**Death and Dying in Central Appalachia** James K. Crissman, 1994 James Crissman explores cultural traits related to death and dying in Appalachian sections of Tennessee Virginia Kentucky North Carolina and West Virginia showing how they have changed since the 1600s Relying on archival materials almost forty photographs and interviews with more than 400 mountain dwellers Crissman focuses on the importance of family and neighborliness in mountain society Written for both scholarly and general audiences the book contains sections on the death watch body preparation selection or construction of a coffin or casket digging the grave by hand the wake the funeral and other topics Crissman then demonstrates how technology and the encroachment of American society have turned these vital traditions into the disappearing practices of the past

**Cognitive Processes in the Perception of Art** W.R. Crozier, A.J. Chapman, 1984-06-01 This book reviews progress and describes original research in the cognitive psychology of the arts The invited contributors are leading authorities and the topics which they cover include psychological approaches to symbols and meaning in art issues in experimental aesthetics the development in children of artistic production and appreciation and the perception of musical and pictorial material

**New World Orders in Contemporary Children's Literature** C. Bradford, K. Mallan, J. Stephens, R. McCallum, 2008-03-13 This book demonstrates how contemporary children's texts draw on utopian and dystopian tropes in their projections of possible futures The authors explore the ways in which children's texts respond to social change and global politics The book argues that children's texts are crucially implicated in shaping the values of their readers

**Country Roads: How Country Came to Nashville** Brian Hinton, 2012-06-26 Hinton's latest book takes readers on an enthralling journey to explain the diverse music that has come to be known as country starting with Celtic myth and mystery traveling to the Appalachian mountains and taking a few unexpected turns along the way with such disparate personalities as Bob Dylan Hank Williams and Elvis Presley

Dirty Words in Deadwood Melody Graulich, Nicolas S. Witschi, 2020-02-17 Dirty Words in Deadwood showcases literary analyses of the Deadwood television series by leading western American literary critics Whereas previous reaction to the series has largely addressed the question of historical accuracy rather than intertextuality or literary complexity Melody Graulich and Nicolas S Witschi's edited volume brings a much needed perspective to Deadwood's representation of the frontier West As Graulich observes in her introduction With its emotional coherence compelling characterizations compressed structural brilliance moral ambiguity language experiments interpretation of the past relevance to the present and engagement with its literary forebears Deadwood is an aesthetic triumph as historical fiction and like much great literature makes a case for the humanistic value of storytelling From previously unpublished interviews with series creator David Milch to explorations of sexuality disability cinematic technique and western narrative this collection focuses on Deadwood as a series ultimately about the imagination as a verbal and visual construct and as a literary masterpiece that richly rewards close analysis and interpretation
