Eighteenth Century Catalogues Of The Yale College Library:

Eighteenth-century Catalogues of the Yale College Library James E. Mooney, 2001 Explore the early Yale College collection of catalogs *A Catalogue of Books in the Library of the College of New Jersey, January 29, 1760* Princeton University. Library, 1760 **America's Philosopher** Claire Rydell Arcenas, 2024-05-31 America's Philosopher examines how John Locke has been interpreted, reinterpreted, and misinterpreted over three centuries of American history. The influence of polymath philosopher John Locke 1632-1704 can still be found in a dizzying range of fields as his writings touch on issues of identity, republicanism, and the nature of knowledge itself. Claire Rydell Arcenas's new book tells the story of Americans' longstanding yet ever mutable obsession with this English thinker's ideas, a saga whose most recent manifestations have found the so-called Father of Liberalism held up as a right-wing icon. The first book to detail Locke's trans-Atlantic influence from the eighteenth century until today, *America's Philosopher* shows how and why interpretations of his ideas have captivated Americans in ways few other philosophers from any nation ever have. As Arcenas makes clear, each generation has essentially remade Locke in its own image, taking inspiration and transmuting his ideas to suit the needs of the particular historical moment. Drawing from a host of vernacular sources to illuminate Locke's often contradictory impact on American daily and intellectual life from before the Revolutionary War to the present, Arcenas delivers a pathbreaking work in the history of ideas. **Books Added** Chicago Public Library, 1916 *Reference Catalogue of Current Literature*, 1924

Classified Catalogue of the Carnegie Library of Pittsburgh ... Carnegie Library of Pittsburgh, 1908 **Literary Research and the British Eighteenth Century** Peggy Keeran, Jennifer Bowers, 2013-02-21 The 18th century in Britain was a transition period for literature. Patronage, either by a benefactor or through subscription, lingered even as the publishing and bookselling industries developed. The practice of reviewing books became well established during the second half of the century, with the first periodical founded in 1749. For the literary scholar, these gradual changes mean that different search strategies are required to conduct research into primary and secondary source material across the era. *Literary Research and the British Eighteenth Century* addresses these unique challenges. It examines how the following all contribute to the richness of literary research for this era: book and periodical publishing; a growing literate society; dissemination of literature through salons, private societies, and coffee houses; the growing importance of book reviews; the explosion of publishing; and the burgeoning of primary source material available through new publishing and digital initiatives in the 21st century. This volume explores primary and secondary resources, including general literary research guides, union library catalogs, print and online bibliographies, scholarly journals, manuscripts, and archives; 18th-century books, newspapers, and periodicals; contemporary reception and electronic texts and journals; as well as Web resources. Each chapter addresses the research methods and tools best used to extract relevant information and compares and evaluates sources, making this book an invaluable guide to any literary scholar and student of the British eighteenth century. **Watteau at Work** Emily A.

Beeny, Davide Gasparotto, Richard Rand, 2021-12-14 Marking the three hundredth anniversary of Jean Antoine Watteau's death this publication takes a close revealing look at his recently rediscovered painting *La Surprise* The painting *La Surprise* by Jean Antoine Watteau 1684 1721 belongs to a new genre of painting invented by the artist himself the *fête galante* These works which show graceful open air gatherings filled with scenes of courtship music and dance strolling lovers and actors do not so much tell a story as set a mood one of playful wistful nostalgic reverie Esteemed by collectors in Watteau's day as a work that showed the artist at the height of his skill and success *La Surprise* vanished from public view in 1848 not to reemerge for more than a century and a half Acquired by the Getty Museum in 2017 it has never before been the subject of a dedicated publication Marking the three hundredth anniversary of Watteau's death this book considers *La Surprise* within the context of the artist's oeuvre and discusses the surprising history of collecting Watteau in Los Angeles This volume is published to accompany an exhibition on view at the J Paul Getty Museum at the Getty Center from November 23 2021 to February 20 2022
