Living Disability Emily Macrae, 2024-10-15 How can we build more accessible cities Living Disability brings together vibrant perspectives on disability justice and urban systems A musician and snow removal expert a queer curator a public pool aficionado and a journalist turned city councillor these are just some of the disabled writers exploring disability justice analyzing urban systems and proposing more equitable approaches to city building in this anthology Essays and interviews push the conversation about accessibility beyond policy papers and compliance checklists to show how disabled people are already creating more inclusive spaces in cities of all sizes Living Disability is universal in scope but intimate and local in focus grounded in personal struggles and celebrations Decisions about public transit affordable housing and park design all disproportionately impact disabled communities by sharing stories and strategies contributors consider the ways disabled thinkers and doers are embracing overlooked aspects of urban design and tackling the toughest problems facing cities Each chapter provides context to welcome both disabled and non disabled readers into conversations about the future of inclusion so that all readers can develop their own understanding of what accessible cities look and feel like This book appeals to city builders of all stripes committed to learning from and working with underrepresented communities It equips architects designers community leaders innovators and citizens with the key concepts they need to collaborate with rather than care for disabled neighbours Living Disability is at once hopeful and infuriating solemn and joyous The stories shared within these pages point to both the past and future simultaneously illuminating the struggles and joys and history of disabled life while putting access barriers on blast in a way that is more necessary than ever The deep rich work of this collection lies in its

embrace of complexity community grief and also its belief in the capacity of our world read us to change May these stories touch your heart kindle the flame of your anger and move you forward into fighting for the better world we all deserve

Amanda Leduc author of *Disfigured On Fairy Tales Disability and Making Space* **Growing Up Disabled in Australia**

Carly Findlay, 2021-02-03 A rich collection of writing from those negotiating disability in their lives a group whose voices are not heard often enough My body and its place in the world seemed normal to me Why wouldn't it I didn't grow up disabled I grew up with a problem A problem that those around me wanted to fix We have all felt that uncanny sensation that someone is watching us The diagnosis helped but it didn't fix everything Don't fear the labels That identity which I feared for so long is now one of my greatest qualities I had become disabled not just by my disease but by the way the world treated me When I found that out everything changed One in five Australians has a disability And disability presents itself in many ways Yet disabled people are still underrepresented in the media and in literature In *Growing Up Disabled in Australia* compiled by writer and appearance activist Carly Findlay OAM more than forty writers with a disability or chronic illness share their stories in their own words The result is illuminating Contributors include senator Jordon Steele John paralympian Isis Holt Dion Beasley Sam Drummond Astrid Edwards Sarah Firth El Gibbs Eliza Hull Gayle Kennedy Carly Jay Metcalfe Fiona Murphy Jessica Walton and many more **Making Disability Modern** Bess Williamson, Elizabeth Guffey, 2020-07-23

Making Disability Modern Design Histories brings together leading scholars from a range of disciplinary and national perspectives to examine how designed objects and spaces contribute to the meanings of ability and disability from the late 18th century to the present day and in homes offices and schools to realms of national and international politics The contributors reveal the social role of objects particularly those designed for use by people with disabilities such as walking sticks wheelchairs and prosthetic limbs and consider the active role that makers users and designers take to reshape the material environment into a usable world But it also aims to make clear that definitions of disability and ability are often shaped by design **Crossing Jordan** Elizabeth VanSickle, 2008-09-11 In 2004 Elizabeth VanSickle was diagnosed with metastatic breast cancer She was determined to overcome her affliction by helping others one sock monkey at a time Her caring spirit has enabled her to develop a unique ministry Sock Monkey Ministries Inc that helps others in need by giving them a hand made sock monkey This ministry spreads an encouraging act to let others know they are not alone in their fight To date over 9500 sock monkeys have been made and given to those in need of encouragement *The Bookseller*, 1981

of the Internal Revenue Code of 1986 ,2003 Pennhurst and the Struggle for Disability Rights Dennis B. Downey,James W. Conroy,2020-04-13 Conceived in the era of eugenics as a solution to what was termed the problem of the feeble minded state operated institutions subjected people with intellectual and developmental disabilities to a life of compulsory incarceration One of nearly 300 such facilities in the United States Pennhurst State School and Hospital was initially hailed as a model institution but was later revealed to be a nightmare where medical experimentation and physical and psychological abuse were rampant At its peak more than 3 500 residents were confined at Pennhurst supervised by a staff of fewer than 600 Using a blended narrative of essays and first person accounts this history of Pennhurst examines the institution from its founding during an age of Progressive reform to its present day exploitation as a controversial Halloween attraction In doing so it traces a decades long battle to reform the abhorrent school and hospital and reveals its role as a catalyst for the disability rights movement Beginning in the 1950s parent advocates social workers and attorneys joined forces to challenge the dehumanizing conditions at Pennhurst Their groundbreaking advocacy accelerated in 1968 by the explosive televised expos Suffer the Little Children laid the foundation for lawsuits that transformed American jurisprudence and ended mass institutionalization in the United States As a result Pennhurst became a symbolic force in the disability civil rights movement in America and around the world Extensively researched and featuring the stories of survivors parents and advocates this compelling history will appeal both to those with connections to Pennhurst and to anyone interested in the history of institutionalization and the disability rights movement **The Complete Directory for People with Disabilities** ,1997
