Loudon,2024-02-02 Betrayal Loss War In a world like this these ideas unfortunately become common place unavoidable Sometimes a man can be killed when the sun is at its brightest and the birds are singing beautiful songs and love might be found when the world is at its coldest As a war threatens the continent of Icehelm due to the greed driven decision of a terrible king two brothers one gutsy and one fearful must fight to save what little family they have left their sister The northern Kingdom of Snowhelm a place of warriors and honour take up their arms to claim vengeance against the High King and his tainted blood leading to a tale to be spoken for generations though tame compared to what the future might hold In the shadows dark eyes watch as the world tears itself apart striking only when the enemy is at its weakest and taking one step closer to Judgement This is a tale of legends and villains a song of many verses **The Net of Steel** Fiona Buckley,2023-05-02 Ursula Stannard faces the ultimate test in this gripping Tudor mystery How far is she prepared to go to protect those dearest to her and save her own life April 1590 Ursula Stannard the queen s half sister and occasional secret agent has just left Sir Francis Walsingham s funeral when she is summoned back to her childhood home Faldene House by her aunt Uncle Herbert has died suddenly from natural causes but Ursula s arrival in the Sussex Downs triggers a shocking sequence of death and devastation Through her service to the queen Ursula has made dangerous enemies The formidable Mercer brothers are set on revenge and their cruelty knows no limits As a deadly net closes around Ursula and her loved ones can she keep those closest to her safe and stop the Mercers before they strike again **With Links of Steel; Or, The Peril of the Unknown** Nicholas Carter,2022-09-04 DigiCat Publishing presents to you this special edition of With Links of Steel Or The Peril of the Unknown by Nicholas Carter DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature **Effects of steel industry closing on small businesses and local communities** United States. Congress. Senate. Select Committee on Small Business,1980 *Medieval IV - Ring of Steel* K. M. Ashman,2021-05-17 The Welsh rebellion spreads like wildfire 1294 AD Caernarfon Castle a fortress in Edward Longshanks chain of fortifications around Wales known as the Ring of Steel has fallen to Madog and the rebellion In the south Garryn languishes in a dungeon with only days left to live It seems his fate is sealed and the famed Macsen Sword is destined for the hands of the English king As the four main warlords of Wales join forces to wreak havoc amongst the English settlers rampaging across the country Edward s castles fall one by one before their onslaught But across the border in England Longshanks musters his armies and plans the re taking of his Ring of Steel and there will be no mercy The epic conclusion to the Medieval Sagas perfect for fans of Christian Cameron and Angus Donald Lily Whites of Steel Lindsay Evelyn Hamilton,2013-12 Born into the flaming trenches of a true spiritual hell Lacey Hart spends her impoverished childhood lost in the strange shadow world between heaven and the demonic underworld in her senses She uses religion to mold herself

into The Perfect Daughter so that she might evade her disturbed mother's malevolence Lacey is a demure child whose primrose sweetness and white laced stoicism harken back to the puritanical era times when bewitchment infiltrated even the purest breath of beauty In school she is an idiot savant and she believes herself to be haunted by the devil But outside the physical emotional and sexual torture chamber of her home Lacey rarely ruffles feathers Then she turns eighteen Her sexuality which she has always felt had its roots in evil blooms like an overripe fruit from the center of her soul Around the same time Lacey and her best friend Sabrina uncover the gift that has both defined and isolated them all their lives intuition Emerging from the cocoon of their silence into awareness the two friends find themselves also immersed in the dark side of magic It is on this spiritual cusp between heaven and hell that they experience the heights of ecstasy but drift inevitably toward the dredges of humanity on the outskirts of life Like twinned flames Lacey and Sabrina embark upon the bohemian magical mystery tour of their twenties with the quixotic candor and unexpected bravery of the truly eccentric Then grave illness strikes unplanned pregnancy arises and they learn the power of true love to bloom one's spirit into the oneness with all things that is true freedom The story of two women who dare to submerge themselves completely into any given moment Lily Whites of Steel is a fearless exploration of the thin line between freedom and destruction dogma and authentic mysticism and perhaps most hauntingly of all truth and madness

*The Hands of Christ* Jon K. Elliott, 2010-09 Linda and Dean Burns were much to be envied wealthy attractive and with three beautiful children Their lives seemed idyllic although they were busy Linda teaching third grade and Dean managing a large construction firm That was before the accident The accident changed everything Now neither of them could meet the other's needs Just as Dean was unable to satisfy Linda's emotional needs and chafed under the workload of household and childcare obligations Linda could not support Dean's need to work longer hours to maintain the family's financial security What happens when the perfect life comes to a crashing halt As their marriage unraveled friends looked on in horror wishing they could do something to help The Hands of Christ is the story of two people who found themselves entirely unequipped for the chaos they faced and of Christian friends who cared enough to attempt to intervene Will Dean and Linda be able to salvage the disaster that has become their marriage or will they succeed in constructing independent paths out of the rubble The Hands of Christ are open to the weary and brokenhearted Perhaps Dean and Linda couldn't recognize them
