Egypt and the United Nations, 1945-2000 ,2001 **Role Theory in the Middle East and North Africa** Yasemin Akbaba,Özgür Özdamar,2019-05-15 Since December 2010 a series of uprisings revolutions coups and civil wars have shaken up the Middle East and North Africa region In this chaotic political environment several countries have been trying to influence this regional transformation The implications of this transformation are of great importance for the region its people and global politics Using a rich combination of primary and secondary sources elite interviews and content analysis Yasemin Akbaba and zg r zdamar apply role theory to analyze ideational e g identity religion and material e g security economy sources of national role conceptions in Egypt Iran Saudi Arabia and Turkey The authors take a closer look at the transformation of these four powers foreign policies since the beginning of Arab uprisings with a specific focus on religion Each case study is written to a common template allowing for clear comparative analyses Written in a clear and accessible style Role Theory in the Middle East and North Africa offers a thought provoking and pioneering insight into the usefulness of role theory in foreign policy making in the developing world The perfect combination of theoretically oriented and empirically rich analysis make this volume an ideal resource for scholars and researchers of International Relations Foreign Policy Middle East Politics and International Security **The Demographic Revolution in Modern Egypt** Warren C. Robinson,Fatma H. El-Zanaty,2006-01-01 The Demographic Revolution in Modern Egypt tells the dramatic story of Egypt s transition in the last two decades from staggeringly high to low fertility and mortality rates Scholars Warren C Robinson and Fatma H El Zanaty especially delve into the reasons for the decline in fertility including the relative success of Egypt s recent public initiatives in family planning Robinson and El Zanaty compellingly show the importance of continued demographic stability in Egypt for that nation the Middle East and indeed the world The authors point to Egypt s optimistic progress as a model for other countries facing out of control birthrates wreaking havoc with economic and social development

International Politics ,1956 External Research. ER List United States. Department of State. External Research Division,1958 Middle East United States. Department of the Army,1965 Egypt From Monarchy To Republic Shimon Shamir,2021-11-28 An examination of the extent to which Nasser s 1952 coup d etat brought about significant changes in the basic social political and cultural structures of Egypt **External Research List** ,1959 **Unpublished Research on Near East Completed and in Progress** ,1953 *Redefining the Egyptian Nation, 1930-1945* Israel Gershoni,I. Gershoni,James P. Jankowski,2002-08-08 The authors examine the emergence of nationalism among the Egyptian middle class during the 1930s and 1940s and its growing awareness of an Arab and Muslim identity Previously Egypt did not define itself in these terms but adopted a territorial and isolationist outlook It is the revolutionary transformation in Egyptian self

understanding which took place during this period that provides the focus of this study The authors demonstrate how the growth of an urban middle class combined with economic and political failures in the 1930s eroded the foundations of the earlier order Alongside domestic events the momentum of Arabism abroad and the impact of events in Palestine necessitated Egyptian regional involvement Egypt's present position as a major player in Arab Muslim and Third World affairs has its roots in the fundamental transition of Egyptian national identity at this time

Egypt's Diplomacy in War, Peace and Transition Nabil Fahmy, 2020-01-20 Written from the perspective of an insider of the most prominent events in the Middle East over the last fifty years this book examines Egypt's diplomacy in transformative times of war peace and transition The author offers unique insights first hand information singular documents critical and candid analysis as well as case studies richly sharing his experiences as the country's Foreign Minister and ambassador This project covers a wide range of issues including the Arab Israeli peace process the liberation of Kuwait the invasion of Iraq nuclear weapons proliferation in the region relations with the United States Russia and other major international and regional players Most importantly it offers a series of potential trajectories on the future of Egypt and its relations within the region and the world This is an essential work for a number of audiences including scholars graduate students researchers as well as policy makers and is strongly appealing for anyone who is interested in international relations and Middle Eastern politics
