Provincial Court,1922

The Neurodiversity Playbook Matthew Zakreski, Psy.D.,2024-11-08 This book represents a summation of a decade s worth of therapy research workshops and presentations around the unique aspects of social emotional development in the neurodivergent community The book grounds its approach in neuroscience and then applies those data to how our brains impact our thoughts feelings and behaviors As a child psychologist who specializes in working with this population I pride myself on identifying the challenging aspects of having a different brain and empowering kids to manage those differences As such this book will contain sections that directly address the parts of being gifted that have traditionally been emphasized less making friends maintaining relationships regulating emotions communicating your feelings and needs appropriately and being able to identify contextual factors to understand why people are acting the way they are Naming the issues is one thing

but each section will contain case examples clinical advice and tangible skills that will help students grow in the areas of social emotional learning SEL These skills are deliverable generalizable and appropriate for school home and the community Most importantly they work I often say that I want my clients to have a little pocket Dr Matt to help them navigate the world this book is my attempt at creating that kind of external support

Deported Tanya Maria Golash-Boza, 2015-12-11 Winner 2016 Distinguished Contribution to Research Book Award given by the American Sociological Association Latino a Section The intimate stories of 147 deportees that exposes the racialized and gendered dimensions of mass deportations in the U S The United States currently is deporting more people than ever before 4 million people have been deported since 1997 twice as many as all people deported prior to 1996 There is a disturbing pattern in the population deported 97% of deportees are sent to Latin America or the Caribbean and 88% are men many of whom were originally detained through the U S criminal justice system Weaving together hard hitting critique and moving first person testimonials *Deported* tells the intimate stories of people caught in an immigration law enforcement dragnet that serves the aims of global capitalism Tanya Golash Boza uses the stories of 147 of these deportees to explore the racialized and gendered dimensions of mass deportation in the United States showing how this crisis is embedded in economic restructuring neoliberal reforms and the disproportionate criminalization of black and Latino men In the United States outsourcing creates service sector jobs and more of a need for the unskilled jobs that attract immigrants looking for new opportunities but it also leads to deindustrialization decline in urban communities and consequently heavy policing Many immigrants are exposed to the same racial profiling and policing as native born blacks and Latinos Unlike the native born though when immigrants enter the criminal justice system deportation is often their only way out Ultimately Golash Boza argues that deportation has become a state strategy of social control both in the United States and in the many countries that receive deportees

Through Roni's Eyes Viola Merritt,

The Life and Deaths of Frankie D. Colleen Nelson, 2021-04-13 A fantastical novel from award winning author Colleen Nelson about a hundred year old side show and a girl with no past Frankie doesn't trust easily Not others and not even herself Found in an alley when she was a child she has no memory of who she is or why she was left there Recurring dreams about a hundred year old carnival side show a performer known as Alligator Girl and a man named Monsieur Duval have an eerie familiarity to them Frankie gets drawn deeper into Alligator Girl's world and the secrets that keep the performers bound together But a startling encounter with Monsieur Duval when she's awake makes Frankie wonder what's real and what's in her head As Frankie's and Alligator Girl's stories unfold Frankie's life takes a sharp turn Are the dreams her way of working through her trauma or is there a more sinister plan at work And if there is does she have the strength to fight it

Street Kids Kristina E. Gibson, 2011-05-09 Street outreach workers comb public places such as parks vacant lots and abandoned waterfronts to search for young people who are living out in public spaces if not always in the public eye *Street Kids* opens a window to the largely hidden world of street youth drawing on their detailed and compelling narratives to give

new insight into the experiences of youth homelessness and youth outreach Kristina Gibson argues that the enforcement of quality of life ordinances in New York City has spurred hyper mobility amongst the city's street youth population and has serious implications for social work with homeless youth Youth in motion have become socially invisible and marginalized from public spaces where social workers traditionally contact them jeopardizing their access to the already limited opportunities to escape street life The culmination of a multi year ethnographic investigation into the lives of street outreach workers and their kids on the streets of New York City Street Kids illustrates the critical role that public space regulations and policing play in shaping the experience of youth homelessness and the effectiveness of street outreach
