the Cold War in the Middle East What Egypt needed most and what the United States was uniquely equipped to provide was economic aid For the Egyptian government eager to take rapid strides toward economic development but crippled by a burgeoning population a paucity of

arable land and a meager reserve of foreign exchange American economic aid promised to serve as an enormously important crutch For American policymakers economic assistance appeared to be an ideal means of developing American influence in Egypt Few aid relationships in the last three decades can match the drama and significance of the U S Egyptian experience This study shows how the American government attempted to use its economic aid program to induce or coerce Egypt to support U S interests in the Middle East in the quarter century following the 1955 Czech Egyptian arms agreement William J Burns has analyzed recently released government documents and interviews with former policymakers to throw light on the use of aid as a tool of American policy toward the Nasser regime He also offers valuable observations on the role of the American economic assistance program in the Sadat era

Cook's Tourists' Handbook for Egypt, the Nile, and the Desert Thomas Cook (Firm),1897

Egypt Through The Eyes Of Travellers Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has are more evident than ever. They have the capability to inspire, provoke, and ignite change.
