The Global Handbook of Media Accountability Susanne Fengler, Tobias Eberwein, Matthias Karmasin, 2021-12-30 The Global Handbook of Media Accountability brings together leading scholars to de Westernize the academic debate on media accountability and discuss different models of media self regulation and newsroom transparency around the globe With examination of the status quo of media accountability in 43 countries worldwide it offers a theoretically informed comparative analysis of accountability regimes of different varieties As such it constitutes the first interdisciplinary academic

framework comparing structures of media accountability across all continents and creates an invaluable basis for further research and policymaking It will therefore appeal to scholars and students of media studies and journalism mass communication sociology and political science as well as policymakers and practitioners

Handbook of Research on Strategic Management in Small and Medium Enterprises Todorov, Kiril, Smallbone, David, 2014-04-30 As the global economy continues to develop and new entrepreneurs take advantage of emerging markets the small business sector plays a greater role of economic development in the international arena The Handbook of Research on Strategic Management in Small and Medium Enterprises contributes new research to the current array of literature on small business management under diverse geographic economic and socio cultural conditions By exploring existing theories in tandem with fresh viewpoints this book will serve as a valuable reference to students lecturers researchers entrepreneurs and policy makers investigating the use of strategic management in various scenarios and situations

Handbook for Interpreters in Asylum Procedures UNHCR, Annika Bergunde, Sonja Pöllabauer, Lilian Hagenlocher, Ursula Stachl-Peier, 2022-04-01 Interpreters play a crucial yet often underestimated role in asylum interviews They mediate between the asylum seeker and the interviewer who would not be able to communicate without the help of the interpreter As it is often not possible for applicants to provide written evidence to substantiate their claims their oral accounts of what has happened to them are usually the sole basis for an official's decision and ultimately a pivotal point in the applicant's life Given the significant consequences of such decisions during the asylum procedure interpreters carry a great deal of responsibility both in terms of their professional behaviour and with regard to the quality of interpretation This handbook now in its second updated and expanded edition responds to the need for qualified interpreters in asylum procedures by offering a theoretical insight into a variety of topics relevant to interpreters in the asylum context as well as activities and exercises enabling experiential and interactive learning It is aimed both at interpreters in asylum procedures who have no formal training and trained interpreters who wish to specialise in the field In addition the handbook is intended for facilitators and trainers to use in face to face training courses The handbook is also relevant to asylum authorities and interviewers providing them with insights into and guidance in working with interpreters

Handbook of Research on the Future of Advertising and Brands in the New Entertainment Landscape Miguélez-Juan, Blanca, Bonales-Daimiel, Gema, 2023-01-09 In a globalized world full of noise brands are constantly launching messages through different channels For the last two decades brands marketers and creatives have faced the difficult task of reaching those individuals who do not want to watch or listen to what they are trying to tell them By producing fewer ads or making them louder or more striking more brands and communications professionals are not going to get those people to pay more attention to their messages they will only want to avoid advertising in all media The Handbook of Research on the Future of Advertising and Brands in the New Entertainment Landscape provides a theoretical reflective and empirical perspective on branded content and branded entertainment in relation to audience

engagement It reviews different cases about branded content to address the dramatic change that brands and conventional advertising are facing short term Covering topics such as branded content measurement tools digital entertainment culture and government storytelling this major reference work is an excellent resource for marketers advertising agencies brand managers business leaders and managers communications professionals government officials non profit organizations students and educators of higher education academic libraries researchers and academicians

The Routledge Handbook of Magazine Research David Abrahamson, Marcia R.
