François Boucher and the Art of Collecting in Eighteenth-Century France Jessica Priebe, 2021-11-29 While earlier studies have focused predominantly on artist François Boucher's artistic style and identity this book presents the first full length interdisciplinary study of Boucher's prolific collection of around 13 500 objects including paintings sculpture prints drawings porcelain shells minerals and other imported curios It discusses the types of objects he collected the networks through which he acquired them and their spectacular display in his custom designed studio at the Louvre where he lived and worked for nearly two decades This book explores the role his collection played in the development of his art his studio his friendships and the burgeoning market for luxury goods in mid eighteenth century France In doing so it sheds new light on the relationship between Boucher's artistic and collecting practices which attracted both praise and criticism from period observers The book will appeal to scholars working in art history museum studies and French history **Keyboard**

Instruments in Eighteenth-century Vienna C. R. F. Maunder, 1998 Although eighteenth century Viennese keyboard music especially by such composers as Haydn Mozart and Beethoven is among the most popular ever written there has been surprisingly little serious research into the instruments for which it was composed Consequently myths and guesses abound while accurate and reliable information is hard to come by This book fills that gap Based on evidence from primary source material much of it previously undiscovered or neglected Maunder traces the history and development of the various keyboard instruments available in Vienna throughout the eighteenth century harpsichords clavichords and pianos and their use by composers and performers There are detailed descriptions of many surviving Viennese instruments several of which have only recently come to light contemporary newspaper advertisements for over 1200 keyboard instruments are reproduced in the original German as well as in English translation and an alphabetical list of eighteenth century Viennese makers includes much newly discovered biographical information as well as some previously unknown names **Official**
