Everyone has to come out from the darkness and into the light of Jesus Christ Come out and separate yourself from evil deeds  
and worldly lust and walk in the newness of life in Jesus Christ In *I Was Born Gay* author JonPual McLur k presents a  
discussion of what gay people say and what the Bible states of marriage and being born gay She provides Biblical proof of  
God s expectations This discussion challenges people to examine what is being asked of them by the LGBT community helps  
believers and non believers realize the numerous scriptures that support God s view of the matter and none for the  
effeminate shows it s not a question of freedom and rights already freely given by God to every man but it s a battle of good  
versus evil and provides an understanding that the real problem is not homosexuality but the ones who allow it to permeate  
society *I Was Born Gay* challenges judges religious leaders politicians effeminates atheists and this nation of God fearing  
citizens to make a change for the better The Sanctity of Marriage Activist judges however have begun redefining marriage by  
court order without regard for the will of the people and their elected representatives On an issue of such great consequence  
the people s voice must be heard If judges insist on forcing their arbitrary will upon the people the only alternative left to the  
people would be the constitutional process Our nation must defend the sanctity of marriage President George W Bush  
January 20 2004 LifeSiteNews com      **Hear Their Voices** T M Orecchia,2014-08-05 Have you ever wondered if angels  
really exist in this day and age Who really sees or hears them Have you ever thought Where are the angels when tragedy  
strikes Why is there so much suffering on earth Why is life so difficult down here *Hear Their Voices* contains twelve different  
stories addressing current events such as cancer in children suicide war and toxic oceans events that are in newspapers and  
on TV These are the kinds of events that may make you just shake your head wonder why for a second and say that is a  
tragedy The twelve stories were channeled to the author by different angels The names of each angel appear in the story  
which that angel dictated Each story addresses an event with an explanation of what is occurring spiritually The stories also  
emphasize that everyone is capable of conversing with the angels when we let them into our hearts      "An" Exposition of
