Perhaps not so surprisingly, there is a cross-fertilization between people who are interested in personal and spiritual growth and those who are interested in writing. In *Writing Spiritual Books*, Hal Zina Bennett will take the writer by the hand; first, he will help illuminate and focus on the spiritual experience; then, Bennett shares tips and secrets on the craft of writing, organization, and style of spiritual books; and finally, he will address the practical aspects of finding an agent and publisher, complete with a resource section. Including both anecdotal and prescriptive material gleaned from Hal Zina Bennett's work on over 200 successful projects for both publishers and individual authors, there will be writing exercises, exploratory questions, and other practical guidance. Readers will be taken through the entire process of writing books for the spiritual and personal growth markets.
