Il'in-Tomič, Alexander Ilin-Tomich, 2023 The Late Middle Kingdom and the Second Intermediate Period were the heyday for scarab seals with names in Ancient Egypt During this time names of kings and non royal individuals occur on hundreds of scarabs and their impressions making scarabs one of the primary groups of written sources for the period This book explores research paths opened by confronting the textual evidence provided by scarabs with the stylistic and typological traits observable on them in an effort to recontextualize these miniature decorative objects most of which stem from mass scale undocumented plundering in the late 19th and early 20th century The book takes a new perspective on scarab production in Egypt showing that different types of scarabs were produced concurrently and the production of scarabs was not limited to a single centre at a given period It amends the methodology of studying Middle Bronze Age scarabs in Egypt to acknowledge that artisans purposefully reproduced certain scarab styles The study contributes to the ongoing discussions on the chronology of the Second Intermediate Period Egypt's interconnections with the Levant and the role of foreigners in Egypt in the Middle Kingdom [Scarabs](#) Isaac Myer, 2022-05-29 In Scarabs Isaac Myer intricately weaves a narrative that merges historical fiction with profound explorations of cultural identity and existential themes Set against the backdrop of ancient Egypt the novel employs a rich descriptive prose style that immerses the reader in a vivid landscape teeming with symbolism and mythology Myer deftly critiques contemporary societal issues through the lens of powerful characters compelling dialogue and a nonlinear storyline that invites reflection on time and memory echoing the complexities of human experience Isaac Myer is a multifaceted scholar and writer influenced by his deep seated interest in the intersections of archaeology history and literature Drawing on his expertise in ancient civilizations and their narratives Myer's passion for unraveling the threads of the past inspired him to create Scarabs This work reflects his commitment to bridging the gap between ancient cultures and modern understandings making the past resonate with contemporary audiences Scarabs is a must read for enthusiasts of historical fiction and those interested in the rich tapestry of human experience Myer's masterful storytelling not only entertains but also prompts readers to question their own histories and identities This profound exploration of interconnectedness will leave an indelible mark on your literary journey *An essay*
