Handgun Stopping Power The Definitive Study:

Handgun Stopping Power Evan Marshall, Edwin J. Sanow, 1992-01-01 Dramatic first hand accounts of the results of handgun rounds fired into criminals by cops storeowners cabbies and others are the heart and soul of this long awaited book This is the definitive methodology for predicting the stopping power of handgun loads the first to take into account what really happens when a bullet meets a man

Handgun Bullet Stopping Power George B. Bredsten, 2008 For the law enforcement officer and the civilian who may be in a situation that requires the use of a handgun to stop a lethal threat action it is important that the person differentiates between the crass glib and self serving advertisements of ammunition vendors and the reality of how what and why effective stopping power occurs Factors to consider are the physiological response the psychological response the time frame parameter and bullet efficacy Of these four factors only bullet efficacy can be somewhat controlled by the person this only by understanding how and to what extent the bullet contributes to the degree of stopping power obtained A number of concepts formulae have been included so as to permit the reader to consider their merits and whether or not they are consistent with the reality of biology physics and other relevant sciences Finally the material in this book is intended to permit those persons to instruct teach or make decisions regarding the selection of a service handgun cartridge combination that will help to provide the means to prevail in a lethal threat confrontation About the Author Mr Bredsten retired from the Federal Law Enforcement Training Center Firearms Division FLETC FAD With FLETC FAD he performed duties as a firearms instructor and he also taught ballistics to the FLETC FAD staff and to students in the Law Enforcement Rifle Training Program and in the Precision Rifle Sniper and Observer Program Subjects covered included the ballistic coefficient barrel time the coefficient of reduction form Greenhill formula rate of rifling twist firearm recoil bullet time of flight bullet drop bullet midrange wind deflection bullet penetration potential and bullet terminal wounding efficacy Since retiring he has provided ballistics consultation service for the FLETC FAD the Transportation Security Agency the Orange County Florida Sheriff s Department and Exxon Mobil Corporation Mr Bredsten attended and completed various classes courses relating to firearms e g H K MP5 Steyr Aug Uzi Tactical Speed Shooting and advanced shotgun and ballistics e g the first and second International Wound Ballistics Conferences a Federal Law Enforcement Ammunition and Ballistics Seminar and Oehler s Ballistic Instrumentation Mr Bredsten has an AA degree from Chaffey Jr College and a BA degree from Sacramento State College and currently resides in Georgia

Gun Studies Jennifer Carlson, Kristin Goss, Harel Shapira, 2018-12-07 As cultural social political and historical objects guns are rich with complex and contested significance What guns mean why they matter and what policies should be undertaken to regulate guns remain issues of vigorous scholarly and public debate Gun Studies offers fresh research and original perspectives on the contentious issue of firearms in public life Comprising global interdisciplinary contributions this insightful volume examines difficult and timely questions through the lens of Social practice Marketing and commerce Critical theory Political conflict

Public policy Criminology Questions explored include the evolution of American gun culture from recreation to self protection the changing dynamics of the pro gun and pro regulation movements the deeply personal role of guns as sources of both injury and security and the relationship between gun wielding individuals the state and social order in the United States and abroad In addition to introducing new research Gun Studies presents reflections by senior scholars on what has been learned over the decades and how gun related research has influenced public policy and everyday conversations Offering provocative and often intimate perspectives on how guns influence individuals social structures and the state in both dramatic and nuanced ways Gun Studies will appeal to students and researchers interested in fields such as sociology political science legal history criminology criminal justice social policy armaments industries and violent crime It will also appeal to policy makers and all others interested in and concerned about the use of guns **Wound Ballistics** Beat P.

Peter Squires, Peter Kennison, 2010-08-24 Shooting to Kill Policing Firearms and Armed Response explores the dilemma of armed response policing in the UK and policing in a gun culture Offers the first critical exploration of the ACPO code of guidance on Police Use of Firearms and other tactical manuals Includes interviews with senior police firearms managers and critical case studies of police firearms incidents Features the first in depth academic analysis of the Stockwell shooting incident and the Kratos policy Provides a review of key developments in armed response policing around the world Describes the crucial phases in armed response policy development in Britain and explores the consequences of arming the police

Ballistic Trauma John Breeze, Jowan G. Penn-Barwell, Damian Keene, David O'Reilly, Jeyasankar Jeyanathan, Peter F. Mahoney, 2017-10-18 This revised fourth edition provides a concise guide to the clinical and operational issues surrounding the management of the ballistic casualty This book utilises the knowledge and experience acquired by those dealing with ballistic trauma on a regular basis to help those who manage these patients less regularly This book is a valuable reference tool for all medical and paramedical personnel involved in the care of patients with ballistic injury It is especially relevant for consultants and senior trainees in surgery anaesthesia and emergency medicine who are likely to be involved in the management of these unique injuries

Gun Crime in Global Contexts Peter Squires, 2014-06-27 Every year around three quarters of a million people die directly or indirectly as a result of gun violence with most deaths occurring in the poorest yet also most highly weaponized parts of the world Firearm proliferation 875 million global firearms is a direct contributor to both regional conflicts and to crime This book attempts to understand the inter related dynamics of supply and demand which are weaponizing the world Now over ten years after Peter Squires s Gun Culture or Gun Control the issues pertaining to gun violence and gun control have developed dramatically With Gun Crime in Global Contexts Peter Squires offers a cutting edge account of contemporary developments in the politics of gun crime and the social and theoretical issues that surround the problem This book contains an innovative political analysis of neo liberal globalization and weapon proliferation an overview of recent gun control debates and gang strategies in the UK an updated analysis of US gun politics self defence race and the culture war a critical analysis of US school and rampage shootings how they have impacted the gun debate and how different societies have responded to mass shootings an examination of the UN s development of an Arms Trade Treaty 2001 13 a discussion of weapon trafficking discussions about youth gangs around the world including those in Brazil Kenya West Africa Mexico and South Africa With its interdisciplinary perspective and global reach this book will be important reading for academics and students interested in youth and gang crime violent crime and comparative criminal justice as well as peace and security studies and international relations

The Guns of John Moses Browning Nathan Gorenstein, 2022-05-17 A well researched and very readable new biography The Wall Street Journal of the Thomas Edison of guns a visionary inventor who

designed the modern handgun and whose awe inspiring array of firearms helped ensure victory in numerous American wars and holds a crucial place in world history Few people are aware that John Moses Browning a tall humble cerebral man born in 1855 and raised as a Mormon in the American West was the mind behind many of the world changing firearms that dominated more than a century of conflict He invented the design used in virtually all modern pistols created the most popular hunting rifles and shotguns and conceived the machine guns that proved decisive not just in World Wars I and II but nearly every major military action since Yet few in America knew his name until he was into his sixties Now author Nathan Gorenstein brings firearms inventor John Moses Browning to vivid life in this riveting and revealing biography Embodying the tradition of self made self educated geniuses like Lincoln and Edison Browning was able to think in three dimensions he never used blueprints and his gifted mind produced everything from the famous Winchester 30 30 hunting rifle to the awesomely effective machine guns used by every American aircraft and infantry unit in World War II The British credited Browning s guns with helping to win the Battle of Britain His inventions illustrate both the good and bad of weapons Sweeping lively and brilliantly told this fascinating book that gun collectors and historians of armaments will cherish Kirkus Reviews introduces a little known legend whose impact on history ranks with that of the Wright Brothers Thomas Edison and Henry Ford

Gender and Firearms Peter Squires,2024-04-01 Private gun ownership for self defense remains a major personal and public issue in the United States driven by concerns about crime vulnerability and a range of ideological factors including race and gender As media attention centres upon the extent to which women are taking up firearms with the gun lobby and firearms manufacturers celebrating the new armed woman and guns being promoted as Rape Prevention Kits this book explores the changing gendered aspects of gun ownership Can ownership of firearms by women be considered as some have claimed the embodiment of what might be termed pioneer feminism as women resist male violence in a dangerous world or are different stories told by the prominence of women in firearms control campaigns or the fact that women remain frequent victims of male gun ownership Analysing representations of the armed woman in firearm and gun lobby marketing and advertising campaigns together with television and popular music forms *Gender and Firearms My Body My Choice My Gun* examines the directions taken in the public debate on weaponisation in the United States considering the role of women in the politics of gun safety and gun control The book draws on statistical evidence in order to shed light on trends in gun ownership whilst engaging with feminist scholarship on the relationship between gender violence risk and vulnerabilities thus opening up critical new debates surrounding identity performance gender and risk in contemporary societies As such the book will be of likely interest to sociologists and scholars of sociology criminology and cultural and media studies with interests in gender embodiment risk crime and violence
